## CHAS. LINQUIST ANSWERS CALL

Respected and Aged Citizen Was Found Dead in Bed Last Night at His Home by His Wife.

### SUMMONS WAS SUDDEN

Born in Sweden Seventy Four Years Ago and Had Been a Citizen of Keokuk Since 1883.

The death angel came quietly to Charles E. Linquist at his home, No. 217 South First street last night, while he was asleep, he being found dead in his bed at about 11 o'clock by his wife.

For some time he had been feeling not very well but was not considered to be at all in a critical condition or near death and his passing away came as a great shock to the members of his family and many friends, for he was a respected citizen of Keokuk and had many acquaintances here.

His wife occupied the next room and during the night, went in to see him. She found him cold and lifeless and went to the house next door and called the neighbors, stating that she thought her husband was dead. They came and a physician was sent for who pronounced the aged citizen to be dead.

Mr. Linquist was born in Sweden in 1834 and was therefore seventy-four years of age at the time of his death. He emigrated to America in 1883, coming direct to Keokuk which had been his home ever since.

By occupation, he was a stone-mason and an expert man in his profession. Last week he was at work at his trade and in apparently good health for a man of his advanced age.

He was a member of the Lutheran church in Sweden and was a God-fearing and upright citizen, respected by all who knew him.

Besides his wife, he is survived by two sons, Axel and Victor Linquist, both of Burlington, who arrived this afternoon, called by the sudden death of their father. L. F. Linquist of this city is a brother and there is also a sister, Anna Hilding, in Sweden.

A coroner's inquest was held this

## Bad Breath and Sour Stomach

Stopped at Once With Pure Willow Charcoal, the Greatest Gas Absorber Known.

There is no necessity to suffer the humiliation, chagrin and discomfort of bad breath, biliousness, sour stomach, gastritis, sluggish liver, etc., when a little lozenge of charcoal will cleanse the stomach and make it pure and sweet.

Do not drug yourself when a simple little natural charcoal made from fragrant willow branches, sweetened with honey, will add tone to your stomach, liver and intestines, rapidly absorb gases and stop foul odors of all kinds.

Charcoal will absorb one hundred times its own volume in gas. A box full of charcoal placed in a bed room will keep the air of such a room pure and sweet.

A little charcoal lozenge dissolved on the tongue after meals will also keep the stomach fresh and clean. Charcoal is justly called the scrubbing brush for the stomach. The old monks of medieval times cured bad cases of stomach trouble, cast out devils from the system of man by feeding such a man charcoal.

Scientific men of today believe in the great strength of charcoal for the cure of human ills. Too much of it cannot harm one. The system craves it just like an animal needs and craves salt every so often. Charcoal goes into the stomach gently and is welcome, it settles down through the action of the stomach, and filters through all the food, absorbing gas, aiding digestion and giving tone to the juices, so that when the food goes into the intestines, and there meets other digestive fluids, the charcoal holds the impurities and thus keeps them from the blood.

Stuart's Charcoal Lozenges are made from pure willow. They are prepared fragrant by the use of honey and sweetened so they please the taste and are easily dissolved.

They have an enormous sale, thus stamping them with the approval of the public. Every druggist sells them, 25 cents per box. Go to your druggist today and buy a box; then after your next meal take two or three of them and judge for yourself of their merit.

Several taken at bed time will prove to you in the morning that they have been at work all night, for your bad breath will not be so bad after all.

Send us your name and address and we will send you a trial package by mail free. Address F. A. Stuart Co., 200 Stuart Bldg., Marshall, Mich.

## At The Theaters

"The Cow Puncher" Tonight. "The Cow Puncher" which so thoroughly pleased Keokuk theatre-goers on the occasion of its first presentation here a year ago, will be seen again at the Grand tonight.

It was written by the well-known playwright Hal Reid and produced by W. F. Mann. It is a western drama of the highest order, and tells the story of a young eastern girl whose brother dies leaving her a ranch in Arizona. She leaves college to come out to take up her brother's work. Tom Lawton, the foreman of the ranch, becomes her devoted admirer and stands between her and danger that threatens her on every hand and finally wins her for his own. The cattle thieves, Carlos Mondoza and Denver Dan, are captured by the Rangers, of which Lawton is the captain and summarily given a hemp necktie. Lutchia Cordova, the sweetheart of Carlos, receives a bullet intended for Carlos and dies, a sacrifice at the altar of love. Slattery Ann and Tacoma Tim after many quarrels, finally make up their minds that the only way to compromise is to get married. And the curtain comes down in the last act with every one feeling that they have witnessed one of the best plays seen this season.

**The Slim Woman is Winning.**  
The day of the slim woman's triumph has arrived. "The thinner one is the more stylish," say the dress-makers.

This would have been sad news for the fat woman a year ago. She would have had to try dieting or exercise. Nowadays, however, the woman who is too fat for the styles goes to a druggist and gets a case of Marmola Prescription Tablets, one of which she takes after each meal and at bedtime and so reduces her superfluous flesh quickly.

These tablets, being made in accordance with the famous prescription, are perfectly harmless, and they are, also, the most economical preparation a person can buy, for they cost only 75 cents a large case, one of which is frequently enough to start a person to losing fat at the rate of 12 or 14 ounces a day. Pretty nearly every druggist keeps this table in stock, but should your be sold out, you can easily obtain a case by sending to the makers, the Marmola Company, Detroit, Mich.

**FLIM FLAM GAME DID NOT WORK**  
Grafters Tried to Get Away With Cigars But the Proprietors Were too Watchful.

Three grafters tried to get away with several boxes of cigars last night from Selbert's cigar store by pretending to be drunk, but they did not get what they were after, although they spoiled one hundred cigars by throwing them into a bucket of water.

The men came in during the evening and sat down at a table and began to play cards. Two of them got up and sauntered into the work shop at the rear several times but each time one of the members of the force followed them back in.

Then one of them went back into the room. This proceeding kept up for a number of times but the men would not explain what they wanted. Finally an officer was called and the men ejected from the store.

This morning a box of one hundred cigars was found in a bucket of water where one of the men had dropped it.

**A POLICEMAN'S LOT**  
May be a Happy One After All.

An Ill. Ex. Chief of Police found an easy and safe way out of the ills caused by coffee. He says "I suffered intensely from heart trouble and nervousness for five years, and though treated by some of the best physicians in this city, did not get permanent relief until I changed from coffee to Postum."

"A friend of my family was visiting in our house and seeing my condition, insisted that coffee was at the bottom of my trouble. I confess I was skeptical but promised to try Postum in place of coffee.

"It was nearly three weeks before I noticed much of any change, as my case was a bad one. Then I saw that my nervousness was gradually disappearing. A little later I was able to sleep a part of the night on my left side, something I had been unable to do for 5 years at least.

"I kept on using Postum, and the result is, so far as heart trouble and nervousness are concerned, I am a well man.

"The best proof is that I am writing this with my own hand, a thing I was unable to do for several years prior to the change from coffee to Postum."

If troubled with indigestion, revise your diet, let reason and not appetite control and take a few doses of Chamberlain's Stomach and Liver Tablets and you will soon be all right again. **THE MAN FROM MISSOURI AT Y. M. C. A.**  
A Popular Speaker From Our Neighboring State to Talk to Men Tomorrow.

At the Sunday afternoon gathering for men in the Association hall tomorrow afternoon, Ivan Glenn Frank of Kirksville, Mo., will be the speaker. Many of the traveling men running out of Keokuk into Missouri have heard of the fame of this young man and have told of him to the local association officers. Mr. Frank is without doubt one of the most popular men in northeastern Missouri at public gatherings.

He has been a minister for a year or more in Kahoka; has handled most successfully a series of evangelistic meetings at Kahoka, Glenwood Junction and Unionville and his success brought him to the notice of Wm. A. Sunday, and assisted him in his meetings recently in Decatur, Ill.

Mr. Frank is now getting further preparation at Kirksville for his future work and at the same time doing a great deal of lecturing. He has an unusually pleasing personality and as a speaker all who hear him once want to do so again.

His address tomorrow on, "Is the Bible the word of God?" will be of interest to large numbers of Keokuk men. In addition to this address a fine orchestra concert will be given by the H. T. orchestra in the reception hall a half hour previous to the meeting.

Every man who enjoys good music will want to be there. The hours are 3:15, concert; 3:45 address. All men over 15 years invited.

**FAIRBANKS AND KERN ADDRESSES**  
Fairbanks Speaks in Maryland and Kern Talks to the West Virginians.

WEST MINISTER, Md., Oct. 10.—Vice President Fairbanks made his first address in Maryland during this campaign last night. He compared the history of both parties, expressed the conviction that the tariff should be revised by the republicans, criticized adversely the proposal to protect bank deposits by guarantee, and declared Taft and Sherman worthy of the support of all voters.

**CLIFTON FORGE, Va., Oct. 10.**—John W. Kern, vice presidential nominee, paid a hurried visit to this city last night, making the last address of the tour through Virginia. He took up Taft's record on injunctions, declaring, regardless of promises the republican candidate may make now, his (Kern's) hearers, many of whom were factory workmen, should not be misled by Taft's protestations.
