E. B. Sargent Writes From Glendive, Mont., About Many Matters That Will Interest Gate City Readers.

HE MEETS MR. JOE ROOT

Who is Now National Bank Examiner in the Northwest—Pained to Hear of Death of A. J. Mathias.

[Gate City Special Service.]

GLENDIVE, Mont., March 15.—Old Sol in his annual movements has once more brought the spring months back to us and there is the same longing and desire here as everywhere for the seeding time to come and that quickly.

The most of February in this country was quite mild and in fact the weather has been quite good until the last week or two. In riding over the country I can occasionally see a rancher getting ready to sow oats.

What we call a farm in Iowa they call a ranch in Montana. For this part of the country we have had an ideal winter, just cold and snow enough to make the conditions good for the coming crops.

In the mountains there has been snow enough to insure plenty of water for irrigating purposes; next summer, for if there is anything that will make a rancher's heart beat with joy it is plenty of water on his ranch and just what he wants it.

On the Yellowstone river below Glendive they have finished a 66-mile ditch that will irrigate thousands of acres. Emigrants are pouring into this town in great numbers and the hotels are full.

Irrigation is quite a science and it takes a good deal of skill to build the ditches so that the largest amount of water can be utilized.

A person not skilled in the building of these ditches would think a ditch dug any old place, so that the water would run would do, but not so with the skilled rancher, for they are run and leveled with a compass and with absolute accuracy. It seems odd to see the ditches as they run snake like around the hills and over the valleys. In looking over the Gate City I noticed a great many changes and deaths that have taken place since I have left the good old state of Iowa.

I was pained to read of the death of that good man, Mr. A. J. Mathias. Having known him for a good many years and having had a good many business deals with him I can truly say that no more honest, upright man ever lived than he. The Keokuk Savings Bank, the whole city of Keokuk and in fact the whole surrounding country will miss him for his place will be hard to fill.

I occasionally meet people who formerly lived in Keokuk or in the vicinity of Keokuk. One day I was going from Glendive to Mandan, N. D., and was riding in the smoking compartment of a Pullman and I was greatly pleased to meet Mr. Joe Root formerly of Keokuk. Mr. Root is now National Bank Examiner, with headquarters at St. Paul, Minn. He had been out to Three Forks, Mont., to help start a national bank. We had a very pleasant visit for two or three

HANDICAPPED.

This is the Case With Many Keokuk People.

Too many Keokuk citizens are handicapped with a bad back. The increasing pain causes constant misery making work a burden and stooping lifting an impossibility. The back aches at night, preventing refreshing rest and in the morning is stiff and lame. Plasters and liniments may give relief, but cannot reach the cause. To eliminate the pains and aches you must cure the kidneys.

Doan's Kidney Pills cure sick kidneys and cure them permanently. Can you doubt Keokuk evidence.

Louis G. Kraft, 419 Times street, Keokuk Iowa, says: "I can confirm the statement my wife gave two years ago recommending Doan's Kidney Pills in my behalf I had considerable trouble from my kidneys, the secretions passing too frequently, I also suffered from severe headaches and pains across my loins, and was unable to get relief until I procured Doan's Kidney Pills from Wilkinson & Co's drug store. After using two boxes, the kidney weakness was corrected and my kidneys gave me no further trouble. I have had no need of a kidney remedy since and can therefore recommend Doan's Kidney Pills to anyone afflicted with kidney complaint."

RHEUMATISM CAN BE CURED

MUNYON'S RHEUMATISM REMEDY

Believes pains in the legs, arms, back, neck or swollen joints in a few hours and cures in a few days. Contains no morphine, opium, cocaine or drugs to deaden the pain. It neutralizes the acid and drives out all rheumatic poison from the system.

HERE IS PROOF: These people have testified for MUNYON'S remedy because they have been cured. They feel grateful. They want every sufferer to know the truth about this remedy.

Take MR. J. BROWN, who lives at 1222 Belmont Avenue, Philadelphia. He cannot say too much in praise of MUNYON'S Rheumatism Cure. Mr. Brown tried a number of doctors and a number of different advertised remedies without benefit. My Rheumatism Cure gave him almost immediate relief and speedily restored him to perfect health.

Take MR. ROBERT MORRIS, who lives at 826 Locust Street, Philadelphia. He says: "There is no joke about your Rheumatism Cure. I am grateful for what you have done for me. You have restored me to health. You are at liberty to publish my name or refer anyone to me."

JOHN P. SHERIDAN, who lives at 1530 Vine Street, Philadelphia, says he will be glad to see anyone. MUNYON'S Rheumatism Cure has done what the best Doctors and other medicines could not do.

Send for a copy of MUNYON'S 1909 Almanac Magazine, free on request. Try this remedy to-day and if you are not satisfied with results your money will be refunded. Price, 25c.—MUNYON, Philadelphia.

right hand still, when he lands, but the sting seems to have left the other one. He used to have a corking left hook that would send an opponent's head back with a jerk but that member was well-high unless the other night. He tires rapidly and a little dragging about makes him breathe hard and gasp like a fish out of water. His great fault against White was inability to judge distance. In the old days he could pick a fly off your chin with either hand and seldom miss. In the third round White, he tried with his right for the chin four times during the first minute and all went wide of the mark. During the ten rounds he must have missed close to a hundred times. Like the old-time ball-player, it may be that his eyes are no longer true. No more is he the master of distance than he was.

Same Charge Fake.

Some of the extremists who witnessed the bout said it was a fake, but this isn't likely. The opinion of the better judges was that both Gans and White had seen their best days. Gans looked emaciated and drawn down before the first bell rang. White at best was a real champion. Both at their best, the Englishman would have been easy picking. It was a worn out champion against a boxer of mediocre ability with the result that the former won in a slow, tiresome bout. It is doubtful if either Gans or White ever will receive another chance in New York. It was the curfew for the old bagpiper. The recent contest goes a long way toward verifying the opinion advanced by some, several months ago, that Gans made his last spurt at Goldfield. That groeling battle sapped what vitality there was left. Against a rugged boy today, he would have a world of trouble. If he is wise, he will retire. There was a yell made that White was down more than ten seconds; also that one of the rounds was shortened 25 seconds. There were not three time-keepers in the box. There should have been. As has been pointed out, three watches are better than one. The Club managers should make it compulsory. It is the only fair way. That fact is pretty well established now.

REPUBLICAN CITY CONVENTION.

The Republicans of the city of Keokuk, Iowa, will meet in delegate convention at the superior court room on Thursday, March 25, 1909, at 7:30 o'clock p. m., to nominate a candidate for mayor and for city marshal, and to transact such other business as may properly come before the convention.

For the purpose of selecting delegates and alternates to the city convention and for nominating candidates for aldermen, the republicans will meet in accordance with the call for primaries to be issued by the ward committees for the respective wards. The several wards of the city are entitled, on the basis adopted, to the following delegates:

- First ward ..... 8
Second ward ..... 10
Third ward ..... 12
Fourth ward ..... 8
Fifth ward ..... 12
Sixth ward ..... 18

Total ..... 68

The representative of the city convention is based on the republican vote cast for W. E. Strimback for mayor at the city election held on the first Monday in April, 1907, each ward being allowed one delegate for every twenty-five (25) votes; or major there-of cast at the election for the republican candidate for mayor.

FRANK L. GRIFFEY, Chairman City Central Committee.

GANS HAS SEEN HIS BEST DAYS

"Old Maester" is no Longer Fit to Go the Furious Pace of the Game and Should Retire.

It looks as though the "Old Maester" were all in. The showing Gans made against Jess White could truthfully be termed, sad. He didn't have that snap and dash so noticeable when he was in his prime and he can thank his lucky stars it was White he was pitted against that night. Had it been any one of a dozen lightweights who may be named the ex-champion would surely have lost by the lagoonious sleep route. He can punch with his

"Just a month ago I was induced to try D. D. Prescription. The itch was relieved instantly, so I continued. I just a month ago and I am completely cured. I have not a particle of itch and the scales have dropped off."

"I can only say again CURE DISCOVERED. I am now starting all eczema sufferers on the right track."
