You Dyspeptics Look Here

What An Eminent Medical Man Says Dyspepsia Really Is. Then Gain Hope.

This affection called Dyspepsia is the greatest torment of civilized life, and is to be considered rather as an unnatural functional difficulty than as a structural disease.

The same authority has classified dyspepsia this: The first form due to relations with other organs which are in a morbid and unhealthy state, which is characterized as a reflex action.

The second form is caused by scanty supply of gastric juice, made evident by slowness of digestion, long retention of food in the stomach, distress for a long time after meals, accompanied by weighty and uneasy feelings at pit of stomach, decomposition of food in alimentary canal causing fetid and foul gases and the appearance of undigested food in the evacuations from bowels.

The third and last form of dyspepsia, according to this renowned medical light, is that which accompanies some abnormal quality of the gastric juice, combined with a partial paralysis of the stomach's muscles so that this organ cannot sufficiently mix the food with the digestive fluids.

Stuart's Dyspepsia Tablets will remedy each condition of a stomach afflicted with dyspepsia as above described. These tablets contain digestive agents which act with or without the aid of the stomach.

They help the stomach, enrich the blood, revitalize the gastric juices, give strength to the alimentary nerves and glands. PRESIDENT TO BE ELECTED TUESDAY

Polls in Keokuk Will Open Tomorrow Morning at Seven O'clock For the National Election.

REMEMBER HOW TO VOTE

No Circle on the Ballot Tomorrow and Cross Must be Placed in Each Square Before Your Choice.

Tomorrow will be a day like the 29th of February for it comes but once every four years, for on tomorrow the citizens of the United States will name a new president.

In one way, the day will be very familiar one, for the people are again being asked to vote for Bryan for president, a thing which they have been requested to do a couple of times before.

Besides the national offices of president and vice president to be voted for, the voters of Keokuk will also take part in the election of a governor and other state officials, a number of county officials, a congressman and justices of the peace, constables and other township officials.

Where to Vote.

The polls in Keokuk will be open at 7 o'clock tomorrow morning in each ward and will remain open until 7 o'clock in the evening. They will be located as follows:

- First ward—No. 607 Main street. Second ward—No. 513 Johnson. Third ward—No. 805 Main. Fourth ward—No. 1016 South Fifth. Fifth ward—No. 314 North Fourteenth. Sixth ward—No. 26 South Twelfth.

How to Vote.

There will be no circle on the official ballot this year and it will be impossible to vote a straight ticket by making one cross at the top. A cross must be placed in the square in front of the name of every candidate voted for.

Voters who are at all in doubt, should be particular to inquire of the judges and clerks just how to vote and so make no mistake and waste their opportunity.

To vote a straight republican ticket, the voter should mark a cross in every square from top to bottom on the left hand side of his big ballot and make no other marks.

To vote for Taft requires that each one of the electors be voted for and a mark opposite Taft's name on the ballot does not count for anything.

The only safe plan is to take the first column of squares and put a cross inside each one of them.

The Result.

Just what time of night the returns will be received to enough extent to tell how the nation has decided the question, cannot be told, but with the eastern states using voting machines, the result from that part of the country will be in early and Keokuk will likely know that Taft has been elected by midnight, for after New York and Ohio show up with heavy pluralities for the republican candidate, that will be enough to show that Taft has been elected.

The county result will not be in until later and it will probably not be until a late hour before it can be ascertained who has been elected on the county ticket.

The Gate City will receive returns at the office and will also issue bulletins at Dodge's theatre, where they will be thrown upon a screen.

That paper said of him: The third and last speech of the evening was made by E. W. McManus, son of State Senator E. W. McManus, of Keokuk. His speech was a most enjoyable and effective one, embellished with anecdotes pertinent to the points he made. He is one of the most promising young orators in the state, fluent of speech, strong in thought, splendid of voice. Should he continue to give attention to affairs in public speech, we predict that it will be but a few years until he will be numbered among the great orators of the west.
