KEOKUK PLAYED A GREAT GAME

But They Lost to Fort Madison at the Best Local Gridiron Battle of the Season.

MORMONS VICTORIOUS

Defeated All Star Team of This City—Good Contact—Experience on a Rough River.

The Keokuk High school football team played the last game of the season yesterday against Fort Madison and met defeat to the tune of 11 to 5. The local lads with seven of the regular men out, the men shifted around and made filling their places. The game was a hard fought one, the season's best man fighting desperately for a victory. McFarland, McManus, Bohmer, Washburn, Kiehl, Hawkes and Dorsey were out of the game because of injuries, studies and other reasons and their places filled by substitutes who had never played at a first team game before. Keldalsch and Morgan on ends were two of these men and showed up exceptionally well, making good tackles and getting several difficult passes.

The new style of foot ball was used to advantage by both teams. All touchdowns being made from forward passes. The game was free from arguments, due to Duffant's refereeing, and injuries, time being taken out but one on that account.

The game in brief is as follows: Brown of Fort Madison kicked over Keokuk's goal line. Ball returned and kicked over to Parsons who returned ten yards. Pechstein kicks. Fort Madison works the ball back to the one yard line where the ball is fumbled, Pechstein getting the ball for a twenty-yard run. Keokuk loses the ball on downs. Pechstein kicks. Fort Madison forward passes from Waggner to Stebbins who carries the ball over for a touchdown. Waggner kicks goal. Score: Fort Madison 11, Keokuk 5.

Fort Madison kicks to Nelson. Pechstein makes end run for ten yards. A fumble which Hayden recovers. Fort Madison catches a forward pass and make a twenty-five-yard gain. The Keokuk all-star aggregation lost at Nauvoo Thanksgiving day by a score of 11 to 6, the Mormons of that place being too heavy for their opponents and center rushes played havoc with Keokuk's light line.

An important factor in the result was the wind. A still wind was blowing down the field from goal posts and made progress against it almost impossible.

The game was a fierce one and was very close throughout. Nauvoo was the first to score, blocking a punt and then falling on the ball near Keokuk's goal line. A single play pushed the ball over. Keokuk scored in a few minutes on a long forward pass from quarterback to Henneman at end, followed by a line buck and an end run. The forward pass was a beauty and electrified the crowd as this new style of football was what they longed for. Henneman caught the ball clean and ran to within five yards of the goal when he was downed. Fifty yards were gained on the play.

The Keokuk line was unable to hold the fierce line smashes of the Mormon team, but fairly outplayed them in open work.

In the last half Keokuk kicked three successive times against the wind and

each time Jack O'Brien, playing end recovered the ball. On the last kick O'Brien, who had played a star game throughout the contest recovering the ball with a clean field before him started for a touchdown. He was well in advance of every one else but as he reached the ten yard line he was so exhausted that he fell and was unable to advance. Time was called for the second half and the game ended. The Keokuk team represented the following lineup: Hassett, center; Mass and Styles, guards; McElkin and Griffin, tackles; O'Brien and Henneman, ends; Dickey, quarterback; Sheehan and Walsh, halfbacks; Russell, fullback.

A Rough Voyage.

The Keokuk team had an unusually rough voyage in going to Nauvoo yesterday and in returning. The river was rolling high when the fourteen players piled into a launch and row boat. When within a half mile of Nauvoo the tow line broke and the row boat containing ten of the players was detached from the launch. Oars were brought into use until the launch could be brought up and then one member of the launch crew held a rope attached to the boat and the second party was brought ashore.

The river was so rough on the return trip that only six were brought back in the launch and the remainder of the party stayed over in Nauvoo during the evening, returning this morning at 8:40 o'clock.

Canton '6, Kahoka 6.

The football game at Canton yesterday was a big event and was won by the Christian College team by a score of 16 to 6 over Kahoka high school.

The largest attendance ever at a game was present, including 1000 spectators from Kahoka, two car loads of people going down to the game from that city.

The first half was a fierce one and ended with Canton making 6 points. Alderton made a touchdown and goal was kicked.

The second half consisted of a number of trick plays by the C. U. students and Kahoka was forced to kick nearly every time she got the ball.

Kahoka high had played a perfect season and this was the first game lost and the first time she had been scored against. Hamilton high was defeated by a score of 54 to 9.

Canton University naturally feel much elation over the victory of Thanksgiving day.

BIG BURLINGTON PLANT IN DANGER

Chittenden & Eastman Mattress Factory Comes Near Falling Prey to Fire Fiend.

BURLINGTON, Iowa, Nov. 27.—The mattress department of the Chittenden & Eastman plant, fronting on Third street and running back to alley No. 3, burned at an early hour this morning. The firemen found it the hardest task that has fallen to their lot in years.

About 2 o'clock the roof and the floors fell in, and the task of the department was greatly simplified, for with that the danger to the other buildings ceased and there remained only the tedious work of pouring vast quantities of water into the still fiercely burning ruins. The danger was past and the big audience gave a sigh of relief and dispersed, leaving the firemen to their task.

The loss cannot be stated at this hour, but it will run well into ten thousand dollars. The firm carries considerable insurance, and no doubt the loss is partly covered.

THANKSGIVING DAY IN HAMILTON

Union Service Held in the M. E. Church, Three Churches Uniting in Meeting.

HAMILTON, Ill., Nov. 27.—Thanksgiving day passed very quietly. A union service at the M. E. church in the morning, at which the pastors of the three churches took part, numerous family dinners shared by relatives from out of town, and the play given at the city hall in the evening by the Current Event club. This drew a full house and was well presented by the players.

Mr. and Mrs. D. S. Coffman left Wednesday morning for Rockville, Missouri, where they expected to take Thanksgiving dinner with a brother of Mr. Coffman, these brothers not having met for over twenty years.

A bright-eyed baby boy came to the home of Mr. and Mrs. Gardner Dee on Wednesday, and as all parties seem satisfied with the prospect, the young water will stay with the family some time.

Mrs. Frank Wilson has been sick for several days, confined to her bed, as Dr. J. M. Davis lives with Mr. and Mrs. Wilson and is a constant care, the housekeeper surely has enough to do.

Workmen began work Friday morning this week on the basement of the storehouse which John A. and R. S. Gordon will have rushed to completion as fast as possible. When these are completed, they will add much to the value of the trading ground east of the city hall.

FINE PROGRAM SUNDAY AFTERNOON

The Speaker and the Music at Grand Opera House Meeting Will be High Grade.

In addition to the address to be given at the men's meeting Sunday afternoon at the Grand by Harry W. Arnold of New York City, a very attractive program of music has been arranged which the hundreds of men who will be there will greatly enjoy.

From 3 until 5:30 o'clock a male chorus of sixteen voices containing many of our best male singers directed by P. C. Hayden will render several selections and in addition, solos will be given by Mrs. Cora Elgin Reid and Mr. J. Ralston Hayden.

A full orchestra will play during the singing of the songs which will be rousing ones and the kind men like to sing and in the meeting proper Mr. Ralston Hayden will sing again.

Splendid reports have come to the local association office of the crowds of men who have recently heard Mr. Arnold speak in Cedar Rapids, Burlington, Oskaloosa and other cities and the Lynchburg, Virginia paper, he spoke recently, has this to say of his address:

"It can be truly said of Mr. Arnold that no more captivating speaker than he has ever spoken to these men gatherings. His voice his presence and his language are a combination that spells oratory in large letters."

There is no doubt but that this coming meeting will be one of the largest and best Keokuk men have ever been privileged to attend.

SAD DEATH OF THOMPSON DORSEY

His Demise Occurred on Thanksgiving Morning Following an Operation at Graham Hospital.

HE DID NOT COMPLAIN

Had Suffered For Some Time Before the Family Knew That He Was Ill and Then It Was Too Late.

Thompson, the fifteen-year-old son of Dr. and Mrs. Frank B. Dorsey, passed away at the Graham hospital at 8:15 o'clock yesterday morning, following an operation for appendicitis. His death is one of the saddest that has occurred in Keokuk for some time and is a severe shock to the family, as he was a bright young boy, who was in his second year in High school and for whom a happy future had been pictured. He underwent an operation Wednesday at the Graham hospital and when the first incision was made it was seen by attending physicians and by his father that there was little chance for his recovery. For many months, probably, he had suffered with appendicitis, but he did not complain and his parents did not know that he was at all in danger until a short time ago. The operation took place Wednesday afternoon at 5 o'clock and he was conscious a short time following the operation until within a few hours of death when he became slightly delirious. He met death in a brave manner and spoke to each member of the family before closing his eyes in that final sleep. He knew he was to die and resigned himself to the common fate of all in the manner of one who has lived a christian life on this earth and who is waiting for eternal happiness in the next world.

Thompson Dorsey was a favorite with all of his schoolmates and a lively nature and disposition was especially characteristic of him. He looked upon everything with a bright eye and optimistic view and was beloved by all. His parents, and brother and sister were especially fond of Thompson and he was liked by everyone who knew him. Since early childhood he had been a member of the Trinity M. E. church and although not advanced in years and unable to take an interest in church work was very loyal to his Sunday school class.

Born in Keokuk. Thompson Dorsey was born in Keokuk on May 27, 1923, and would have been exactly "fifteen years, and seven months of age today" had he lived. His education was gained in the public schools of this city for he attended the First ward and Grammar, and last the high school. He entered the Keokuk High school last Christmas and since that time made many friends among his schoolmates. Although too young to participate in the athletics of the school, he was an ardent supporter of all athletic games conducted and was ever loyal to the purple and white.

In his death the sympathy of Keokuk people is extended to the relatives.

Those who survive are the following: Parents, Dr. and Mrs. Frank B. Dorsey, brother P. Blinn Jr., and one sister, Margaret.

Those here to attend the funeral are the following aunts and uncles: Dr. and Mrs. J. G. Dorsey of Wichita, Kan., Dr. Oscar Thompson of Breckenridge, Mo., Miss Adelle Thompson of Breckenridge, Mo., C. P. and Miss Euela Dorsey of Braymer, Mo., and Miss Eva Dorsey of Brookfield, Ill.

At The Theaters

It's All on the Quiet.

The farcial comedy, "It's All on the Quiet" pleased a fair sized afternoon and evening audience Thursday at the Grand. The play reminded many present of "Charley's Aunt," there being many similar comical situations. The production deals altogether in comedy, interspersed with sparkling music, which was much enjoyed. Ralph Riggs as the "bell boy" and Rose Stillman as the maid of all work, are especially clever in the comedy parts and kept the audiences in a merry mood. The play is splendidly dressed. The musical specialties and clever dancing were most enjoyable features. The production was on the whole very satisfactory.
