RHEUMATISM IS EASILY CURED

Science Now Proves It Only a Symptom of Inactive Feeble Kidneys Which Fail to Filter Acid.

TRY THIS GOOD RECIPE

Get These Ingredients From Any of the Drug Stores in This City and Mix Them Yourself at Home.

More people succumb each year to some form of kidney trouble than any other cause. The slightest form of kidney derangement often develops into Bright's kidney disease, diabetes or dropsy. When either of these diseases are suspected the sufferer should at once seek the best medical attention possible. Consult only a good, first class physician.

There are many of the lesser symptoms of kidney trouble which can be treated at home as stated by a well-known authority. For some of these, such as backache, pain in the region of the kidneys, weak bladder, frequency, (especially at night) painful scalding and other urinary troubles, try the following simple home remedy: Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. These simple ingredients are harmless and can be obtained at any good prescription pharmacy and anyone can mix them by shaking well in a bottle. The dose for adults is a teaspoonful after each meal and again at bedtime.

There is no more effective remedy known to relieve all forms of rheumatism, because it acts directly upon the kidneys and blood. It cleans the clogged up pores in the kidneys so they can filter and strain from the blood the poisonous uric acid and waste matter which if not eliminated remain in the blood, decompose and settle about the joints and muscular tissues causing the untold suffering and deformity of rheumatism.

Backache is nature's signal notifying the sufferer that the kidneys are not acting properly. "Take care of your kidneys," is now the physician's advice to his patients.

HAS GONE TO JOIN HIS WIFE

Morris Inman, One of Keokuk's Aged Citizens, Has Passed to the Great Beyond.

Yesterday afternoon at 4 o'clock at the family residence, 619 Concert street, occurred the death of Morris Inman, a well known citizen of Keokuk, and one well advanced in years. His death follows that of his wife which occurred but a short time ago.

The death of Mr. Inman was the result of a prolonged sickness during which he was a sufferer with kidney trouble. For more than a year he has been confined to his home and has been bedfast most of the time.

The deceased was born in Merritt, Ohio, in the year 1836, and came to Keokuk about forty-five years ago. Since his arrival in this city Mr. Inman had made it his home and made many friends.

He was a member of St. Francis de Sales Catholic church and was a devout and consistent member.

The surviving relatives are five sons: David and Bart of St. Louis, William of Shelby, Mo., and George and Frank of this city.

Funeral services will be held tomorrow morning at 9 o'clock at St. Francis de Sales Catholic church.

TRADE EXCURSIONS COME TO KEOKUK

Farmington and Kahoka Sent Many People Here This Afternoon to Visit Merchants Here.

The Rock Island arrived at 1:05 o'clock and the K. & W. at 1:30 o'clock this afternoon with many people from Farmington and Kahoka who took advantage of the trade excursions to this city. There were a few people less than one hundred on each train bringing up the total to almost two hundred.

The excursionists came direct to Main street and spent the greater part of the afternoon visiting and patronizing Keokuk merchants. Many visited the stamping stations and had cards properly filled out with the signature of the Keokuk merchants.

Friday excursions will come from points along the Wabash in Illinois and a large number of people are expected.

Weather conditions are very favorable today and the visitors were able to do shopping in the business district.

CITY NEWS

The election did not develop much betting. At home and elsewhere the betting spirit did not run very high. Manager Tracy of the Western Union was busy yesterday getting the various election receiving places properly arranged for the returns. Several places had separate wire service and the Western Union people had considerable extra work to attend to.

The papers over the state have given considerable attention to the recent reports of the Keokuk water power. The enterprise is regarded as a certainty. It will be a happy day not only for Keokuk but many Mississippi Valley towns and cities when the big dam is completed and busy turning out its product of electricity.

The water at the public drinking fountains on Main street was shut off yesterday.

A certain party is in receipt of a letter from a large business firm in Iowa City making inquiries about the water power and soliciting information. It is also reported that a letter has been received by a Keokuk business man from a large manufacturing house which is looking toward Keokuk.

The next election on the program is for the city of Keokuk. Municipal matters will require attention of the citizens in a short time. There is prospect that the democracy will have at least two candidates for mayor in the field—probably more.

Subscribers to The Gate City who receive an indifferent service are asked to make their complaint to the superintendent of subscription. It is the desire to have the service as perfect as possible. Do not hesitate about making complaint and make the complaint every time the service is not satisfactory.

Consult the advertisements of the merchants appearing from time to time in this paper. The Gate City urges such an inspection for the benefit of the readers. Merchants make known their bargains through the newspapers and the way for the buyer to get the bargains is to keep informed on what the business men are offering.

It has been the aim of the manager of "Under Southern Skies" and the insistent demand of Lottie Blair Parker, author of the play, to secure young and beautiful women who typify the famed beauty of the women of the south. Much care has been taken in this matter and a lovelier type of femininity would be hard to find than that which will grace our local stage tomorrow evening when the famous success "Under Southern Skies" is presented in our city.

Next Sunday the Y. W. C. A. meeting will be held in the new Congregational church and will be addressed by Miss Mayer a native Hindoo girl who is earning her way through school. She will address the meeting in her native attire and a collection will be taken up at the end of the meeting to help her along in working her way through college. When her college course is completed she will return to India as a missionary. Special music will be arranged for Sunday afternoon's meeting. The meeting will commence at 3:30 to which all women and girls of the city are invited.

A Halloween social is to be given on Friday at the Y. W. C. A. rooms and although a little late for a social of this nature the affair promises to be a very enjoyable one. On Halloween eve a number of the association members had engagements elsewhere for the evening and the social was put off partly on this account. However all are invited to the social on Friday evening and a delightful time is assured all who attend. There will be no charge for admission and men and boys are welcome too. Refreshments will be served and the refreshments will be decorated in Halloween style for the occasion. Different games will help to make the evening pass pleasantly.

BEERIDGE IS IN THE SADDLE

Wreck of the Fairbanks Machine is Forecasted by the Indiana Election Returns.

INDIANAPOLIS, Ind., Nov. 4.—The wreck of the Fairbanks political machine is forecasted by the stinging defeat of members connected with it who sought election. Watson, for governor, was Fairbanks' candidate. Hemenway, senator, is probably defeated for re-election through the loss of the legislature to the republicans. In congress from the Seventh district, is a Fairbanks man. Foster of the First district, the same. It leaves Senator Beveridge the greatest political factor in the state. He has always been with the administration while Fairbanks was never identified with Roosevelt. It gives Beveridge great strength with the people of the state and allows his chance of building up a stronger machine than that of Fairbanks. Former National Chairman Taggart is jubilant today over the result in the state. He declares the legislature is democratic by a safe majority.

Hughes Voted Early.
 NEW YORK, Nov. 3.—Hughes was among the early voters this morning. He left at once for Albany where he will hear the returns tonight.

TAFT ELECTORAL VOTES 309; BRYAN 174

Taft's Eastern Vote Was a Surprise to the Republicans, Western Vote Disappointment.

NEW YORK, Nov. 4.—The result indicates Taft and Sherman probably received 309 electoral votes, Bryan and Kern 174. Present indications show the following states voted for Taft: California, Connecticut, Delaware, Idaho, Illinois, Indiana, Iowa, Kansas, Maine, Maryland, Massachusetts, Michigan, Minnesota, Montana, New Jersey, New York, North Dakota, Ohio, Oregon, Pennsylvania, Rhode Island, South Dakota, Utah, Vermont, Washington, West Virginia, Wisconsin, Wyoming.

Other states are for Bryan. Taft's largest vote was in New York where his plurality was 216,338, exceeding the Roosevelt landslide. Taft's eastern vote is a surprise to the republican managers who declared they were delighted with the results. The results are slowly coming in from the middle and middle western states and have the most surprises. Taft failed to carry some of the states west which he expected to have in his column.

B. Hobbs, E. Carroll Taber. The board later met and elected the following officers for the coming year: D. A. Collier, president, Palmer Trimble, vice president, Edgar Cochrane, secretary. The house committee was re-elected, it being composed of the following:

"Under Southern Skies"
 One of the unusual features of Lottie Blair Parker's play of southern life is that the women of the cast outnumber the men. As a rule the reverse is the case in dramatic offerings. The presence of so many women upon the scene is one of the attractions of the play, especially as many of them are young and pretty. The birthday party of the youthful heroine, and the Halloween festivities, which include the carrying out

of some amusing Halloween tricks and a jack-o-lantern dance, give fine scope for showing the feminine members of the company to advantage. One of the funniest characters in the play is "Amner Lizer" who deserves a rank side by side with the immortal "Topsy." Aunt Doshy too, is a host of fun in herself; a typical southern "auntie"—one of the faithful slaves who clung to the family she loved, though free to leave them if she wished to do so. The south furnished many instances of this devotion upon the part of the older negroes. The part of the heroine, Lellie Crofton, a young southern belle, is a difficult one to enact, portraying as it does all the emotions from gay and loving light heartedness, to most intense misery and grief. "Under Southern Skies" was written by a woman and it gives women greater opportunity for acting than three or four ordinary dramas. This very successful play will be seen at the Grand opera house tomorrow evening.

This is much to be regretted, as Senator Berry has been a great power in the legislature and is the father of some of the best laws made by that body, and because of his long experience should have been re-elected.
