WANTED TO KNOW

The Truth About Grape-Nuts Food.

It doesn't matter so much what you hear about a thing, it's what you know that counts. And correct knowledge is most likely to come from personal experience.

"About a year ago," writes a N. Y. man, "I was bothered by indigestion, especially during the forenoon. I tried several remedies without any permanent improvement.

"My breakfast usually consisted of oatmeal, steak or chops, bread, coffee and some fruit.

"Hearing so much about Grape-Nuts I concluded to give it a trial and find out if all I had heard of it was true.

"So I began with Grape-Nuts and cream, 2 soft boiled eggs, toast, a cup of Postum and some fruit. Before the end of the first week I was rid of the acidity of the stomach and felt much relieved.

"By the end of the second week all traces of indigestion had disappeared and I was in first rate health once more. Before beginning this course of diet, I never had any appetite for lunch, but now I can enjoy a hearty meal at noon time." "There's a Reason."

VERY HARD YEAR FOR THE CATARRH

Authority Here Predicts Much Suffering and Gives Advice to Relieve This Dread Affliction.

SPLENDID HOME RECIPE

Make Some up and Try It Anyway as it is Said to do the Work Promptly and Give Relief.

Here is a prescription which should be valued by all who are subject to rheumatism, kidney and bladder troubles and especially catarrh. While the latter is considered by most sufferers an incurable disease, there are few men or women who will fail to experience great relief from the following simple home prescription, and if taken in time it should prevent an attack of catarrh during the entire season.

Any one can mix the following: Fluid Extract Dandelion one-half ounce, Compound Kargon one ounce, Compound Syrup Sarsaparilla three ounces. Shake well in a bottle and use in teaspoonful doses after each meal and again at bedtime. Get these ingredients from any pharmacist whom you know handles only pure drugs.

This prescription acts directly upon the eliminative tissues of the kidneys to make them filter and strain from the blood, the poisons that produce all forms of catarrhal affections. Relief is often felt even after the first few doses and it is seldom that the sufferer ever experiences a return attack within the year.

This prescription makes a splendid remedy for all forms of blood disorders and such symptoms as lame back, bladder weaknesses and rheumatism pains are entirely dispelled.

As this valuable, though simple, recipe comes from a thoroughly reliable source, it should be heeded by every reader who suffers from catarrh.
