

Y. M. C. A.'S FIRST

Association Carries Out a Field Day Program.

MANY INTERESTING EVENTS

Mr. Cheek is the Chief—He Piled Up Points for His Team—Record a Tie With Y. M. C. A. and Kams.

With the arrangement of the Makiki baseball grounds as an athletic field, the Y. M. C. A. has instituted a new era in athletics. Formerly, those of the various athletic organizations of the city wishing practice for events have found it necessary to trust to various public places, not always convenient of access and, have on that account, been unable to get that regular training which goes to make the true athlete.

The Y. M. C. A. has the Makiki baseball grounds for quite a long period and here, the athletes of the Association will have at all times, facilities for the very best of training. This will gather into the ranks many of the young men inclined toward athletics and will result, so far as the Y. M. C. A. concerned, in better work during the coming meets. It will also have the effect of waking up the other athletic organizations of the city.

Yesterday's events were a fitting initiation of the occupancy of the grounds by the Y. M. C. A. The day was a fine one and a crowd of some six hundred turned out, filling the grandstands and carriages ranged about the boundary fences. The band, stationed in its usual position, was a most welcome factor in the afternoon's proceedings.

The sports began at 2 o'clock sharp with the following officers in charge: Referee—J. Q. Wood. Judges at finish—Tom Wright, Chas. Weaver and Ralph Woodward. Field Judges—Tom Wright, Chas. Albertson and A. B. Wood. Timers—Nathan Schofield, Sam Johnson and W. H. Crozier. Starter—J. L. Torbert. Clerk of Course—John Waterhouse. Official Scorer—W. H. Babitt.

The events were then run off as follows: 100 yard dash, won by Walcott of the H. A. A. C. with Bower of the Y. M. C. A. and Cockett of Kamehameha, third. Time, 11 seconds flat.

100 yard dash, won by Punohu of Kamehameha, with Kalua and Nalwi of the same place, second and third, respectively. Time, 10 3-5 seconds. Island record, Tom Pryce, 10 2-5 seconds.

200 yard dash, won by Punohu of Kamehameha with Kalua of the same place, second. The third man did not finish, cutting Kamehameha out of one point which would have given them the highest score of the day. Time, 27 3-5 seconds. Island record, Tom Pryce, 24 seconds.

800 yards dash, won by Wolcott in 4:27 2-5. Island record, P. Maurice Mac Mahon, 2:17 1-2. En Sang of the H. A. A. C. came in second and Arcia of the same organization, third.

This race was run once but, upon examination, it was found that the course was "short" and the judges declared "no race." The second attempt should likewise have been declared "no race" but, unfortunately, no time limit had been set and the contestants took their time, walking or "running," as they pleased. The finish, however, was not bad. En Sang thought the point of starting was likewise the finish and stopped there. He saw his mistake too late but, although Wolcott was a good distance ahead, made a fine spurt and took second place.

120 yards hurdle, won by Cheek of the Y. M. C. A. with Harbottle and J. Cockett of Kamehameha second and third, respectively. Time, 16 2-5 seconds. Island record, D. F. Thurum, 16 1-2.

When this race was first run, Cheek was engaged in the high jump contest. The men were started off with out the signal from the judges and "no race" was declared. When Cheek had finished jumping, he went over the hurdles once to make things even and then went in with all the contestants. He was over a hurdle ahead of the second man at the finish and could have made better time than he did if it had not been that he slackened his pace after jumping the last hurdle. Cheek is certainly the finest hurdle jumper that Honolulu has ever had.

440 yard run, won by Kane of Kamehameha with Wright and Nalwi of the same place, second and third, respectively. Time, 1:01 2-5. This was a very close race between the four Kamehameha boys and especially so between the first and second, but a fraction of a second elapsed between their time of finishing.

On mile run, won by Arcia of the H. A. A. C. with Kaloi of Kamehameha, second and Wolcott of the H. A. A. C. third. Time, 5:29. Island record, A. M. Walcott, 5:21.

The record made in this race was a very good one. Arcia made a spurt when about a hundred yards from the tape and finished far ahead.

Three-legged race, (100 yards), won by Punohu and Kalua of Kamehameha with Kalua and Makani of the same place, second. Time, 13 3-5 seconds. Island record, Thurum-Willis, 13 seconds.

of the same organization, second and Naha'e of Kamehameha, third. Distance, 84 feet 10 inches.

Running hitch kick, won by Cheek of the Y. M. C. A. with Coleman of the same organization, second and Sprout of the H. A. A. C. third. Height, 8 feet 10 inches.

Running broad jump, won by Cheek of the Y. M. C. A. with Sprout and Cummings of the H. A. A. C. second and third, respectively. Distance, 20 feet 10 inches. Island record, W. Sprout, 19 feet 9 inches.

Pole Vault, won by Cheek of the Y. M. C. A. with Willis of the same organization, second and Hanuna, third. Height, 9 feet 10 inches.

In this contest Cheek and Willis both jumped 8 feet 8 inches. The two then agreed to put the bar up to 9 feet 11 inches. Island record, George Angus, 9 feet 10 inches.

It was decided that the first of the two to vault this height would be the winner. Cheek, although tired out, succeeded in making the vault first.

The points scored by the various teams, according to the count of the official scorer, are as follows:

Table with 3 columns: Y. M. C. A., H. A. C., and Kams. A. C. Rows include various athletic events and their scores.

This shows a tie between the Y. M. C. A. and Kamehameha.

NOTES. M. A. Cheek of the Y. M. C. A. was the big winner of the day. He took six firsts and one second, making a total of 35 points out of the 48 made by the Y. M. C. A. team.

An unfinished hurdle race between Messrs. W. W. Hall and P. L. Weaver, two of the judges, was one of the exciting events of the day.

Three records were broken fairly and squarely—the broad jump, pole vault and shot put.

The H. A. A. C. flag decorated the door of the training quarters of that organization.

In the 120 yards hurdle, Cheek broke the island record but it was found later that only nine hurdles had been jumped. There should have been ten.

The Y. M. C. A. were unfortunate in the failure to appear of Al. H. Moore the crack runner. He has been quite ill and was unable to compete.

The H. A. A. C. did very well considering the fact her men had only had four days' training. Captain Unanua was on the field with his men.

The police did good service. They were kept busy chasing the children off the field.

Has His Reasons. Chas. S. Desky, who returned from San Francisco by the Moana, seems to be the most positive Annexation proponent in town. While on the coast Mr. Desky was in touch and in daily contact with foremost business men and politicians who are interested in the question now before the United States Senate.

It is said that within the next few months work will be begun on the construction of the proposed new steamship which the Pacific Mail Steamship Company intends to add to its Asiatic fleet.

C. P. Huntington, during his last visit to San Francisco, announced that it was his intention to build a new vessel for the China line that will exceed in size any steamship now plying the waters of the Pacific.

U. S. S. CONCORD

Sister Gunboat to the Bennington Now in Port.

En Route to the Asiatic Station. Will Take Place of Yorktown—Officers—Nine Days From Coast.

The U. S. Gunboat Concord, Asa Walker commander, arrived in port yesterday forenoon after a trip of 9 days from San Francisco during which time fair weather was met with. She is on her way to Yokohama where she goes to take the place of the Yorktown on the Asiatic station.

She returned from Alaska to San Francisco in the month of November to be refitted for her present trip and remains here simply to take on coal. She expects to get away on Monday. The Concord has been here before, but nearly all her officers are strangers in this port.

Following is a complete list of the officers of the Concord: Commander Asa Walker, Captain. Lieutenant Commander C. P. Colvocoreses. Lieutenant T. B. Howard. Lieutenant P. W. Howrigan. Lieutenant, Junior Grade, C. M. McCormick.

Ensigns L. A. Kaiser, W. C. Davidson, H. V. Butler, O. S. Knepper. Chief Engineer Richard Inch. Passed Assistant Engineer H. W. Jones. Assistant Engineer E. H. Dunn. Passed Assistant Paymaster E. D. Ryan. Passed Assistant Surgeon R. G. Brodrick.

Pay Clerk F. K. Hunt. The Concord is sister in construction and almost in armament to the Bennington and Yorktown.

Immediately upon arrival the Concord exchanged salutes with the Hawaiian Government shore battery and the U. S. F. S. Baltimore. Capt. Schaefer, N. G. H., visited the Concord on behalf of the Hawaiian Foreign office.

Open House. There will be open house at the new Central Fire station from noon to 3 p. m. today with music by Capt. Berger's band. Chief Hunt and deputies will show all visitors all that there is to be seen in the way of furnishings and equipment in the new place.

The building itself, which is an ornament to the city, is well worth seeing. Commissioner Brown will be a member of the reception committee.

LOCAL BREVITIES. Sugar: 86 degree, 4 3-16. On this day, 1782, Daniel Webster was born.

Very few places of business were open yesterday. The Coptic will sail for San Francisco at 12 noon today.

Theodore Durrant was hung in San Quentin prison on January 7. The Baltimore and Bennington had their flash lights going last night.

Excursion trains of the Oahu Railway were very liberally patronized yesterday. A salute of twenty-one guns for the day was fired at the Drill Shed parade ground at noon.

The postoffice and customs employees received their holiday call to labor with good grace. St. Clement's church, the new mission chapel in Punahou, will be dedicated next month.

At the meeting of the Council of State Saturday morning it was decided to pardon T. B. Walker. The new organ for the Kamehameha Chapel arrived on the Moana. It will be placed in position at once.

Chas. S. Desky gave, from the deck of the Moana, the first news of sixty-two votes in the Senate for the treaty. Very welcome and interesting news was received from Mr. Thurston and from the Hawaiian Legation at Washington.

Orders have been issued from military headquarters to the effect that the shoot for the Marlin trophy will take place on February 5th.

The U. S. S. Concord is due to arrive at this port in a few days en route for the China station which she is expected to reach about February 1. "Picturesque Hawaii" (in eight parts) cut to \$1.50 per set, and "Glimpses of Hawaii," reduced to 50 cents, at the Hawaiian News Company.

The gist of the most important annexation advice to local firms and individuals is contained in the remarks of Senator McCandless made at the Sharpshooter dinner.

The directors of the Annexation Club considered only business matters Friday. The question of sending a delegation of natives to Washington will not be finally disposed of till next week.

Collector-General McStocker made the last 1897 deposit for the custom house at the State treasury yesterday. OUR REPUTATION. For fine watch work is widespread; but we wish to impress the few who may not yet be in line, with the necessity of sending their watches when out of order to us directly, and not first allow every tinkler to ruin the watch, after which, send it to us for proper repairs.

The Cost is always more to you, after such treatment; ever so much better to send it right down to us, for we allow nothing but perfect work to leave our workshop.

You will be surprised, too, how much cheaper it will be, one hour much more satisfactory to you.

Watches are securely packed in wooden boxes, and returned in the safest possible manner.
