WHARF AND WAVE.

The America Maru of the Toyo Kisen Kaisha caught fire in her coal bunker at Yokohama September 9. The fire was extinguished and the America sailed for this port.

The New Zealand Shipping Company has purchased the good-will and contracts of the Australian-Canadian line, together with the steamers Warrimoo, Aorangi and Mowera, for £145,000, and will continue the present service. The cable-survey ship Egeria anchored Waikiki of the tug Inoquois in Naval Row late yesterday afternoon from a cruise about 700 miles southward from Kealeakua Bay towards Fanning's Island. She took soundings every twenty miles and on her return soundings each day. She remained off shore the greater part of yesterday.

SAN FRANCISCO, Sept. 8.—The Roderick Dhu, Captain Johnson, one of the fastest of the sugar fleet, arrived yesterday, twenty-two days from Hilo. When ten days out Seaman Johnson fell from the foretopgallant yard, catching in the stays, and broke a collar-bone, besides receiving other injuries. The accident happened in a storm which lasted thirty-six hours.

The Toyo Kisen liner Nippon Maru docked yesterday afternoon from San Francisco and will sail for Oriental ports at 10 o'clock this morning. The Nippon Maru is now making fine trips with the following officers: J. F. Allen, commander; N. Taka, chief officer; Wm. Duncan, chief engineer; John Piver, purser; H. M. Fine, M.D., surgeon; L. M. Ver Mehr, freight clerk.

SAN FRANCISCO, Sept. 12.—The dissatisfaction among the longshoremen on the salmon-packers' vessels spread yesterday to the sugar fleet. The men demanded a raise from 40 to 50 cents an hour, and yesterday at 1 o'clock they went to work at the flag demanded. The sugar packers Roderick Dhu and Edward May, which were discharging at Oakland, gave in immediately, and work on them was not delayed.

SAN FRANCISCO, Sept. 7.—Captain George S. Calhoun of the bark R. P. Rithet takes command of the ship George Curtis, which has just been added to the Welch & Co.'s fleet. Captain E. P. Drow of the bark Andrew Welch will command the Rithet. Captain Andrew McPhail, who was formerly chief officer of the Andrew Welch and who took the yacht La Paloma to Honolulu, will be the new master of the Andrew Welch. Captain Bender, late of the schooner Amy Turner, will take the Rithet to Honolulu, where he will turn her over to Captain Drow.

SAN FRANCISCO, Sept. 8.—Another steamer is to be launched from Hay & Wright's yard before the end of the month. It is being built for the Wilder Steamship Company and is to be known as the Kaulani. She is 150 feet in length, 39 feet in breadth of beam and 12 feet in depth of hold. She will run in the inter-island trade. Still another vessel is to be turned out from the same yard this month. She is a 4-masted schooner, built for Martin Sanders & Co. She is 162.18 feet in length, 27.5 breadth of beam and 12 1/2 feet in depth of hold. She will be launched about the 23d Inst.

ON HER MAIDEN VOYAGE. LIVERPOOL, Sept. 6.—Greater than the Great Eastern, sheltering between her decks the population of a village, the White Star liner Oceanic swung out of the Mersey tonight on her maiden trip across the Atlantic. On the pier from which her tenders transferred passengers and their friends was a crowd greater than any attracted by a mere merchantman since the Great Eastern started, half a century ago, on the voyage immortalized by Jules Verne. Nothing less than the naval maneuvers has ever before brought out such a fleet of river craft as flocked, midge-like, about the towering liner. With her length of 704 feet and her tonnage of 17,000, she dwarfed everything else within view.

BORN. HORNER—At Kukuaua, Hawaii, to the wife of Albert Horner, a son, on Sunday, September 10, 1899. GILLILAND—In this city, September 17, 1899, to the wife of Richard L. Gilliland, a son. LEE—In this city, Sept. 17, 1899, to the wife of Walter E. Lee, a son.

DIED. BROWN—At Honokaa, Hawaii, on Sept. 13, 1899, Marie Louise, the beloved infant daughter of William and Margaret M. Brown, aged 6 weeks and 4 days. KALUA—In Wailuku, Maui, Sept. 12, 1899, Agnes Nunehiwani, beloved daughter of Judge J. W. and Mrs. Kalua, aged 24 years and 6 months.

Castle & Cooke received yesterday by the Nippon Maru the following advices in regard to the sugar market: Centrifugals declined to 4 1/2c; sale on 8th inst., 4,390 tons, to arrive at 4 1/2c, which is the closing basis.

TRESPASS NOTICE. ALL PERSONS FOUND TRESPASSING on any lands belonging to or in the possession of E. C. Greenwell without permission will be prosecuted. Kealeakua, Hawaii, Aug. 28, 1899. E. C. GREENWELL, Executive.

KIMI NOTICE. THE FOURTH ASSESSMENT, 10 PER CENT, or \$5.00 per share, on the assessable stock of Kimi Plantation Co. will be due and payable October 1st, 1899, by order of the directors. J. P. COOKE, Treasurer. September 4, 1899. 2105

COLUMBIA IN PORT

United States Transport for Manila

Has Ab at Six Hundred of the New Thirty-fourth Volunteer Regt meet on Board.

(From Monday's Daily.)

The United States army transport Columbia, with 500 men of the Thirty-fourth Regiment United States Volunteers—five companies, E. F. G. H. and L, including the headquarters staff and band—is at Pacific Mail wharf coaling for Manila. It is expected she will sail late tonight, though it may be tomorrow morning before everything is in readiness for her departure. United States Quartermaster Colonel Ruben and Chief Clerk Officer are doing everything to give her quick despatch, which may be accomplished this evening.

The Columbia arrived from San Francisco about 4 o'clock yesterday, having been signaled off Waimanalo about 1 o'clock. The other seven companies of the Thirty-fourth Regiment were left at the Presidio to follow in the transport Belgian King, which was scheduled to sail on the 15th inst. The troops on board the Columbia are in charge of Colonel L. Y. Kennon, commanding, and Major J. Penn. The officers with him are Capt. W. D. Newbill, regimental adjutant; Lieut. Max Lema, battalion adjutant; Captains Daines, Russell, Kollis, Frerich and Goodrich; First Lieutenants Bracken, Henton and Decker; Second Lieutenants Verdi, Eganca and Lansing; Captain Truoworthy, assistant surgeon, U.S.V.; and Dr. White, acting assistant surgeon, U.S.V.

Capt. Brewster of the Ninth United States Infantry is acting quartermaster and commissary of the Columbia. Two civilian clerks accompany him. Colonel Kennon has seen service in the Cuban campaign and received mention for gallantry at Porto Rico. Most of the officers on board are regular army men who have been under the Spanish fire in the past year, and two, Captain Dame and Lieutenant Max Lema, were with Roosevelt's Rough Riders. Captain Russell was a major in the First Territorial Volunteer Infantry.

The Columbia was formerly running in the Panama-Hongkong trade in the Northern Pacific line. She is a 2-masted steamer of 1,816 tons net burthen, and was built in Glasgow in 1883. Her officers are: Captain T. H. Dobson, First Officer D. R. Fleming, Second Officer A. J. Naylor, Third Officer B. T. Payne, Fourth Officer C. M. Noyes, Engineer J. F. Murphy; Ship's Surgeon A. C. Seely, Purser Theo. H. Robinson.

The Columbia carries a crew of seventy men. Fourth Officer Noyes is well known in Honolulu, having been in command of the bark Colonia, which ran between Hongkong and Portland. At one time he was master of the bark Alien Besse.

The Columbia will take on about 100 tons of coal.
