'T WASH. A. A. C. DAY

And a Very Cold Wind Blew For the Students.

EXCITING THANKSGIVING GAME

In Which Both Teams Fight Stubbornly.

First Half Closes With a Score for Neither—Conrad Makes the Only Touch Down.

The Punahou boys were the favorites, if yelling and odds in bets were any criterion by which to judge, but they bumped up against a cast-iron obstacle when they struck the bonnie defenders of the scarlet and white—the colors of the H. A. A. C., whose yell: "Who are we; who are we; we are; we are H. A. A. C.," resounded more than once through the Makiki Baseball Grounds, where the great Thanksgiving game was played. Time and again did the students attempt to go around the ends or to make a break through the center, but they met the same stubborn resistance. The Honolulu boys had made up their minds to do or die, and they "did." However, this fact is by no means a disparagement to the students, for they played with pluck and vigor equal to that of the Town boys, and did some of the finest playing of the game.

Without one exception, perhaps, yesterday's football contest (begun at 3:45 and ended at 5:15) was the best that has ever been seen on Hawaiian soil, the score of 4 to 0 at once explaining that fact very well. There was gentlemanly playing and a good spirit manifested throughout. No matter how close was the fighting and however good the chance for a sly punch, there was a respect, each for the other team, which made the game both interesting to look at and capable of enjoyment as clean sport. Outside of a few bruises and several cases of wind entirely knocked out, there was nothing in the line of injury calculated to mar the game.

The grand stand was crowded to its utmost capacity, and perhaps beyond. Never has a larger crowd been present on the grounds. The space set apart for the carriages was entirely taken up, and many were the fair ones present who wore either the buff and the blue or the scarlet and white. Promi-

ment among the people present were the members of the Hawaiian Band, under the leadership of Prof. Berger, who played little snatches of popular airs whenever the opportunity afforded and who made every one feel like dancing or shouting.

FIRST HALF.

At 3:45 p. m. the teams lined up with the Town team on the makai and the Punahou on the mauka side of the field. The Punahou took the ball and made the first kick-off. Chillingworth took the ball and ran half way down the field. Cupid tried to go around the right end, but he couldn't get past the Punahou men. Conrad kicked the ball, and Antonio Long, catching it, made 15 yards, which he followed by another gain for about the same amount. The Punahou were then given 10 yards on an off-side play, and then made 4 yards through the center. Cunha tried to go around the right, but was unable to gain. Wade Armstrong made 4 yards, but it was the fourth down and they needed more.

Honolulu's ball with Cupid making a long run about half way down the field. After one or two more plays, without much gain, the ball went back to the students. Armstrong and Ingalls made small gains, and then an off-side play gave the Punahou 10 yards. Elia Long went around the left end for 15 yards. Punahou fumbled the ball, and Cunha took it again, but failed to make a gain. Armstrong was tackled by Conrad in his attempt to go through the Town team's line.

Town team's ball with Conrad and Cockett making small gains. The Town boys lost the ball, but luckily Conrad got it. He was tackled by Antonio Long in his effort to make a run and lost 3 yards in the transaction. The Town boys being pushed on account of no gain, Conrad kicked the ball. Antonio Long and Elia Long made small gains and then Ingalls went through the center for 4 yards. Greenwell made 10 yards around the right. Conrad got the ball out of the bunch, but was tackled by Elia Long, after making a gain of 5 yards. Armstrong was tackled by Cornwell. No gain.

Town team's ball and losing ground. Cockett made 4 yards, but it was not enough and the ball went to the students. The ball was fumbled with the result of a loss of about 3 yards. The ball was lost again, and after a series of fumbles the Town boys took it. Conrad and Cornwell made about 5 yards a piece. Ball lost on downs to Punahou. Wade Armstrong made 4 yards and Greenwell lost. Sam Parker made 6 yards around the right, and Ingalls went through the center 8 yards. Antonio Long made 10 yards, and then Kluegel, in attempting to go around the left end, was carried back by the Town team. Ball lost.

Honolulu's ball with Cornwell fumbling the same. Cupid took it and made 5 yards before he was tackled. Punahou's ball on downs. Small gains on the part of Armstrong, Ingalls, Antonio Long, and Kluegel advanced the ball to about the center of the field when time was called. Both sides were glad of the 10 minute rest for it gave them time to breathe and think over the part of the game already gone by. Each team was immediately surrounded by its contingent as soon as they went off the field for there were things to say that would not do for every one to hear. Just at this time a mean drizzle began to fall and coat collars went up. Ten minutes had passed when the band released its silence and the teams, not as spry as in the beginning of the game but equally as determined, marched out upon the gridiron with the Town team mauka and the Punahou makai.

SECOND HALF.

Town team's ball, with Conrad's foot in contact for a rainbow kick-off to Kluegel, who took the ball down to within 15 yards of the start-off. Ingalls made two gains of about 4 yards each, and then Antonio Long crawled along for a small gain. Punahou lost steadily, and the ball went to the Town team on downs.

Town team's ball, with Chris Holt making an almost imperceptible gain. Damon suddenly thought of something, and, making a desperate dash, ran toward the goal for 25 yards. Just as he came near Antonio Long, who was awaiting him with outstretched arms, he slipped and slid right into his opponent. Conrad thought of all his past sins and determined to make amends, so he doubled himself into a jack-knife shape and bucked the center for 10 yards, after which he made 12 more. This brought the ball to within 2 yards of Punahou's goal. There was a fumble, and then when all hands were down on the ball Wade Armstrong suddenly emerged from the pile with the ball in his hands. It didn't take him long to get his weather eye on the Town team's goal, but some one was after him, and he only made 10 yards.

Antonio Long and Ingalls made small gains, but not sufficient to keep the ball. The Town team's ball, with Conrad in front of them for 5 yards, and for 4 more and a touch-down to right of the goal. There was a deafening roar, and the scarlet and white waved high above the buff and blue. The squeaks of the Chinese hautboys and the blasts of the exaggerated tin horns formed a fit accompaniment to the Indian-like jumps and the roar already spoken of. The Town boys failed to kick goal. Score: Honolulu, 4; Punahou, 0. Punahou's kick-off, with Parker doing the honors; Damon got the ball, but was stopped in his operations by Cornwell. Town teams lost on downs and the Punahou started with Ingalls for 5 yards through the center. Then came 3 and 4 yards by Rawlins and Antonio Long respectively, and an off-side play, which gave them 10 yards. Rawlins made another 5 yards, when he was tackled by Damon. Ingalls and Cunha could make no gains around the ends, and the ball went to the other side.

Town team's ball, and after failing to make the requisite gain, Conrad tried a kick. The ball rolled along, and Cornwell tried to get it, but Elia Long was there before him and took the ball in touch, after making about 8 yards. Howard and Elia Long failed to make any gain, and Parker kicked the ball, which was caught by Cornwell on the second bounce. A gain of 5 yards was made when the Town boys were given 10 yards for an off-side play. At this point Ingalls was forced to retire, and W. Damon took his place. W. Damon made 4 yards and Rawlins and Howard small gains. Town team's ball on downs.

Town team's ball, with Carlos Long trying to make a hole through the center. Conrad made a beautiful run of about 23 yards, and then the Town boys kept pushing the ball steadily toward Punahou's goal. The resistance offered was stubborn, but unavailable, and when the whistle blew for "time," the Town team was very close to Punahou's goal. Score: Town team, 4; Punahou, 0.

George R. Carter acted as umpire; Ed Austin of the Regiment team as referee and Harry Waterhouse and George Clarke as linesmen. The teams were as follows:

BRAVO ADVERTISER.

Star Team Defeated in a Game Played Yesterday.

"They guded us last week and laughed because they did us up," piped little M. Lewis, Captain of the Advertiser Carriers Baseball team, as he walked into this office yesterday afternoon. "But its our time now, and we are going to holler," continued he, while speaking about the Star team. The contest hinted at took place on the vacant space in front of the railroad depot, and as has already been implied the Advertiser and Star teams were the ones who took part. The teams were as follows:

Advertiser Team.—M. Moses, c.; Makohe, p.; Kealoha, 1b; Jesse Smith, 2b.; M. Lewis (Capt.), 3b.; Keahinu ss.; George Nichols, cf.; J. Moses, lf.

Star.—Kipl, c.; Kikila, p.; M. Aimos, 1b.; C. Santos, 2b.; J. Lewis, 3b.; J. Lewis, 3b.; F. Luning (Capt.), ss.; Kealo Koli, lf.; J. Alameda, cf.

The full nine innings were played, but the teams contained only eight men, the position of right field having been done away with. Following was the score by innings:

Table with 2 rows: Innings (1-9) and Score (0 0 0 1 0 0 4 0 6 -11)

In the last game between the Stars and Advertiser teams the former won by a score of 8 to 7, while the score of yesterday was 11 to 7.

NUT CANDIES.

Put the white of an egg into a glass and add an equal amount of water. Beat together until well mixed; then put into a bowl and add enough pulverized (confectioners') XXX (best) sugar to thicken it. Add one teaspoonful of vanilla or a very few drops of extract of rose. Take the stones from dates and make a roll of the sugar mixture and place in the date, as you see it done with confectioners' candy. You may also place the kernels of English walnuts on either side of a round piece of the mixture, pinching the nuts slightly together, or cut a pecan nut or an almond in halves, and put the pieces of nuts on a small piece of the candy. You may vary this in many other ways, and so make a very attractive variety of candy.

ANOTHER EARTHQUAKE SHOCK

Hilo Woman's Board and Kindergartens.

Interesting Personal and Business Notes From the Big Island.

HILO, HAWAII, Nov. 23d.—At the late session of the Legislature an appropriation of \$2,500 was made for the purpose of erecting a hospital building in Hilo. The amount is now available, and public meetings are being held to discuss plans for selecting a site and proceeding with the business of construction. The first meeting drew forth a small attendance, and a committee of investigation was appointed as follows: Judge Hitchcock, Senator Lyman, Representative Richards, E. N. Holmes, C. C. Kennedy and Dr. Williams. The Tribune made an earnest appeal for a large attendance at the second meeting. About 40 of the best citizens responded to the call, and the committee reported that Mr. Kennedy had made an offer of a site at Waiakea, the selection of the same to be left to the public or their representative committee. This is a most liberal offer on the part of the manager at Waiakea, as there are some excellent locations from which to make a choice. The president of the Board of Health guarantees \$100 per month toward current expenses, and the Government will, doubtless, install a number of Sisters of Charity to take charge of the institution. At a future meeting some action will be taken respecting the building of Government warehouses for the storage of oil and powder.

Shortly before 2 o'clock last Tuesday afternoon Hilo was treated to an earthquake shock which was not severe enough to cause any damage, though it was quite a little shake. The quiver was quite generally felt over the island.

The Hilo Woman's Board of Missions held a most interesting meeting in the church parlors on Tuesday afternoon. Reports from the free kindergarten and the Chinese kindergarten were read, as also several splendid papers. It is to be hoped that many new subscribers will be added to the old list by the first of the year, so that the new year may see a suitable home for the free kindergarten. Miss Guild has between 40 and 50 children thoroughly in love with the kindergarten work, and the people want to see the beautiful work continued.

The Teachers' Reading Circle met at Union School Building Friday evening. Mrs. Townsend presiding. A most profitable evening was spent in the discussion of Page's Theory, etc.

Miss Annie Rose and Ed Weight of Onomea joined in the celebration of their natal day anniversaries on Saturday last. About 40 friends, from Hakalau to Hilo, attended the sumptuous luau at Onomea Saturday evening, and a most glorious time was had. The feast included the finest and best of Hawaiian dishes and the standard was par excellence. A number of the guests from afar camped at Onomea over night.

Editor Sparrow of the Tribune invited some of his friends to a dinner party at the Club Restaurant on Saturday evening. Covers were laid for 10, and mine host honored the occasion by furnishing an up-to-date dinner in fine style. Wit and repartee flowed freely, and a generally happy time was spent over the discussion of the menu.

Mr. and Mrs. J. R. Wilson entertained a number of friends on Friday evening. Card playing in the early evening was followed by several musical selections, after which the guests gathered around the tete-a-tete tables and enjoyed delicious refreshments.

Miss E. Richardson and Miss Ellen Lyman are extending invitations to a private fair and entertainment to be held at the home of the former on Saturday evening for the purpose of raising funds for the Christmas tree for the Halle Sabbath School.

Invitations are out for a card party at the home of Judge Hitchcock this evening.

If this charming weather continues throughout the week the yacht race on Thanksgiving morning will be witnessed by a large concourse of people no doubt. Four boats will enter: Senator Lyman's Sunbeam, Mr. Severance's Aurora, Dr. Hutchinson's Asthore and the new boat Nonesuch, built and owned by the Hilo Boarding School. Ed Wilhelm, who returned from Honolulu on Saturday evening, reports that he has so far completed arrangements for the building of a new furnace and oven for his bakery that he will be ready for business by the end of December. The new bakery will be on King street, near Front.

THE PROCESSION. Good Turn Out by the First Regiment. The parade of the First Regiment, N. G. H., and review by President Dole and staff yesterday was a very successful affair. Only one or two companies failing to muster their full strength. The regiment left the barracks at 9 o'clock and marched over the usual route, returning to the Executive grounds about an hour later, where the President reviewed them from the veranda of the Executive building. Considering that the streets were muddy, the marching was very fine, that of the platoon of police under Capt. Parker being particularly commendable. A third warning given to a Russian newspaper by the censors carries with it entire suppression.
