

FIRST BAPTIST WHITE TEMPLE

May be the Name of the New First Baptist Church by the First of January.

ANNUAL MEETING HELD

Reports of Various Committees Heard and New Officers and Committees Were Elected Last Night.

"First Baptist White Temple." This may be the name of one of the finest churches in the state of Iowa if the members of the First Baptist church at Keokuk vote so at the next month's meeting.

Last evening during the session of the annual meeting of the Baptist church held in the synagogue, corner Eighth and Blondeau streets, a motion was read by Rev. Sanders that the next regular monthly meeting of the church a motion would be made to change the name of the church to "First Baptist White Temple." This change is in accordance with rules governing any change that is to be made in the articles of incorporation. Rev. Sanders explained that there are many reasons why the name of the church should be changed and explained several of them.

The annual meeting last evening was largely attended, the synagogue being almost filled with people. Reports of the past year showed that there has been a highly successful one. Almost all of the societies of the church making pledges to the building of the splendid new edifice have paid in full such pledges and have given another one. The report of the building committee was interesting, one of the facts mentioned was that the church will probably complete some time in January. The following officers and committees were elected:

CURED ITCHING PAINFUL HUMOR

Which had Spread Over Face, Body and Arms—Swellings were as Large as a Dollar—When they Broke, Sores would Not Heal—Suffered 3 Years.

MADE SOUND AND WELL BY 3 SETS OF CUTICURA

"My trouble began about three years ago with little black swellings scattered over my face and neck. They would disappear but they would leave little black scars that would itch at times so I couldn't keep from scratching them. Larger swellings would appear in the same place and they were so painful I could hardly bear it and my clothes would stick to the sores. The first doctor I went to said the disease was scrofula, but the trouble only got worse and spread. By this time it was all over my arms and the upper part of my body in big swellings as large as a dollar. It was so painful that I could not bear to lie on my back at night. The second doctor pronounced my disease inflammation of the lymphatic glands. He stopped the swellings, but when they would break the places would not heal. He tried everything that he could but to no effect. He said I might be cured but it would take a long time. I bought a set of the Cuticura Remedies and used them according to directions and in less than a week some of the places were nearly well. I continued with the Cuticura Remedies until I had used three sets, and now I am sound and well. The disease lasted three years from the time it commenced until I was cured. Before Christmas something broke out on my seven year old brother's hands in the form of large sores. I tried everything I could think of but to no effect until I happened to think of Cuticura and one application cured him. Also, not long ago, my sister got a bad burn on her ankle. I have been using Cuticura on that and it gave her scarcely any trouble. O. L. Wilson, Puryear, Tenn., Feb. 8, 1908.

BIG BAZAAR WAS A SUCCESS

Hundreds of People Were Present Yesterday Afternoon and Last Evening at St. Peter's Bazaar.

GIVEN BY AID SOCIETY

The Hall Was Prettily Decorated by Many Booths and All Did a Very Gratifying Business.

Successful in every way the bazaar given yesterday afternoon and evening at St. Peter's hall by the Ladies Aid Society of St. Peter's Catholic church was the largest ever given in the history of that organization of church workers. Both in the afternoon and evening the large auditorium was crowded with people and many articles of very pretty design were disposed of at the various tables or booths especially decorated and made attractive and inviting. The hall was brightly illuminated and the pretty decorations at the four tables made the sight a pleasing one.

As one entered the bazaar hall and turned to the left there was the apron booth with its pretty green and white decorations and with many aprons of various colors suspended in a graceful manner about the table. This table did a gratifying business during the afternoon and evening and the success is due the following ladies: Mrs. Patrick O'Brien, Miss Julia Ward, Mrs. John J. Crimmins, Mrs. Julia Saeghan, Mrs. Antonia Sansone, Mrs. Joseph O'Brien, Mrs. Harvey Faber, Mrs. Thos. Ward, Mrs. Andrew Rafferty, Mrs. Timothy Hickey, Mrs. Harry Watson and Mrs. Frank Moeller.

Quarter Table. Next in succession was the prettily decorated quarter table with its red and white colors and large Christmas bells suspended about the large booth with artistic effect. This table presented a profusion of very nice articles which were obtained by drawing an envelope from a box the envelope containing a number corresponding to a number on some article. The ladies at this table were highly successful and are as follows: Mrs. Joseph Moeller, Mrs. Patrick Finnerty, Mrs. Joseph Greaves, Mrs. Charles Dickey, Mrs. Edward Finnegan, Mrs. M. J. Burke, Mrs. Andrew Hayes, Mrs. James Brerton, Mrs. Margaret Connelly, Mrs. Joseph Walsh and Mrs. William Donavin.

Every one present during the afternoon or evening were unanimous in their praise of the work of the Angel's Sodality. This sodality is composed of young school misses who had arranged a very pretty table for the disposal of their articles. The booth was very tastily trimmed in gold and white the colors of St. Peter's high school. The large booth contained various novelties and in it a bevy of pretty girls disposed very readily the articles by raffle and other manner. The committee was composed of the following: Mary Sansone, Mary Roach, Ruth Crowley, Nellie Reddy, Anna Connelly, Clarise Gordon, Mary Brerton, Celestine Agnew and Celestine Dickey. Features of their table were the raffle of the large St. Peter's pillow, a beautiful watch, a large doll and embroidered pillow and the raffle by paddles of many boxes of candy.

Refreshment Tables. Next in order came the refreshment tables at which ice cream, cake and other good things were served to the guests during the afternoon and evening. This committee did a thriving business and was composed of the following: Mrs. John T. Crotty, Mrs. Joseph Gordon, Mrs. Henry Welsh, Mrs. John Rovane, Mrs. James Cameron, Mrs. James Stafford, Mrs. Arthur Griffin, Miss Mary Griffin and Miss Della Conannon. This committee also had a large booth decorated in purple and lavender at which all kinds of candies were for sale. Although Mrs. Sarah H. Rand, president of the Ladies Aid Society was not on any of the committees above named it was mainly through her work and planning that the affair was such a success. Mrs. Rand was in charge of the bazaar and arranged the many features which made it so universally successful. The bazaar is doubtlessly the largest one ever given by St. Peter's, although an affair of this kind is given each year. In the afternoon the children were dismissed from school and patronized the bazaar at this time in the evening the attendance was largely composed of older people and it was gratifying to the society to see the many present from other churches of the city. The money made last evening will be added to the 1908 fund of the Ladies Aid Society.
