VERY HARD YEAR FOR THE CATARRH Authority Here Predicts Much Suffering and Gives Advice to Relieve This Dread Affliction.

SPLENDID HOME RECIPES Make Some up and Try it Anyway as it is Said to do the Work Promptly and Give Relief.

Here is a prescription which should be valued by all who are subject to rheumatism, kidney and bladder troubles and a despicable catarrh. While the latter is considered by most sufferers an incurable disease, there are few men or women who will fail to experience great relief from the following simple home prescription, and if taken in time it should prevent an attack of catarrh during the entire season.

Any one can mix the following: Fluid Extract Dandelion one-half ounce, Compound Kargon one ounce, Compound Syrup Sarsaparilla three ounces. Shake well in a bottle and use in tea-spoonful doses after each meal and again at bedtime. Get these ingredients from any pharmacist whom you know handles only pure drugs.

This prescription acts directly upon the eliminative tissues of the kidneys to make them filter and strain from the blood the poisons that produce all forms of catarrhal affections. Relief is often felt even after the first few doses and it is seldom that the sufferer ever experiences a return attack within the year.

This prescription makes a splendid remedy for all forms of blood disorders and such symptoms as lame back, bladder weaknesses and rheumatism pains are entirely dispelled.

As this valuable, though simple, recipe comes from a thoroughly reliable source, it should be heeded by every reader who suffers from catarrh.
