

BREVITIES.

Mary had a little lamb, Its fleece was white as snow: It strayed away one summer day Where lambs should never go.

BANANAS.

A Few Points For Housewives. The following direction will serve to show the variety of styles in which the banana may be prepared so as to make a palatable table dish:

Baked Bananas for Dessert.—Put three teaspoonfuls of butter, six teaspoonfuls of sugar and three teaspoonfuls of lemon juice in a bowl, which must be set in hot water till the butter is melted.

Banana Fritters.—Beat the yolks of two eggs, and one-half cup of sweet milk, one tablespoon of olive oil, one-fourth teaspoonful of salt, one cup of flour and the whites of three eggs beaten stiff and added the last thing.

NOTED NAMES.

Learned and Curious Notes Respecting Men of the Time.

The following are derivations and meanings of names of some prominent men of the present day:

Pattison—This is an Irish name, and means the son of Patrick. The name Patterson is the same. Patrick is derived from the Latin Patricius, meaning noble, a Senator. The name was bestowed upon the eldest sons of the Roman Senators.

Delamater—This is a French name, from Le Maitre, meaning the preceptor, a master or landlord.

Blaine—This name is from the town of Blain, in France. It has also a claim to Welsh origin, and in that case it signifies the summit or top.

Tilman—The farmer or Alliance Governor of South Carolina is well named, as his name means tiller of the soil.

Parnell—The deposed Irish leader has not an Irish name. It comes from Italy, and is derived from Petronilla, a pretty stone, and also an inmodest girl.

McCarthy—This name is pure Irish, and means the son of Canthack, who was an Irish chieftain of the eleventh century.

Dillon is Welsh, from Dillyn, meaning handsome, brave.

Vanderbilt is Dutch, from Byl, a hatchet or bill. The ship carpenters in Amsterdam were nicknamed Die Byltye, the hatchet or bill men. Van; the Dutch for the word of. Hence Van die bilt, or the bill man.

Astor is Scandinavian, from the town of Oster, in Jutland, meaning star.—American Notes and Queries.

A Much-Named Family.

There is a family living near the Fair Grounds in Athens consisting of seven children. The parents seem to like a superfluity of names.

The first child is named Mary Magalina Mandy Mectum Elizabeth Betsy Polly Mack Barrett.

The second child is named Alice Georgia Ann Yorena Barrett.

The third child is named Mattie Frances Anna Trauna Barrett.

The fourth child is named Emory Saper Walker Buster Barrett.

The fifth child is named Tila Cory Coston Estelle Liniment Ettie Isidier Barrett.

The sixth child is named Montine Cinicar Barrett.

The seventh child is named Elice Bozma Mondenay Virginia Barrett.

DR. J. COLLIS BROWNE'S CHLORODYNE.

THE ORIGINAL and ONLY GENUINE. Advice to Invalids.—If you wish to obtain quiet refreshing sleep, free from headache, relief from pain and anguish, to calm and assuage the weary aching, protracted disease, invigorate the nervous media, and regulate the circulating systems of the body, you will find yourself with that marvellous remedy discovered by Dr. J. Collis Browne (late Army Medical Staff), to which he gave the name of CHLORODYNE, and which is admitted by the profession to be the most wonderful and valuable remedy ever discovered.

CHLORODYNE is the best remedy known for Coughs, Consumption, Bronchitis, Asthma, CHLORODYNE acts like a charm in Diarrhoea, and is the only specific in Cholera and Dysentery.

CHLORODYNE effectually cuts short all attacks of Epilepsy, Hysteria, Palpitation, and Spasms.

CHLORODYNE is the only palliative in Neuralgia, Rheumatism, Gout, Cancer, Toothache, Meurlogitis, &c.

From Syms & Co., Pharmaceutical Chemists, Medical Hall, Manila, January 5, 1890. To J. T. Davenport, Esq., 33, Great Russell Street, Bloomsbury, London. Dear Sir,—We embrace this opportunity of congratulating you upon the wide-spread reputation this justly esteemed medicine, Dr. J. Collis Browne's Chlorodyne, has earned for itself not only in Hindostan, but all over the East. As a remedy for general utility, we must question whether a better is imported into the country, and we shall be glad to hear of its finding a place in every Anglo-Indian home. The other brands, we are sorry to say, are now relegated to the native bazaars, and, judging from their sale, we fancy their renown there will be but evanescent. We could multiply instances of the efficacy of the extraordinary efficacy of Dr. Collis Browne's Chlorodyne in Diarrhoea and Dysentery, Spasms, Cramps, Neuralgia, the Vomiting of Pregnancy, and as a general sedative, that have occurred under our personal observation during many years. In Choleraic Diarrhoea, and even in the more terrible forms of Cholera itself, we have witnessed its surprisingly controlling power. We have never used any other form of this medicine than Collis Browne's from a firm conviction that it is decidedly the best, and also from a sense of duty we owe to the profession and the public, as we are of opinion that the substitution of any other than Collis Browne's is a deliberate breach of faith on the part of the chemist or prescriber, and PATIENTS, ALIKE. We are, Sir, faithfully yours, Syms & Co., Members of the Pharm. Society of Great Britain. His Excellency the Viceroy's Chemist.

CAUTION.—Vice-Chancellor Sir W. Page Wood stated that Dr. J. Collis Browne was, undoubtedly, the inventor of Chlorodyne; the story of the defendant Freeman was deliberately untrue, which, he regretted to say, had been sworn to.—See "The Times," July 19, 1884.

Sold in bottles at 1s. 1½d., 2s. 9d., 4s. 6d., and 11s. each. None is genuine without the words "Dr. J. Collis Browne's Chlorodyne" on the Government stamp. Green-tinted medicinal testimony accompanies each bottle.

Caution.—Beware of Piracy and Imitations. Sole Manufacturer—J. T. DAVENPORT, 33, Great Russell Street, Bloomsbury, London. 1329 6m
