### THE PROGRAM FOR NEXT WEEK

List of the Free Attractions Which Will be Given Each Afternoon and Evening, October 6 to 10.

#### A GREAT FREE SHOW

Do Bell, the Sensational Olivers, Four Dentons, Captain Strahl, a Jap Troupe and a Balloonist.

Here is the complete list of free attractions which will be given twice daily at Keokuk next week at the Eleventh annual free fall celebration. It embraces one of the greatest free shows ever given in the country and forms a program which will be well worth coming miles to see.

With the decorated streets, the bands playing and the crowds on the street, together with the tents of the great Patterson shows, Keokuk will be a lively place next week. If the weather is good, there will be big crowds here from all over this section of the country.

The free attractions will be as follows:  
**Do Bell.**  
King of the high wire. The most sensational and daredevil act ever performed at any fair. This man hangs by his teeth on a wire one hundred feet above the street. Dobell's rooster costume and rooster dance upon this high wire is probably the most amusing and sensational act ever seen in Keokuk.

**The Sensational Olivers.**  
Two graceful men and a charming lady doing almost impossible feats upon a slender tight wire. For the past two years this act has been controlled entirely by the big circuses. Keokuk is the first city of less than 100,000 people that ever put up money enough to get these great Olivers.

**The Four Dentons.**  
The cleverest bar performers in the world. A high class bar performance combined with an entirely new casting act. Nothing like this act has ever

been seen in Keokuk or in this vicinity. This act comes to Keokuk through the special endorsement of the owners of the largest amusement park in Canada.

**Nambra Japanese Troupe.**  
The highest priced Japanese act now in the United States. These Japs do all the stunts that any Japs do and many more. The feature act is a young Jap who descends a pair of stairs on his head without the use or assistance of his hands. This act alone is worth coming many miles to see.

**Captain Charles Strahl.**  
Formerly of the New York fire department will dive from a ladder 126 feet high into a small net twice daily. A pleasing act and a sensational one. For this act Captain Strahl uses a regulation extension ladder wagon same as are used in the city fire department of Chicago and New York.

**Professor Wright.**  
Better known as the Reckless Parachute Wright. He will make two balloon ascensions and parachute leaps every day.

**Gypsy.**  
The largest elephant in the country will parade the street every afternoon and evening.

**The Poiriers.**  
The famous Poiriers who made such a sensation here three years ago in their marvelous Roman ring and trapeze act, including the double dislocation of the shoulders.

**Cannon and Hysteria.**  
Burlington Hawk-Eye: The Hawk-Eye does not believe Mr. Cannon's constituents will succumb to the wave of hysteria that is being imported into his congressional district for the purpose of defeating him. The fact that the invasion is clothed in the garb of religion and reform does not justify the unjust and ungrateful assaults that are being made upon a man whose life-long work and sturdy honesty have rendered this nation services that are invaluable and which the people cannot honorably forget or ignore. "Uncle Joe" may not be a perfect man, or an ideal character, but when it comes to comparisons, he stands far up the line of honor and respect among public men and all the essentials of a noble manhood.

**What's Your Hurry?**  
Cedar Rapids Gazette: Senator Calley, it is said, threatens to quit politics. Here's your hat, senator.

**On Good Authority.**  
"Going to marry Miss Mannish, eh? How did you discover that she was

the one girl in the world for you?" "She told me."—Houston Post.

**Laws of Love.**  
Carolyn Wells gives the following laws of love, which may be interesting to the debutantes this winter:  
 "Be sure you're right, then lose your head."  
 "A ring on the hand is worth two at the door."  
 "A fool and his money are soon married."  
 "A little debutante is a dangerous thing."  
 "Proposals make cowards of us all."  
 "There's no fool like a bold fool."  
 "The longest way round is the sweetest way home."  
 "One good kiss deserves another."  
 "His love that makes the man come round."  
 "Kisses speak louder than words."  
 "He loves best who loves last."  
 "People who live in glass houses shouldn't hold hands."  
 "The woman who deliberates is won."  
 "Where there's a will there's a way."

**The Terrors of English.**  
If an S and an I and an O and a U, With an X at the end spells Su, And an E and a Y and an I spell I, Pray what is a speller to do?

Then if also an S and an I and a G And a H E D spell side, There's nothing much left for a speller to do But go commit slouxeysighed!

**Haskell's Difficulty.**  
Sioux City Tribune: For a man of prominence, it must be admitted that Mr. Haskell had a difficult time identifying himself.

**The One Who is Worrying.**  
Sioux City Journal: The farmer who is still worrying about his corn is the one who didn't test his seed corn.

**Can Easily Discern His Finish.**  
Davenport Times: The presumption is that the governor of Oklahoma can see a large sunset without half trying as he looks into his political future.

**Good for Biliousness.**  
"I took two of Chamberlain's Stomach and Liver Tablets last night, and I feel fifty per cent better than I have for weeks," says J. J. Firestone of Allegan, Mich. "They are certainly a fine article for biliousness." For sale by Wilkinson & Co. Pharmacy, J.

**Heavy, impure blood makes a muddy, pimply complexion, headaches, nausea, indigestion. Thin blood makes you weak, pale, sickly. Burdock Blood Bitters makes the blood rich, red, pure—restores perfect**

### PHYSICIANS.
