A bath cleanses the skin and rids the pores of refuse. A bath makes for better fellowship and citizenship. Not only should the outside of the body be cleansed, but occasional use of a laxative or cathartic opens the bowels and clears the system of effete matter. Best for this are DeWitt's Little Early Risers. Pleasant little pills that do not gripe or sicken. Sold by Peoples Drug Store.

The Frisco will sell tickets to Clouderoft, N. M., daily until September 31 at rate of one fare plus fifty cents. Final return limit October 31. See Frisco agent.

In these days of rush and hurry courtesy is often forgotten. In the mad, pell mell rush of our life little things are done to offend that we rather remained undone. A hastily eaten meal and its resultant headache may cause us social or financial loss. The wise man or woman is the one who relieves little ills of this sort by a little dose of Kodol For Dyspepsia. It digests what you eat and puts your stomach back into shape. Sold by Peoples Drug Store.

No one would buy a sailboat with sails that could not be reefed. There is always that possibility of a little too much wind that makes a cautious man afraid to go unprovided. The thinking man, whose stomach sometimes goes back on him, provides for his stomach by keeping a bottle of Kodol For Dyspepsia within reach. Kodol digests what you eat and restores the stomach to the condition to properly perform its function. Sold by People's Drug Store.
