

NEWS OF MAUI ISLE

The Republicans Name Their Delegates.

ENDORSE SAMUEL PARKER

The Lowrie Canal--Accident to Capt. Weir--Editorial Note and Comment.

MAUI, Sept. 15.—The Second District Republican Convention for Maui, Molokai and Lanai met at Wailuku on Monday. Hon. A. N. Kepoika was chosen temporary chairman and D. C. Lindsay of Pala temporary secretary.

The following were elected permanent officers—H. P. Baldwin, president; Judge Kahalelo, vice-president; A. N. Kepoika, secretary; W. J. Lowrie, treasurer; W. O. Alken, auditor.

The question of whom the delegates should support for congress then came up, and H. P. Baldwin's name was presented. Mr. Baldwin assured the convention that under no circumstances could he consider the proposition of allowing his name to go before the Territorial Convention, and forcibly urged the name of Samuel Parker as the logical candidate of the Republican party.

The Hana delegation, backed by the Molokai delegation then tried to rush through nominations for senators and representatives to the next Territorial legislature, but the majority of the convention thought that it would be wiser to await the action of the committee on platforms of the Territorial convention before naming candidates.

MAUI SHIPPING. Schooner Highlandlight is in Keeka with a load of coal for the Pioneer Mill Company, Lahaina. She will not get sugar on her way up.

...battered by the performance of the little wonder. Capt. Weir of the Claudine met with a serious accident on Tuesday afternoon as he was superintending the loading of a railroad car onto his vessel.

COMMENT FROM "NEWS." The reception that Bob Wilcox is meeting on Maui seems to indicate that the day of shallow pretensions has passed, and that the Hawaiians of Maui are already educated up to the idea of managing their own affairs without the interference of officious Bobs.

The increase in the price of labor on Maui sugar plantations will chip a slight fraction off the percentage of dividends on sugar stock, but there will be compensation in the increased amount of money turned loose on the island, and the consequent increase in the amount of trade and general prosperity among business men.

No one who could have seen the Hawaiian assembly in the Maui Republican district convention, and observed the alert and manly bearing of these representatives of the people, would ever again doubt that the Hawaiians of Maui are up to date American citizens.

The proposition to segregate the islands into counties with municipal governments may fall to pass in the coming Legislature, but if so, the true reason will not be that we are not ready for it. The voters on Maui, whether Hawaiian or haole, fully understand the proposition of self government, and are quite able to attend to their own affairs without help or advice from Honolulu.

Wanted, a hotel at Lahaina. There is a crying need for a small but well kept hotel at Lahaina. The Kinohiwa and Claudine each touch there twice a week, the Mauna Loa once each week, and tramp steamers constantly land there.

MAUI, Sept. 14.—During Saturday evening, the 8th, the Independents held a meeting in the Wailuku Skating Rink—Robert Wilcox addressed the meeting.

The nominees for senators ratified by the meeting were T. B. Lyons, Samuel Kahue and William White. No addresses except by Independents were made, though it was previously reported that a prominent Republican would speak.

During Saturday, the 8th, S. M. Kanakal, Esq., of Lahaina died of blood poisoning. He was well known in Honolulu and was prominent in Lahaina as a surveyor and lawyer.

W. B. Starkey of Kaupo is soon to go to England on a visit. During the evening of the 13th, John W. Clark of Wailuku addressed the voters of Wailuku.

NO BOOM IN WAILUKU. Wailuku, Maui, Sept. 14th, 1900. Editor Advertiser: The Maui News has for some time been filling its editorial columns with sing song about an imaginary boom in Wailuku, trying to persuade some simple, trusting persons to start a commission store, a wholesale store, a retail store, a drug store, a cold storage, and God knows what not, in short everything, (except a good, first class hotel, which the Maui News has some excellent reasons for not mentioning, but which, by the way, is the only thing wanted here).

It is very misleading, to say the least, as the very fact and naked truth is, that there is no boom in Wailuku, never was and hardly will be for years to come. There has been no influx of strangers here. As a mallikin the Maui News is probably not aware of the fact, that there are few white people in Wailuku today than there were a few years ago.

LITTLE FRIENDS ARE AGAINST SAM PARKER

The Oka Squatters' Association consisting of nine men, exclusive of its Washington lobbyist, Judge G. F. Little, threatens to bolt Sam Parker in case the latter runs for Congress.

OLAA, H. I., September 12, 1900. Hon. Geo. W. Smith, Honolulu, H. I.

Dear Sir: Herewith I enclose you circulars we have placed in the hands of nearly every Senator and Congressman in the United States. You can readily see that we can not consistently support Sam Parker as delegate to Congress.

HAWAII WANTS A HOMESTEAD LAW, AND MUST HAVE IT.

The two-column circular herewith is taken from the Hawaiian Gazette of November 3, 1899. (The Gazette has always supported the official acts of the Hawaiian Land Department and the officers of the Republic of Hawaii.)

Hon. Sam. Parker said this afternoon that the deal for the Humuila ranch was consummated and the papers would probably be signed this afternoon or tomorrow.

"I am now through with Hawaii," said Mr. Parker, and shall next turn my attention to the Public Lands of Hawaii, the Island of Maui; from there I shall go to Lanai, Oahu and Kauai in succession to secure whatever good land I can for the company.

"What will you do then?" was asked. "What said Mr. Parker, with a slight Republican smile, you may state that I will probably branch out toward Nihau."

"The everlasting disgrace of the Fifty-sixth Congress, the following provision, relative to the Public Lands of Hawaii, which passed the House of Representatives April 9, 1900, was allowed to be stricken out by the Conference Committee."

MAUI NEWS are excellent, and that it is only due to ignorance of the real state of affairs that this news is so full of boom cry from being misleading and delusive in the extreme, and I hope these lines will serve as a warning to the unfortunate, who through the overheated imagination of the Maui News has already been including in sweet day-dreams of a great boom and rushing business in Wailuku.

...bearing, or other suggestion of the public domain and agreements or franchises concerning the same granted by the Hawaiian Government prior to the eleventh day of September, eighteen hundred and ninety-nine, and subsequent to the twelfth day of August, eighteen hundred and ninety-eight.

OLAA, H. I., September 12, 1900.

Very truly yours T. J. RYAN, President

AGE MARKS Why do you sit calmly and just let your hair all fall out or get gray and do nothing to stop it? Is this common sense? Not a bit of it. No need of losing your hair in this way.

AGET'S HAIR VISOR It always restores color to gray or faded hair. Your hair may have all the dark, rich color of early life. Then why not have it so?
