

W. (high) M. (cans) G. (as)

[WITH APOLOGIES TO W. S. GILBERT.]

My name is Walter Murray, I'm considered rather critical. In any sort of matter you might nominate political. For many years I've played all the underhand and dirty tricks.

That constitute what people call the "petty party politics."

Of the Boards of Immigration and of Health I am the President. In each office of the Cabinet I've been the pro tem resident.

As Foreign Minister I've proved a diplomat inferior. But better hopes are entertained for me in the Interior.

In Legislative halls I have a following subservient. Who only bend their fingers when they see which way my finger's bent.

For each has grabbed, through me, some public billet with avidity. While each knows better than to lose by voting with stupidity.

I keep a very open eye on every other Minister. Preventative of schemes against myself that might be sinister.

In any Ministerial game, my role is that of battle-dore. The rest must be the shuttle-cocks, just simply that and nothing more.

For providing for my family I've shown a marked capacity. And my son-in-law gains honorable mention for capacity.

Considerable property we've managed to accumulate. To live upon when some one else is called to run the ship of State.

My last crew I discharged although I never told the nation why. And dare insert a (Clause) man to promote his interests on the sly.

The state of the finances, for the moment, is a Paulding. But the Admirable Creighton is a really good for nothing case.

My sentiments religious are quite kaleidoscopic. And vary as the difference 'tween the Arctic zone and tropical.

I've been Catholic, Protestant, also a priestly Mormonite. And would sell my soul to any one to help me in a party fight.

I'm sorry that my antecedents will not bear the light of day. For there's a deal of truth in what my worst opponents say.

I've been a jail-bird—and in Washington, while there to press a claim. State papers were abstracted, and this poor dog got a shocking name.

However, here I am just now, quite bursting with pomposity. I take the floor each day with mingled cough and cheap verbosity.

And hope excessive fawning, well mixed up with bold mendacity. Will enable me to hold on to my present high capacity. ZIT.

READ THIS!

Messrs. E. O. HALL & SON, LIMITED. Gentlemen:—I have used your 15in. Steel Breakers for seven years, and your 16in. Breakers for a year, and have been well pleased with them. They are good strong, Plows and turn the sod better than any other plow I ever used, and I have used a good many since 1862. I have used the 16in. Steel Breaker for several weeks with only five miles, and plowed from one acre and a half to two acres a day. I used the same number of animals for the 15in. as for the 16in. Breakers. I plowed up a grove of sumach roots and lots of guava this year and have broken but one furrow and a pair of handles. Every one who has used them on Hawaii has been well pleased with them.

Yours truly, (Signed) R. A. LYMAN, Paauhau.

The above is but one of many letters we have received from all parts of the Islands, speaking in the highest terms of Hall's Steel Breakers and Plows of all sizes.

We have just received, direct from the Moline Plow Co., a large invoice of Plows, making our assortment complete. Including Breakers and Plows of all sizes and kinds, Extra Shears, Bolts, Coulters, Handles and Beams.

As, during some years, we have been unable to supply the demand for these goods, we desire Planters to send in their orders soon for what they may need for the coming season. The

Hall's Steel Furrow Plow

Has never been equalled; of these we have a few left, of improved make. WE HAVE ALSO

WORTHY Of Confidence.

AYER'S Sarsaparilla is a medicine that, during nearly 40 years, in all parts of the world, has proved its efficacy as the best blood alterative known to medical science.

SARSAPARILLA (extracted from the root of the genuine Honduras Sarsaparilla) is its base, and its powers are enhanced by the extracts of Yellow Dock and Sillifolia, the Iodides of Potassium and Iron, and other potent ingredients.

IS your blood vitiated by derangements of the digestive and assimilatory functions? Is it tainted by Scrofula? or does it contain the poison of Mercury or Contagious Disease?

THE leading physicians of the United States, who know the composition of AYER'S SARSAPARILLA, say that nothing else so good for the purification of the blood is within the range of pharmacy.

ONLY possible for the use of this remedy is it corrupted blood to attain sound health and prevent transmission of the destructive taint to posterity.

THOROUGHLY effective renovation of the system must include not only the removal of corruption from the blood, but its enrichment and the strengthening of the vital organs.

RELIABLE witnesses, all over the world, testify that this work is better accomplished by AYER'S SARSAPARILLA than by any other remedy.

BLOOD that is corrupted through disease is made pure, and blood weakened through diminution of the red corpuscles is made strong, by AYER'S SARSAPARILLA.

PURIFYING the blood and building up the system requires time in serious cases, but benefit will be derived from the use of AYER'S SARSAPARILLA more speedily than from anything else.

MEDICINE for which like effects are falsely claimed, is abundant in the market, under many names, but the only preparation that has stood the test of time, and proved worthy of the world's confidence, is

Ayer's Sarsaparilla,

PREPARED BY Dr. J. C. Ayer & Co., Lowell, Mass.

Sold by all druggists: Price 1; six bottles for \$5.

CALIFORNIA WINES!

The growth and manufacture of Pure Wines in California has surprised the most sanguine. Although small manufacturers, through probable ignorance and carelessness, turn out inferior Wines, it has been the ambition of

Messrs. Arpad Haraszthy & Co.,

To produce Wines that are absolutely Pure, and they are the ONLY HOUSE in California that Manufactures PURE CHAMPAGNES produced by the natural process of fermentation in the Bottle.

The importation of MESSRS. ARPAD HARASZTHY & CO.'S Wines into this Kingdom, from October 7th, 1885, to March 31st, 1886, being nearly TWO-THIRD of ALL OTHER MANUFACTURES PUT TOGETHER, is a guaranty of their popularity, and that they are far superior to any Wines manufactured.

PLOWS OF THE LATEST PATTERNS!

A NEW INVOICE

Just Received

Our Breakers and Light Steel Plows

Are all made from our own patterns and are the result of the experiences of a large number of practical Planters, who kindly suggested improvements and changes in the Plows which had formerly been used here.

HAWAII. MR. W. M. Y. HONNH says:—"I have no hesitation in pronouncing them the very best Breaking Plow I ever used in this or any other country."

MAUI. MR. W. H. CORNWELL says:—"They possess all the requisites of a first-class and good Plow. Just the thing needed especially for rough land."

KAUAI.

MR. L. H. STOLZ says:—"It plowed a hundred acres of new land, part of which was stony and a good deal of it covered with a heavy growth of 'Mimosa.' I would not wish for a better plow."

HAWAII.

MR. HENRY COOPER says:—"The Plows you sent to Mr. Parvis and myself are, I think, the most serviceable I have yet seen for the work required."

OAHU.

MR. J. L. RICHARDSON says:—"I speak from experience when I say it is the best Breaking Plow I ever used."
