A COURIER OF THE WORLD'S NEWS AT YOUR DOOR EVERY EVENING

PLANS COMPLETE FOR BRYAN DAY

Some Enthusiastic Democrats Predict There Will Be Twenty Thousand People in Vinita Thursday

Preparations for Bryan day have been about completed by the local Democrats. Swain's park, where the speaking will be held, has been thoroughly cleaned up, the trees trimmed, and a good speaker's stand erected. Tomorrow will witness the beginning of the two day's celebration and barbecue. The speakers tomorrow will be Congressman M. E. Benton of Nebraska, Mo., at 2:30 p. m. and William H. Wallace of Kansas City at 8 p. m. Mr. Wallace is the Democratic candidate for the seat in congress now held by E. C. Ellis of Kansas City

Thursday at 8 a. m. the big speech for which the thousands of loyal Democrats are gathering will be delivered by W. J. Bryan. Mr. Bryan will be introduced by F. S. E. Amos, president of the local Democratic club. Mr. Bryan will speak for an hour, after which the grand parade will be held. Thursday afternoon Governor Jeff Davis of Arkansas will be turned loose on the crowd, and Thursday night General Alfred Orendorf of Springfield, Ill., will be heard. General Orendorf's speech will close the speech-making.

F. S. E. Amos and T. M. Buffington will go down to McAlester tomorrow and be with the Bryan train until its arrival here late tomorrow night. The following committee has been appointed to meet the train at Muskogee and tie up to Vinita with the Nebraskan: Davis Hill, W. P. Phillips, Pryor Parley, Jasper Martin and L. W. Buffington, a representative of each of the five banks of the city, except that the International is slighted in the interest of the Vinita National, which secures two of the committeemen. It is remarked as rather peculiar that the special representative of the people should be met by a committee consisting entirely of bankers, who, in the estimation of many of the commoner's readers, are all "plutes."

The committee to entertain Mr. Bryan during his stay here consists of W. Sanders, chairman, A. M. Clinkales, W. P. Thompson, J. W. Orr, L. L. Churchill, W. P. Phillips and T. M. Buffington,—and this second committee, singularly enough, is likewise composed of men all of whom are bank directors.

Special trains into Vinita Thursday morning were asked for from the

Katy from the south and from the Frisco from the east. The Katy granted the request, but the Frisco refused it. The Katy train is scheduled to reach this city at 7:30 a. m.

Some enthusiastic Democrats claim that 20,000 visitors will be in the city Thursday. The most conservative Democratic estimate is 6,000. Most of the guesses are around the 10,000 mark.

John B. Turner, marshal for the parade on Bryan day, has issued his orders of the day. They are as follows:

At 6:45 on the morning of Thursday, at the sounding of the fire whistle and bugle, all mounted men desiring to take part in the Bryan cavalry escort will report at North park,—and will escort Mr. Bryan from his train to the park where he will speak.

The grand parade will not take place until after the speech. At 10 o'clock, at the sounding of the fire whistle and bugle, all desiring to take part in the parade will report to the marshal at North park. Clubs are requested to report in a body. All mounted ladies and children are also requested to meet in a body. All footmen and carriages desiring to take part in the parade will report at the public school grounds and be formed by the committee.

The line of march will be as follows: From North park west on Sequoyah avenue to Miller street, south to Canadian avenue, opening to let in the footmen at the public school ground at Illinois avenue, east on Canadian to Smith street, north to Illinois avenue, east to Wilson street, south to Canadian avenue, and west to Walnut grove, where the parade will disband. The formation will be as follows:

- Commandant and aides.
- Mounted police.
- Speakers in Carriages.
- Uniformed marching club.
- Band.
- Division of Cavalry.
- Band.
- Division of cavalry.
- Band.
- Division of infantry.
- Carriages.
- Ladies and Children mounted.
- Bicycle brigade.

MAY HAVE TWO ROADS

Oklahoma Western and Porter Road Both Anxious To Come Here

George W. Graham, vice president of the Oklahoma Western, yesterday telegraphed that he would be in town today with his engineer to talk over railroad matters, but so far he has not put in an appearance. He will probably arrive this evening.

So far no definite action has been taken by the railroad committee relative to the proposition of Senator Porter and Engineer Gillespie in regard to the Caney-Spavinaw road. The committee is waiting to confer with W. E. Haisell before taking final action. Engineer Gillespie stated

the road would be built provided local capitalists take a proper interest in its construction.

Practically the same statement has been made by Mr. Graham, and it would seem, therefore, as if Vinita might, with proper effort, secure the construction of both roads. If it is all possible, this should be done. The two would make Vinita's future certain. There is no reason why both should not be built, as they would not be competitors and both are badly needed, and would open up a wonderfully rich country.

MAY SECURE GAS NEW MIAMI BANK

Centralia Is Offered a Good Proposition By the Warren Company

Says the Centralia Standard: Homer Preston of Warren, Pennsylvania, and M. E. Carr of Tulsa, representatives of the company that is piping gas from the Coodys Bluff field to Vinita, were in town today, and at their request a number of representative citizens were called in conference at Clapper's hall to consider the question of securing gas for our town. At the request of Mayor Johnson the meeting was called to order by T. F. McKane and J. H. VanAusdal was chosen secretary.

Mr. Preston was called and stated that the company would run a pipe line from the Vinita line and furnish gas to our citizens for domestic purposes for thirty cents per thousand feet, subject to a discount of 10 per cent if paid before the 10th of each month. The matter was discussed at length by the gentlemen present after which a committee consisting of T. R. Montgomery, F. A. Conkright, J. S. Wagon, O. H. Johnson and P. H. Crahan was appointed to confer with the representatives of the company and endeavor to outline a franchise that would be acceptable to all concerned.

The committee met immediately after dinner and carefully went over the proposition but did not arrive at any definite conclusion. It was finally decided to adjourn for a week at which time other members of the company will be present, when if the same spirit of fairness and consideration for each other's interest is manifested that prevailed at today's meeting the matter will be speedily arranged.

E. H. Smith of Vinita at Head of New Institution in the Quapaw Town

Last night the incorporation papers were drawn for a new bank which will be established at Miami about October 1. The heaviest stockholders in the new concern, which will be known as the Miami Trust & Savings bank, are Vinita men. The officers are E. H. Smith, president; J. W. Orr, vice president, and W. M. Trapp of Miami, secretary and treasurer. The board of directors is composed of five men, the three officers, and John Cheyne of Miami and H. R. Warner of this city. A large number of Miami people have taken stock in the new bank, and the institution therefore starts business with an assured future.

President Smith arrived in Vinita a little over a year ago, coming here as an attorney fresh from Yale. Last spring he was elected city attorney on the Republican ticket. He has had considerable experience in banking, as his father is a leading banker of Glasgow, Ky., and he himself has been a director of the Cherokee National bank of this city for about a year. He will leave Vinita permanently about the first of the month and will have active charge of the business at Miami.

Mr. Orr and the others associated with him as officers and directors are men of such financial standing as to give ample assurance of the bank's success. The capital is \$25,000.

JEROME OUT OF THE RACE

Buffalo, N. Y., Sept. 25—District Attorney Jerome's candidacy for governor of New York was practically withdrawn today. At a meeting some time since of the so-called Albany conference of anti-Hearst Democrats it was decided to nominate Jerome. Today at a meeting which was attended by representatives from about 25 counties it was decided that the Democrats opposed to the nomination of Hearst should concentrate either on Judge Gaynor or Mayor Adam of Buffalo as expediency may require.

The Democratic convention was in session just 24 minutes, long enough to name Lewis Nixon temporary chairman. Adjournment was then taken until tomorrow. The selection of Nixon was the first Tammany victory, and is also regarded as a point gained for Hearst.

NEGROES HAD A BIG PICNIC

The colored picnic held on Lightning creek last Saturday was a success. M. A. Sorrell delivered the Emancipation address, giving the history of both parties, stating that the Republican party has always stood by the negro and is still doing more for the negro than the Democratic party. Wade S. Stanfield and L. E. Muldrow arrived a little late Saturday but both made good speeches. Beef and bread and refreshments were plentiful. There were no Democrats to be seen or heard during the big jubilee.

ARE STILL SLAYING NEGROES AT ATLANTA

Race War in Georgia Capital Continues, Three Negroes Having Been Killed Already Today

Atlanta, Ga., Sept. 25—One negro was killed in Brownville, a suburb, by the militia early this morning while trying to break thru the lines, and two were killed in Atlanta proper in a battle with the police. Two hundred and fifty-seven negroes have already been placed under arrest in Brownville as the result of a raid which was begun early this morning. One negro tried to get away and was shot. The negroes were searched and all were then placed on cars and sent to the police barracks. All negroes who tried to break thru the lines were fired on and halted promptly. The negroes are completely hemmed in by the militia.

One of those arrested is L. J. Price, the negro postmaster at Brownville, charged with supplying ammunition

to the blacks. Later in the day, in the city, there was a desperate encounter between three policemen and two negroes, who were barricaded in a house. Neal MacGruder and Randolph Streets, the negroes, were both killed. The three officers had narrow escapes. The trouble started when the officers attempted to arrest the negroes for promiscuous shooting. The negroes fired at them from a window and kept on shooting until killed.

Governor Terrill intends during the day to order several additional companies of the state militia, probably four, to Atlanta tonight. The sheriff today swore in 300 citizens as special deputies and will swear in 200 more. Governor Terrill has wired for supplies of guns and ammunition.

MET IN MUSKOGEE

Republican Editors Held An Interesting Session There Yesterday Afternoon.

The following account of the Republican Press association yesterday at Muskogee is taken from today's Phoenix:

The Republican Editorial association of the third congressional district met in Muskogee Monday and transacted business of much importance. Two-thirds of the members of the entire association were present and the utmost harmony pervaded throughout the session. In addition to other matters brought before the meeting were the following resolutions which were adopted with but one dissenting vote:

We, the members of the Republican Press association of the third congressional district declare as follows: Whereas, there is an apparent misunderstanding existing among the voters of the party on the so-called race question, and

Whereas, the Republican party has discharged its obligations to the negro in that it gives him full civil rights, equal with every other citizen and still stands for the policy;

Therefore, be it resolved by this association that the Republican party of the third congressional district is opposed to negro domination in any sense;

That it stands for separate schools, separate coaches and separate waiting rooms for negroes which shall have equal facilities and comforts of those furnished other races.

That it is opposed and will use every means at its command to prevent the nomination of negroes on any elective ticket, seeking the sufferage of the other races.

On this declaration of principle all

classes and all nationalities of citizenship are earnestly invited to align themselves with the party of progress and prosperity.

Among those present were the following:

- Thos. A. Latta, Bartlesville; Matt Tolin, Afton; W. E. Dixon, Oklawaha; S. S. Cobb, Wagoner; B. W. Barnes; Haskell; J. S. Holden, Ft. Gibson; W. O. Kennedy, Muskogee; A. S. Sterling, Holdenville; Clark Smith, Claremore; W. F. Head, Webbers Falls; R. B. Huffman, Checotah; C. B. Douglas, Muskogee Phoenix.

The visitors were entertained at dinner at the Turner by Messrs. Kennedy and Douglas and in the afternoon were taken for a trolley ride to the park and fair grounds as guests of Gen. Ira L. Reeves, president of the Traction Co. Before adjournment a vote of thanks was extended to the local members of the association and Gen. Reeves for courtesies. Claremore was selected as the next place of meeting by a unanimous vote.

STENSLAND TO GO TO CHICAGO

New York, Sept. 25—The discomfort of a night in a narrow bedless cell experienced by Paul O. Stensland, the former Chicago banker, was followed today by the additional unpleasant details of a police examination. Stensland was lined up at police headquarters with a score of alleged pickpockets and others arrested during the night. Later he was measured in accordance with the Bertillon system and was then photographed.

Stensland spent a sleepless night and was in a condition of semi prostration this morning. Assistant District Attorney Finley today formally turned the prisoner over to the Chicago detectives.

The ladies of the Methodist church will serve dinner Thursday in the new Scott building on Wilson street.

The Fair

E. W. Stryker

We Do Not Claim

that we sell better qualities than some other stores, but we do claim that we sell equal quantities for less money. Here is an example. We have just received a shipment of plain white English China which we will sell for almost half price. You can not appreciate what a bargain this is unless you see them. Be sure that you get your share before they are all gone. We have a great many articles you will need for Bryan Day.
