A WASHINGTON PARTY GIVEN

Colored People Gather at the Home of Mrs. W. W. Fields and Have a Most Enjoyable and Profitable Evening.

FINE PROGRAM IS GIVEN

Some of the Best Talent in the City Was Produced and the Party Proved to be a Success in Every Way.

February 22 was duly observed by the colored citizens of Keokuk. A unique and beautiful entertainment was given at the residence of Mr. W. W. Fields, No. 319 North Thirtieth street.

The parlors, hall and dining room were tastefully decorated with the national emblem of all sizes and shapes. The cherries of the famous tree, and the traditional hatchet were much in evidence and gave a distinctive feature to the decorations.

The brilliant gas jets, lovely flowers and pleasing decorations made the rooms a veritable dream of beauty.

Mrs. W. W. Fields was garbed as Martha Washington, and she elicited warm commendation for the very marked resemblance to that famous beauty.

The Misses Della Bland, Clara Lowe and Miss V. Taylor were active promoters of the entertainment. These ladies and many others were useful and active.

The program as given below was a pronounced success. Many of its numbers are deserving of special mention.

Miss Florence Searcy gave "His Majesty and the Maid," which was well received.

Miss Myrtle Frye gave a pleasing rendition of a favorite song, "Sunbeam."

Miss Garnet Tebeau interpreted in a very brilliant manner, "The Fraternity Waltz."

Fielding Johnson played a very successful violin solo. He has delicacy of touch and technique which gave notable effect.

W. W. Fields made a splendid impression with his beautiful rendering of "The Lord is My Shepherd."

Mark Johnson sang "The Honey Land," in such delightful manner as to call forth an encore, the only one of the evening.

Miss Daisy Ware was easily the star of the evening. "Spring Has Come," was a faultless artistic style. Her voice is liquid in quality and surpassingly pure and refined.

Arthur Fox in his imitable style sang "My Golden Hair is Turning Gray."

The Misses Letta Johnson and Clara Lowe gave a masterly duet, "The Autumn Days." Both of the young ladies are cultured pianists, and to Miss Lowe is due the excellence of this program.

Rev. W. A. Searcy, Rev. W. T. Green and Prof. W. N. Brent of Quincy, Ill., were special guests of the evening.

The proceeds of the entertainment were \$50.10, an amount far exceeding expectations.

RAILROADS FINED FOR REBATING

Illinois Terminal Association and the Illinois Glass Company Entered Pleas of Guilty in U. S. Court.

REOPENED THE CARS

Had a System Whereby Their Cars Were Reloading at Alton and Then Sent to the Pacific Coast.

SPRINGFIELD, Ill., Feb. 23.—The Illinois Terminal Association, operating a road between Alton and Edwardsville, and the Illinois Glass Company, owned by the same company, entered pleas of guilty to the charges of rebating and failing to post the rate schedule in the United States district court today.

Terminal Company was fined four thousand and the Glass Company fined twelve thousand dollars. It was shown the company had a system of shipping glassware to the Pacific coast by which they secured a rebate. The car was partially filled at Gas City, Indiana, billed to Alton and there opened up and several hundred pounds more glass put in and rebilled to the coast under the original Gas City weight.

McGrath Bros' Success. McGrath Bros., the enterprising druggists rather than await the ordinary methods of introduction, urged the Dr. Howard Co. to secure a quick sale for their celebrated specific for the cure of consumption and dyspepsia by offering the regular 50c bottle at half-price.

The wonderful success of this plan was a great surprise even to McGrath Bros., and today there are scores of people here in Keokuk who are using and praising the remarkable remedy.

So much talk has been caused by this offer, and so many new friends have been made for the specific that the Dr. Howard Co. have authorized druggist McGrath Bros. to continue this special half-price sale for a limited time longer.

In addition to selling a 50c bottle of Dr. Howard's specific for 25c, McGrath Bros. have so much faith in the remedy that they will refund the money to anyone whom it does not cure.

When your head aches, your stomach does not digest food easily and naturally, when there is constipation, specks before the eyes, tired feeling, giddiness, bad taste in the mouth, coated tongue, heartburn, sour stomach, roaring or ringing in the ears, melancholy and liver troubles, Dr. Howard's specific will cure you. If it does not, it will cost you a cent.

People in advancing age never feel good when their bowels do not move regularly. By regularly is meant at least once a day. At no time of life is it so important to keep the bowels thoroughly open as then. A disordered stomach or clogged intestines may mean a cold that you would not otherwise take on; it may mean the return of rheumatism; the breaking out of the skin. All these things are fostered by constipation. To keep the bowels moving nicely every day use Dr. Caldwell's Syrup Pepsin, the wonderful laxative tonic. The laxative ingredients will keep the bowels in order; the tonic properties will tone the stomach. Price 50 cents and \$1 of any druggist.

SHARP FURNISHES CONTRADICTION

Takes the Stand Again Today and Plainly Shows the Effect of Yesterday's Grilling by Garner.

BOTH SIDES CONFER

Sharp Made Many Contradictions in His Testimony But What Effect It Will Have is Problematical.

NASHVILLE, Feb. 23.—John Sharp, plainly showing the effect of yesterday's grilling, resumed the stand today when the trial of the murder of former Senator Carmack was opened. During the night the attorneys of both sides held lengthy conferences, and it was plain by Garner's attitude when the court resumed that he was anxious that sharp should further contradict himself. Just what damage has been done to the defense's case by the contradictions that Sharp made in his original story is problematical.

The usual big crowd was on hand early today, fighting for admission to the courtroom. Interest continues to increase but while covert threats were made by the partisans of both sides, it is not believed that there will be an open outbreak before the trial ends, and a verdict rendered.

The meeting last evening of the Monday music club was another interesting and entertaining one, the program including a number of patriotic numbers. One of the most pleasing numbers was the song by Mrs. Tucker with martial music accompaniment, Miss Fry playing the piano, Miss Strickler whistling and Mr. Schouten playing the snare drum.

There were numbers by a double quartette composed of Mrs. Joy, Mrs. Furlong, Miss Sampie, Miss Johnson and Messrs Buchanan, Powers, Graham and Peirce and also songs by Miss Johnson. Piano numbers were given by Miss Dandant, little Miss Whetstone and Mr. Graham. The program closed with choruses of patriotic numbers.

At the business session of the club, a report was made of the financial end of the Cottlow recital.

The Woman's Alliance of the First Unitarian church was entertained yesterday afternoon at the home of Mrs. Alfred E. Buck, at her pretty residence, No. 813 Morgan street. The regular meeting was held at the Buck residence which was prettily decorated in harmony with Washington's birthday.

The large double parlors were profusely and prettily decorated in the national emblems. In one corner of the parlor was a table draped in flags and in the center was a photo of the father of his country. The grates and other places in the rooms were hung with many designs of the American flag and the scene was a very pretty one.

A short and interesting program was given during the afternoon. Rev. Morse reading a paper and several others of the ladies giving brief talks as numbers of the program. The affair yesterday afternoon was also in the nature of a dollar social, each lady giving a dollar, toward the general fund, that she had earned, and telling how she had earned the money.

An interesting relic in possession of Rev. Rowena Morse of the Unitarian church was one of the interesting features of the afternoon. The relic, which is prized highly, is a Russian woman's costume which was given to the pastor by the daughter of a Russian governor. The costume consists of a coat and apron of red, white, blue and black. The jacket or coat is trimmed in tureen lace and the whole is very pretty.
