

LOYALTY TO KEOKUK AND THINGS MADE AT HOME

KEOKUK is a city of homes. The statement is timeworn, but it is as true as it is old. When we deny the occupants of these homes the privilege of knowing what is made in Keokuk, we destroy their loyalty to our city. It is an advantage to the residents to know, and to the manufacturer to be known. With this point in view, The Daily Gate City gives below a list of the articles made in Keokuk and their makers.
