## PROVISIONS FOR REGISTRATION.

**Requirements Preliminary to Tuesday's Election.**

All eligible voters who have not yet registered have the opportunity to do so on Thursday, Friday and Saturday of this week in order to qualify themselves to participate in the municipal election of next Tuesday.

All registered voters who have lost their certificates of registration must be fortified with duplicates of may have the privilege of casting the missing certificates before they their ballots. To secure duplicates of lost registration certificates voters must make affidavits to the inspectors of the precinct in which they live. This may be done at any time prior to election day.

**Change of Location.**

A voter who is duly registered but who has changed the location of his place of residence from one precinct into another since registration or from one ward into another, must go to the precinct inspector of the precinct in which he formerly lived and make affidavit concerning his removal. The inspector will then indorse on the back of his registration certificate a transfer to his new voting precinct, qualifying him to cast his ballot in the coming municipal election.

In the Fourth ward where precinct lines were recently changed it will not be necessary for voters to again register or to have their registration certificates transferred if they have not changed their places of residence.

**Election Board's Interpretation.**

While the language of the Taylor municipal election laws, passed by the recent legislature, the law under which the Tuesday election is to voters shall be given on the Thursday, Friday and Saturday previous to the primary election, the county election board interpreted this language differently, ruling that suih registration should take place the Thursday, Friday and Saturday previous to the municipal election—or April 22, 23 and 24.
