

NO BASEBALL FOR "DOC" YANT

Burlington Dentist Will Remain in His Office Gathering in the Coin Instead of Entertaining the Fans.

OTHER BASE BALL NOTES

News of Interest Gathered Around the Central Association Circuit Which is of Interest to Fans.

Dr. Roscoe Yant, D. D. S., former outfielder for the Keokuk team, and last year doing field duty for Burlington, is at present time the Fielder Jones of the Central Association. It is not a question of salary with the doctor. Like Fielder Jones he has the interest of the base ball team at heart but finds that he can accumulate a little more of the ready cash which is waiting for him in Burlington, by remaining in his office in putting a bunch of gold in some one's tooth. In speaking of the situation the Gazette has the following:

All Manager Egan's overtures to Dr. Roscoe Yant, D. D. S., and former left field guardian to resume his uniform and do out skirt duty in left field for the coming season have been gently and diplomatically repulsed. It is not a question of salary with Dr. Yant. Like Fielder Jones he has the interest of the base ball team at heart all the time but he finds that he has another mission in this world that will incidentally put more trimmings on his bank account than spoiling two-base hits in the outfield. Dr. Yant last fall opened a studio for the treatment of ailing teeth in this city and he has piled up a practice that looks like a Sunday crowd at a Waterloo game. For this season he will not play ball this year. And on the long summer afternoons when he is industriously investigating the innermost secrets of some bicuspid with a buzzing burr, feeling-desires to get back in the game will come to him and he will set them aside.

Louis Cook, the Quincy manager, has returned from Champaign where he was taking preliminary workouts. The weather conditions were not entirely favorable for his plans.

Herbert Donovan has arrived in Burlington to remain and begin spring training next week. Mrs. Donovan accompanied him to the city.

Three new managers will be in the Central Association this year. They are Conners with Kewanee, Shannon with Ottumwa and Hough with Hannibal.

Ronan, Boyde and Cosgrove of Burlington are holding out for more money.

The Oskaloosa Herald predicts that next summer Waterloo and Ottumwa will be members of the old Iowa league if they are going to have baseball at all. Oskaloosa has several good fans—unfortunately not enough of them to support a team in the Central association, and they are working hard to break into league ball again. If the Central association should drop Waterloo and Ottumwa, something that remains to be seen, it would be possible for them to reorganize the old Iowa

Ten Doctors Said He Would Die

"In 1903 we wrote you regarding my husband, who was suffering from heart trouble. He was superannuated by the North Georgian Conference. Ten doctors at different times said he would die. You advised Dr. Miles' Heart Remedy and Restorative Nervine; we did as advised, and improvement was apparent from the very first. He recovered and the Conference in 1904 gave him a charge. He never felt better, although he has very heavy work and does a great deal of camp meeting work. I am so glad we took your advice and gave him the medicine, and feel that I ought to let you know of the wonderful good results from its use."

MRS. T. S. EDWARDS, Milner, Ga. This proves what Dr. Miles' Heart Remedy will do. Get a bottle from your druggist and take it according to directions. It does not matter whether your heart is merely weak, or you have organic trouble, if it does not benefit you take the empty bottle to your druggist and get your money back.

The Harmony of the Home

Does Not Mingle With or Emanate From the Table of Dyspepsia.

In the home, meal time should awaken in all the inhabitants a peculiar harmony of joy which will make for the home the abiding place of interest and happiness.

If one member at the dinner table is out of sorts, his influence is felt and the harmony is lacking. Conversation and mirth are absent. Devoicing thoughts assail the diners and silence prevails.

"At the Dyspeptic Table Ominous, Quiet and Gloom Crowds Out Mirth."

All physicians agree that mirth and joy at meal time does much toward digestion. Mirth tingles the whole nervous organism of man, the cells wherein are stored valuable digestive juices, empty their contents under the nerve stimulation and promote the highest degree of digestion.

If gloom and discomfort prevail at table the reverse action obtains and meals become necessities, not anticipated joys.

Stuart's Dyspepsia Tablets are little storehouses of digestion which mix with the stomach juices, digest food, retingle the mucous membrane and its nerve centers, give to the blood a great wealth of digestive fluids, promote digestion and stays by the stomach until all its duties are complete.

If dyspepsia sits at tables it makes the dining room a place of awe; these tablets should be taken after meals and dyspepsia of a consequence flees.

No need for diet or fasting. The dyspeptic who will use them religiously will find no sense of nausea in the slight of generous meals or in the odor of rich cooking.

It matters not what the condition of the stomach Stuart's Dyspepsia Tablets only improve the juices and bring quiet to the whole digestive canal, of which the stomach is the center.

Forty thousand physicians use these tablets in their practice and every druggist sells them. Price 50c. Send us your name and address and we will send you a trial package by mail free. Address F. A. Stuart, Co., 150 Stuart Bldg., Marshall, Mich.

Boyle held his place in the league last fall and it is doubtful whether the others have nerve enough to vote him out when he threatens to take the matter into court.

If aviodups and height make twirlers then Quincy has Leo peer of them all. Here is the measurements given by the Whig on the new twirler secured: A twirler standing 6 feet 3 inches before breakfast and weighing about 210 pounds is Mark Hilliker, the new pitcher from Matamor, Mich., who will try out with Quincy next month when the training season begins. Hilliker reported for duty yesterday morning and is ready to go to work. He has never played any professional baseball before, but has done good work in the "brush." If he proves to be as good as he is big he will make good on the team. Following his greeting to his new recruit, Manager Hofer said to the stalwart athlete: "If you make good you are all right; if you don't you are in the right church but the wrong pew."

Maurice Kent, who will play for a few months with Waterloo next season has accepted a position of coach on the Carlton college football team of Northfield, Minn. Kent will begin his work in September.

FOUR CONVENTIONS FOR BURLINGTON

T. P. A., Woodmen of the World, Trap Shooters and Launch Men Will meet There.

Burlington Hawk-Eye: Burlington will entertain thousands of visitors in the next one hundred days, with four large gatherings scheduled to take place here. The first will be that of the state convention of the Travelers' Protective association, which meets on April 24. Several hundred salesmen will be here and the members of the nearby organizations will be accompanied in many instances by their families. While the meeting will last but one day, there will be something doing every minute and Post G of this city, will see that there is plenty of entertainment for their guests.

Early in May the state convention of the A. O. U. W. is due to take place with at least five hundred delegates in attendance and a large number of visitors.

Beginning May 18, and lasting through three days the annual trap shooting tournament of the Iowa Sportsmen's association will be pulled off in Burlington. Two hundred of the leading shooters of the country will participate, and in addition a big array of followers of the sport will flock here.

Then will occur a lull in the way of entertaining visitors until July 5 and 6, when the great regatta of the Mississippi Valley Power Boat association will take place. It is difficult to estimate the size of the crowd that will be

How to Cure Constipation Without Pills Or Medicines

For The Benefit Of Our Readers, We Are Pleased To Publish Prof. Midgley's Wonderful, Clean, Straight Talk On The Folly Of Using Drugs To Cure Constipation.

For the benefit of our readers we publish a timely and interesting talk by Prof. T. H. Midgley on a point which is most vital to every man, woman and child in this country—the way to stop the spreading danger of chronic constipation. All he says is true, and evidences of it are so many and varied, as seen in hundreds of letters from those who have done as he advocates that we think it a public benefit to make them known. We recommend Prof. Midgley most earnestly to our readers.

Most Diseases Caused by Constipation. Sewage For The Brain.

"It goes to the brain naturally, and to every part of the body, every organ being fed on this polluted blood or sewage. It goes to your face in the form of pimples, pox and breaks out on the skin; it goes to your head and gives you headache and dizziness, it goes to your brain and makes you drowsy, it weakens the stomach and causes dyspepsia and bad breath, it goes to the liver and causes biliousness, it goes to the kidneys and eventually gives rise to Bright's Disease. It goes to the heart and makes it thump, it goes to the eyes and robs them of their lustre, it makes your nerves flaggy and weak and out-of-sorts, and this is the advance agent of all kinds of diseases, which you couldn't get at all if there was pure, rich, red blood flowing in your veins and your whole body was in prime condition.

24-Hour "Habit" All Important.

"Although it is one of the simplest things in the world to cure even the worst case of chronic constipation, yet nearly every other man and woman who meet is positively so stopped up as to be hardly able to think clearly. To get the habit every 24 hours regularly, works wonders. By the habit I don't mean the cathartic habit, but I mean that natural, easy move that every one ought to have without being obliged to make a rush for the pill box every night.

Must Quit Pill Habit.

"You young and middle aged men and women who eat and drink everything you like, and you old men and women who are addicted to pill eating to keep your overdue bowels going, you don't realize that there would not be one-hundredth part of the disease on earth today if your bowels were absolutely regular.

"You can shake your fist at almost any old disease knave, if you've got the bowels that do business every 24 hours. This is plain talk, but any doctor will tell you the same thing, only he may be more particular in his language and it won't make the impression on your mind.

Cathartics Can't Cure Constipation.

"It is true that cathartics sluce out the bowels clean, but they also sluce out the bowel moving juice of secretion which Nature has put in every good bowel to make it work easy and right. When this natural lubricating fluid is cleaned out, your bowels become mere dead hulks, and you get a bad case of constipation, and pills are swallowed to do the moving. This goes on, ever and over again, and this is why so many are constipated.

How You Can Stop Constipation Forever.

"If you will do as I say you can get rid of your constipation right now and forget all about it ever after.

"Forget forever that there are any pills, powders, or potions for moving the bowels. They will move themselves if you will just give them a start the "Midgley Way." You will never realize how gratifying it is to have regular bowels and how fine it feels to really live, until you have tried it.

"My Rational Method includes a remarkable system of bowel exercises for which I send careful directions, with engraved cuts, to show just how the exercises should be taken. These exercises are so easy that they are used without difficulty by delicate women and very elderly people, yet they are so scientific

drawn here for the big event, but it is safe to predict that all records will be broken in Burlington. At least 500 motor boat enthusiasts will be on hand from points on the Mississippi and Illinois rivers, and several thousand persons will come to Burlington to witness the two days' racing on the river.

SUGAR CREEK, MO.

SUGAR CREEK, March 30.—Mr. and Mrs. Chas. Owen of Kahoka spent Saturday and Sunday with relatives in this vicinity.

Mrs. Chas. McKinney and son Clarence went to Argyle, Iowa, Tuesday.

E. H. Stewart and family spent Sunday in Kahoka.

Mr. and Mrs. Geo. Hayward were Sunday guests of Mr. and Mrs. Fred Zimmert.

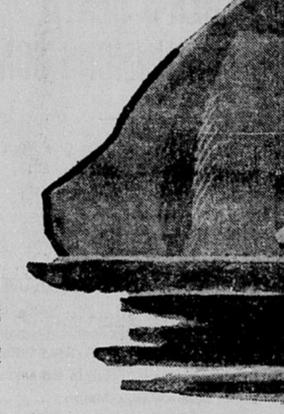

Miss Una Everman is spending a few days with her cousin, Elva McKinney.

Aaron Fish and family and Emmitt Sanders were Sunday guests of Isaac Edna Shallenberger visited Mattie Duer, Sunday.

Mr. and Mrs. Sam'l Moore visited

as to stimulate the relaxed bowel muscles and reduce them to normal activity in a remarkably short period. No restrictions are placed upon the diet, though I do insist on the use for a time of a certain concentrated Fruit Food called "Pomolo," which I have discovered to be possessed of a marvelous tonic and strengthening effect on the entire digestive system.

"Jackson, Old Boy, You're Looking Fine." Mr. F. G. Jackson, Mining Engineer of the American Flag Quartz mine at Comptonville, Calif., says: "Prof. T. H. Midgley, Dear Sir: I took your advice. I have gained 19 pounds in weight and

"You Simply Can't Cure Constipation With Pills, Powders or Potions. Force is Folly. I Tell You How to Cure Yourself Permanently at Home by the 'Midgley Way' Without Medicines."

My friends remark as I meet them, "Jackson, old boy, you're looking fine." I tried almost every kind of patent medicine for ten years to no good. Your advice has proved marvelous. I was almost a skeleton but now I feel as young and hearty as I did 20 years ago. I thank God and Prof. T. H. Midgley."

Had Tried Every Kind of Medicine.

"I am willing to tell any one, who will take the trouble to ask me. Just exactly how to use this simple method, and how to be cured right at home, so that it will no longer be necessary to dose with any kind of harmful drugs and acids. I have published a book which contains this Midgley Method in detail; and as it would be impossible to tell you in this brief space what it contains, I will send this book to any man or woman who is interested enough in a cure to send me a few postage stamps so as to pay the bare cost of sending it."

For the benefit of our readers we have taken the trouble to pick out at random a few of these letters and publish them. For instance, Mr. F. G. Jackson, who had almost become a mere skeleton and had suffered for 10 years, cured himself in a few days by the "Midgley Way."

Chas. Fryor and wife of Kahoka Sunday.

Homer Callison and family visited with John Callison's Saturday.

Quite a number attended Miss Ola Pollock's birthday party Friday evening.

Fritz and Louis Zimmert were Wayland visitors Sunday.

FORMER IOWAN LOSES PLACE

Jenkins, One-Time Columbus Junction Man, Falls to Land Indian Commissioner Plum.

WASHINGTON, D. C., March 31.—J. Edward Jenkins of Oklahoma City, formerly editor of the Columbus Junction Safeguard, is here, a candidate for commissioner of Indian affairs, but President Taft persuaded Commissioner Leupp to continue in that office. Mr. Jenkins formerly lived at Estherville and was general inspector of the Indian service for several years.

Loren B. Burnham, of Burlington, who has been appointed special agent for the immigration commission of congress, left for Pennsylvania to begin the investigation of the condition of immigrants there.

How can any one risk taking some unknown cough remedy when Foley's Honey and Tar cests them no more? It is a safe remedy, contains no harmful drugs, and cures the most obstinate coughs and colds. Why experiment with your health? Resist upon having the genuine Foley's Honey and Tar. Wilkinson & Co., J. F. Kiedalsen & Co.

The Opportunity of a Lifetime.

This method offers the greatest opportunity to be cured of chronic constipation that you have ever had to come to your notice.

You would be amazed to see the array of letters that are received daily by this benefactor of mankind. These letters are

"You Simply Can't Cure Constipation With Pills, Powders or Potions. Force is Folly. I Tell You How to Cure Yourself Permanently at Home by the 'Midgley Way' Without Medicines."

constipation for ten years. I tried every cathartic on the market in vain. Doctors could do nothing and death seemed near. By following your advice I cured myself permanently in just one month."

Cathartics That Increase Constipation.

"Aloes, calomel, croton oil, cascara, sarradna, jalap, gamboge, blue mass, colocynth, asafetida, senna, opium salts, laxative mineral waters, podophylin, castor oil, nux vomica, hyssyamus, belladonna and other acids and drugs which only physicians know about, causes reaction in the bowels and increases chronic constipation instead of curing it.

"It is not necessary to depend on any one of these awful drugs; and just as sure as you do, you will help to paralyze your bowels. You can have them move every day regularly without taking any of these paralyzers, if you will only follow out my idea, which has already proved successful in hundreds of cases I have cured."

Doctors Admit "Drug Sin."

The Chief Clerk of the Pennsylvania Railroad Company, located at New Brunswick, N. J., says: "I have suffered from chronic constipation for the past six years, taking most all of the pills and potions ever heard of. At one time I became so bad I decided to give up my position with the railroad, as I felt my days were numbered.

"One physician told me that he, as well as others, were powerless to cure constipation with drugs, saying that the purgatives inflame the bowels and eventually paralyze them. I followed your advice, have not spent a penny for drugs of any sort and I am cured."

Look Out For Your Nerves.

There is hardly anything which restores the nerves as quickly and surely as regular bowels. Most people who have weak nerves and are run down, are chronically constipated. It is surprising in how short a time a man or woman can build up a strong body by being absolutely regular and taking Prof. Midgley's treatment.

Our readers can be positively certain of results if they will but send for Prof. Midgley's book and follow his advice. It is known all over the world as the "Constipation Wizard." His method is all so wonderful, and so simple that it has been said by a great many to be the best positive pleasure to adopt the "Midgley Way" of getting cured RIGHT AT HOME. His advice to you will save you hundreds of dollars and you will have saved years of misery, bad health and danger of disease.

How to Get the Advice.

All you have to do is to cut out the coupon, fill in your name and address on the blank lines, and send it to Prof. T. H. Midgley, 2229 Midgley Block, Kalamazoo, Mich. He will by return mail send you his 60 page illustrated book, explaining how you can be cured of chronic constipation RIGHT AT HOME, the "Midgley Way," without medicine. He will also send you by letter his expert advice upon any point relating to constipation on which you may ask information. Mail the coupon today.

Was Near Death.

Thos. Needham, 128 S. 4th Ave., Chicago, says: "I suffered from chronic

Woman's Beauty

Some women retain their beauty to an advanced age. But women, who regularly endure pain, age rapidly, for suffering leaves its lasting marks on them. Nearly all women suffer more or less with some form of female trouble. It should not be neglected. Avoid the pain—treat yourself at home by taking Cardui, as thousands of other women have done. Begin at once and give Cardui a fair trial.

TAKE CARDUI

It Will Help You

Mrs. Katie Burlison, Goreville, Ill., tried Cardui and writes: "I suffered with female troubles, and was so sick I could not stand on my feet. Finally I began to take Cardui, and soon began to mend. Now I am able to do all my housework and am in much better health than I was before." Try it.
