

KELLOGG-BIRGE CO.

Kane Brake

90 per cent Cane Sugar
10 per cent Extract of Malt

By the formula printed herewith, it will be seen that Kane Brake Syrup contains a large percentage of extract of Malt. This extract, when united with Pure Cane Sugar, under the conditions required by the patented process in use by us, produces the delicate flavor found in Kane Brake Syrup and in no other.

As a food, Kane Brake Syrup is unquestionably a superior article, as the wonderful dietic properties of Malt are known and recognized by the public generally as well as by food experts.

Kane Brake Syrup, therefore, is not only good because of its delicious flavor but also for its food value. It aids in the assimilation of food and is especially desirable for children, and can be used with impunity by those with whom ordinary sweets disagree.

OCTOBER 20 IS THE DATE

For the Dedication of the New Hancock County Court House Over at Carthage.

DAY OF CELEBRATING

Horse Owners Have Returned Home After a Successful Season on the Race Tracks.

[By a Staff Correspondent.]

CARTHAGE, Ill., Oct. 5.—October 20 is to be a day of celebration in Carthage as on that date the new court house will be dedicated. The work on the inside of the building is being pushed as rapidly as possible and will be finished within a few days. The grading is also being rapidly carried on and will be finished in plenty of time for the dedication. The streets and business houses will be suitably decorated and the day made one that will be long remembered.

R. F. Law has returned to Carthage with a string of five horses after a very successful season. Among the string is Peter Wood, by Peter the Great 2:07½, who trotted the fastest mile of the year over ½ mile track for three year olds, making a mark of 2:19½. Stat also made a record of

2:21½ starting in five races and finishing within the money all times.

Work on the new cement block building near the Wabash depot is being pushed rapidly. The building is to have a solid cement foundation.

The Leader Manufacturing Co. are rushed with work on back orders. They have enough orders for separators at present to keep them busy till the first of the year.

The basement of J. M. Foulds' new three story building on the south side of the square is completed and the brick work will start this week. The building is to be three stories with all modern conveniences and will be made of pressed brick. The space in the building has all been contracted for. The Carthage Athletic club will occupy the basement, Neihouse & Co. Cigar manufacturing Co. will take the first floor, Carthage Business college the second, and the Modern Woodmen will take the third floor.

More Fast Horses.

John F. Austin has returned to Carthage with his string of horses and reports a most successful season. One of the string Carthage Boy, a roan gelding, by Dedron 2:24½, started in eight races, finished first twice, second three times, and third the rest. He is a green pacer but made a mark of 2:21½ at Winfield, Iowa. Trainer

General Debility

Day in and day out there is that feeling of weakness that makes a burden of itself. Food does not strengthen. Sleep does not refresh.

It is hard to do, hard to bear, what should be easy,—vitality is on the ebb, and the whole system suffers. For this condition take

Hood's Sarsaparilla

It vitalizes the blood and gives vigor and tone to all the organs and functions. In usual liquid form or in chocolate tablets known as Sarsatabs, 100 doses \$1.

Austin expects to do great things for this horse next year.

Carthage high school started the foot ball season Saturday by defeating Fort Madison high school 6 to 0. This was Carthage's first game, while Fort Madison is still crippled from a game of a week ago with Hurdland, Mo. The game was marked by brilliant playing for both teams. Johnson, quarterback for Carthage, made their touchdown. He received the ball on a punt from Fort Madison and ran 45 yards for a touchdown. Both teams lost ground on not making their forward passes sure. In the second half Stebbins of Fort Madison got the ball on a fumble and ran 50 yards but was tackled within 10 yards of Carthage's goal. Fort Madison failed to make the distance and Carthage punted out of danger. The work of Bell on end, Captain Clark, full and Johnson at quarterback, for Carthage, deserve special mention. Bell made several long end runs. Clark's forward passes were good and with a little more practice on the part of the ends in receiving passes will be able to make great gains on this style of play.

TWO DAYS BRIDE KILLS HUSBAND

Because he Refused to Live With Her, After Being Forced to Wed.

FRANKLIN, La., Oct. 5.—Shot five times while sitting at a desk beside his two day's bride of nineteen, Sydney Bouterie, editor of the New Era, of Patterson, is dying in a hospital. His bride is under arrest. The girl says her husband refused to live with her and this was his punishment. It is rumored the wedding took place Wednesday night, Bouterie being forced to marry her at the point of a revolver.
