

A WOOLTEX SUIT Gives Confidence and Satisfaction

You needn't waste two minutes trying to decide what to wear if you have a WOOLTEX suit like this one.

Get a silk blouse to match (or a lacey one) and a plain tailored shirt-waist and there you are--ready for anything except, of course, balls and parties.

Especially when you remember that it's a WOOLTEX suit and so will be as serviceable next year.

If you want a WOOLTEX suit, come soon.

The entire product of the Wooltex factory would provide a garment for only one out of every 250 women in the United States. The styles are dependable for newness and good taste. A fashion authority stationed in Paris makes that point certain. WOOLTEX tailors make the garments with such painstaking care that the style stays in them as long as they last. Come in and see these WOOLTEX suits--come soon for we can't always get all we want.

New York quinces and sweet apples at T. Nodler's. An exceptionally fine feature of the men's gathering tomorrow afternoon at the Y. M. C. Mr. Albert Zoellner, who is becoming well known as a teacher of the violin both here and in Quincy and Mrs. Louis Sterne, whose solos have been enjoyed on so many other occasions. They will furnish a program which will be a fine one. All men are invited to both concert and meeting. Fred C. Chambers, who is the candidate on the republican ticket for recorder is one of the most competent young men in Lee county for the place. It will be remembered that he filled the office as deputy for the late Recorder Bisbee and the report of his work is all to his credit, many contending the recorder's books were never in better shape. Mr. Chambers is one of the prominent and aggressive young men of the county and that he will make a first class officer goes without saying. He is especially well known among the younger men and the enthusiasm with which his friends are working indicate his election. The voters of Lee county will make no mistake by placing him in the recorder's office."
