

NEED THE MONEY FOR BASEBALL

Baseball Men Will Canvass the Entire City Tomorrow For Funds to Run Game in Keokuk This Summer.

EARLY IN THE MORNING

Committees Will be Out Bright and Early and Entire City Will be Thoroughly Searched For Funds.

NEED THE MONEY

The Keokuk baseball directors, members of the "Rooters" club and other patriotic fans will spend just one day in a rousing campaign for money to conduct the great American game through its career in Keokuk during the coming season.

That day is Wednesday (tomorrow) and the work will start early in the morning. The entire city has been districted and there is not a single firm in the entire city, within the city limits, that will not feel the visit of these baseball men.

One thing is certain, and that is baseball cannot be conducted in Keokuk in 1909 with no expense. Money is necessary to run a baseball team and if the fans want a winner, they should donate, and donate liberally.

Somewhere in the neighborhood of between \$2,000 and \$3,000 are needed to carry the team through the coming season and then the expenses will not be as high as last year. But even at that firms should give more liberally than last year about this time for nothing will be left undone to give the city a winning team.

WHY HE DOES IT.

"It isn't often that we have faith enough in the medicines put up by other people to be willing to offer to refund the money if it does not cure," said a druggist McGraw Bros., to one of their many customers, "but we are glad to sell Dr. Howard's specific for the cure of constipation and dyspepsia on that plan.

"The Dr. Howard Co., in order to get a quick introductory sale authorized us to sell the regular fifty cent bottle of their specific for half-price, 25 cents, and although we have sold a lot of it, and guaranteed every package, not one has been brought back as unsatisfactory.

"We are still selling the specific at half-price, although we cannot tell how long we shall be able to do so. Any person who is subject to constipation, sick headache, dizziness, liver trouble, indigestion or a general played out condition, ought to take advantage of this opportunity. If the specific does not cure them, they can come right back to our store, and we will cheerfully refund their money."

REVIVALS STILL IN PROGRESS

Large Audiences Still Continue to be Present at Both the Baptist and the Christian Churches.

SONG SERVICE IS FINE

Evangelist Yule and Ed. Laubersheimer Make a Fine Evangelizing Team as do Lilly and McVay.

There was a large audience present last night at the Christian church revival. Before the preaching service several persons were immersed. Fifteen persons have thus far accepted Christ as their Saviour during the meetings and many more are expected to do so.

Last night when the gospel invitation was given two men responded.

While preparations were being made for the baptismal services Mr. McVay sang a beautiful solo, "The Home that Used to Be." Tonight his solo, "Tell Mother I'll be There," will be illustrated with 17 beautiful views.

Evangelist Lilly's sermon throughout the meetings have been very helpful to christians and to the unbeliever as well. He knows the gospel and preaches it in full. He is fearless and does not preach to please people, but to please God.

The evangelist said in part last night: "What is it to lose the soul?" To lose knowledge of God, likeness to God, communion with God, the best in this life, and all the joy of the life to come.

The world does not satisfy, never has. It can't satisfy the soul with material things. All the money you can get honestly, you can get and be a christian. So with the real pleasures of this life. Give up only that which is sinful.

Suppose you could get the world for your soul, you would be a loser. These things are short-lived. The world passeth away. He that doeth the will of God abideth forever. This life is short. We must soon leave it. Then whose shall these earthly possessions be?

Song service tonight at 7:30. Everybody welcome.

The Baptists.

The revival meetings at the First Baptist church will continue all through the week. Evangelist Yule and Mr. Ed. Laubersheimer make a great team. One sings the gospel, the other preaches the gospel. Crowds come to hear the old gospel forcefully and earnestly spoken by the speaker. Souls are deciding for the kingdom of righteousness. Many are under deep conviction.

This week will be a grand week. Let us lay aside everything and be in earnest for the king's business.

Rev. Yule's sermon on Sowing and Reaping was a heart searching discourse, and clearly showed by facts from all sources that we reap what we sow, and we are painting a life picture upon the canvass of the soul.

You will want to hear the Rev. Yule tonight on Warnings. You will enjoy the service. Come and we will do you good.

WILLIE WHITLA, KIDNAPPED BOY, RETURNED TO HIS FATHER LAST NIGHT.

[At Cleveland, Ohio, last night, the heart of the father of Willie Whitla, was made happy by the return of his son by the kidnapers. The kidnapers arranged the delivery and it is believed the father paid the \$10,000 ransom.]

LOUIS SYBERKROP THE FRESCOER

Has Several Contracts in This City For Artistic Work in Public and Private Buildings.

Louis Seyberkrop, the Creston artist and decorator arrived in the city this morning from that place on business, having come to the city to look after several contracts for frescoing which he has in this city and for which art he is well known among those who have secured the services of him and his two sons.

Mr. Seyberkrop has a contract for the frescoing of the new Dr. F. B. Dorsey office at Seventh and Blondeau streets, the new school house and will probably be let the contract for the frescoing of the new Methodist Protestant church which is now being built at Twelfth and Exchange streets. Captain A. C. Decker will probably secure his services for frescoing the interior of his new home.

During his career, Louis Seyberkrop has been the decorator of over three hundred churches, the last church being worked on in this city being the pretty new Baptist church at Eighth and Blondeau street. The Westminster Presbyterian church frescoing last fall was also the work of the Seyberkrop's and is pronounced very beautiful by those who have seen it.

Several other cities have secured these frescoers for the next few weeks and it will probably be a month before they will come to Keokuk to take up their work on the several jobs to be done here.
