A Rare Chance TO SECURE A Hawaiian Coffee Plantation With About 300 Acres of Coffee Trees Growing.

The well-known estate of the Hawaiian Tea and Coffee Company, located at Kailua, Kona, Hawaii, is now offered for sale, and furnishes a rare opportunity for investment in the coffee industry.

This estate is located on the public highway, seven miles from the port of Kailua, Hawaii, with which it is connected by a good road. The estate comprises 300 acres of land in fee simple, and 500 acres under lease for various terms of years.

Two hundred (200) acres are already planted with coffee trees, from one to four years old.

The buildings include manager's and overseers' houses, mill and machinery buildings, tea house, laborers' houses, etc. In addition, there is the usual supply of tools, etc.

This is probably the best opportunity that has been offered to any capitalist who wishes to engage in coffee planting, as much of the rough preparatory work is finished, and the estate only needs judicious management, with ample means to carry it on till the crops come in. The crop of this estate for the year 1899 ought to be from 1000 to 1200 bags of coffee, and increasing rapidly each year thereafter.

For further particulars apply to the agents, F. A. SCHAEFER & CO. 1893-6t Honolulu.
