WOULDN'T STAND FOR RAISE IN SALARY

It is not often that a man will throw up his position because his boss gives him a raise in wages, but that seems to be what two of the Hamakua police officers have done.

There is still another story to tell of a man refusing a raise; this one is Charles Thomas, who resigned his position as soon as the dread news that his wages were raised, reached him.

BILL TO FORCE POI UP TO A STANDARD

J. H. Oney, chairman of the health committee of the house, introduced house bill number 150 yesterday, dealing with the adulteration of food and drugs.

It is provided in the bill that ice cream shall contain at least eighteen per cent of butter fat, and that soft ice cream shall contain at least thirty per cent of solids.

How to cure a cold is a question in which many are interested. Just now Chamberlain's Cough Remedy has won its great reputation and immense sale by its remarkable cure of colds.
