

# CROWNED HEADS ARE IN PERIL

Alderman Brown's Right to Sit in the Council is to be Tested in the District Court Soon.

## HE LIVES NOW IN FIRST

He Removed From the Sixth Ward After Being Elected There and is Still Serving as Alderman.

Unhappy lies the head that wears a crown. Acting Mayor Off is not the only city official whose office is in dispute and against whom action has been taken to unseat him.

Alderman Brown may be unhorsed also from his chair, for a petition has been filed against his holding office as alderman for the sixth ward when he resides in another ward.

City Engineer Robertson is also under fire, with a petition in the council protesting against the city employing him.

Outside of that, everything seems to be serene. Whether Alderman Brown is entitled to his seat in the council as alderman from the sixth ward after removing to the first ward, is a question which has been discussed by the people many times but no one seemed to care enough about it to test the matter and it was expected that Brown would resign just before the last election.

The legality of his holding office is now to be tested for a petition was filed this morning in the district court, against him and the city of Keokuk by W. B. Collins who asks permission of the court to test the question.

The petition is as follows: Plaintiff avers that he is a resident taxpayer and that defendant is unlawfully acting as alderman from the sixth ward and his vote may affect a contract of the city in such a manner as to make the city liable to a contractor for work or other things to the damage of all taxpayers and this plaintiff.

Defendant was elected on April 6, 1908, as alderman from the sixth ward and qualified for the office, at that time being a resident of the ward. On about July 1, 1908, he removed into the first ward, voted in that ward and is now a resident of the first ward and not a resident of the sixth ward. He sits and acts as alderman and has not been elected or qualified as alderman from the first ward, Annable and DeYong being the duly elected and qualified aldermen from that ward and defendant assume to represent the sixth ward.

Plaintiff states that demand was made on Theodore A. Craig, county attorney, and he refused to bring this suit. Wherefore plaintiff prays the court for permission to bring this suit to test the right of said W. Frank Brown to hold the office of alderman of the sixth ward and to act as alderman.

That's all just now. There are but twelve members of the council at present, the fourth ward being shy an alderman and only one sixth of the council is under protest at the present time.

The contest for mayor is to come up before the council on May 4th. The announcement of the special election to be held in the fourth ward to elect an alderman, is expected to be made soon by Acting Mayor Off.

TPE SABER OF GEN. A. G. McQUEEN A Civil War Relic Has Been Returned to Son of Army Officer.

Along toward the close of the civil war after the First Iowa Cavalry was mustered out, the late General A. G. McQueen of this city gave his sword to a lodge of colored Masons, which had just been organized.

His son, D. A. McQueen, now a resident of Harvey, Ill., wrote Major D. B. F. Mill asking him to look up the sword or rather cavalry saber and see if he could gain possession of it as he highly prized it on account of its being his father's. After diligent search it was found in Union lodge

# ABSOLUTE CURE OF SKIN ERUPTION

Broke Out on Hips and Legs—Was So Sore, Irritating and Painful That Little Sufferer Could Not Sleep—Scraped Constantly and Kept Growing Worse.

## CUTICURA'S EFFECT QUICK AND PERMANENT

"When about two and a half years old my daughter broke out on her hips and the upper parts of her legs with a very irritating and painful eruption. It began in October; the first I noticed was a little red surface and a constant desire on her part to scratch her limbs. She could not sleep and the eruptions got sore, and yellow water came out of them. I had two doctors treat her, but she grew worse under their treatment. Then I bought the Cuticura Soap, Cuticura Ointment and Cuticura Resolvent, and only used them two weeks when she was entirely well. This was in February. She has never had another rough place on her skin, and she is now four years old. I used only half the bottle of Cuticura Resolvent and less than a box of Cuticura Ointment. Mrs. R. R. Whitaker, Winchester, Tenn., Sept. 22, 1908."

Throng of Buyers Continue. The people of Keokuk and vicinity appreciate the great advantage McGrath Bros. obtained for them, in getting the Dr. Howard Co. to allow the regular 50 cent size of Dr. Howard's specific, for the cure of constipation and dyspepsia, to be sold at half price, 25 cents, and have bought hundreds of bottles.

Every bottle of the specific sold by McGrath Bros. has had their personal guarantee to refund the money if it was not satisfactory, but none has come back showing the wonderful curative power of this remedy.

Unlike ordinary medicines for constipation and dyspepsia, the dose of Dr. Howard's specific is reduced after a few days' use, and the cure is soon complete and lasting.

If you have not already taken advantage of this chance to get a month's medical treatment for 25 cents, do so today.

## GOLD MEDAL FLOUR RELAY RACE PLANNED FOR "Y" ATHLETES

Associations of Ft. Madison, Burlington, Mt. Pleasant and Keokuk to Take Part.

Keokuk athletes will have an opportunity of displaying their ability at the mile distance in a coming relay race between Ft. Madison, Burlington, Mt. Pleasant and Keokuk, if present plans are carried out. The Burlington Gazette speaks of the race as follows:

A relay race between Keokuk and Mt. Pleasant by way of Burlington is being planned by the physical directors of the Y. M. C. A.'s of the four cities, Keokuk, Ft. Madison, Burlington and Mt. Pleasant. This was spoken of last fall, but arrangements were not made at that time. This spring Physical Director Perrine of Mt. Pleasant has taken hold of the matter and will push it.

The race would be similar to the one run between New York and Chicago some time ago. The distance will be about eighty miles and at least eighty athletes will take part in the race. All four cities have indicated their willingness to participate.

Each man will be expected to run a mile. They will be stationed along the proposed route and as fast as the flag is delivered to each man from the man ahead, he will dash forward, making his mile in as short a time as possible. The men will be taken to their places in automobiles and picked up in the same manner following the race.

This is something new in Y. M. C. A. athletics in Iowa and it will serve to renew interest in track work. The local association has many good men and Burlington will show up well in the returns.

## HUMANE SOCIETY HELD MEETING

The Constitution Was Read and Accepted and Other Business of the Society Was Discussed.

## INCREASE MEMBERSHIP

A Number of New Members Have Been Taken in and the Society Has a Good Financial Start.

Last evening in the Commercial rooms about twenty-five interested members of the Keokuk Humane Society met and discussed business of the organization.

The meeting was called to order at eight o'clock by President Burton Wilkinson, following which the minutes of the last meeting of the society were read by Miss Olive Sutton, secretary. C. F. McFarland read the by-laws drawn up and approved by the members of the society last evening and which were accepted as the laws by which the society will abide.

Mr. McFarland had previously written to humane societies in cities where such organizations had already been formed for a set of by-laws now in force by those societies and received several constitutions. One from Quincy was read last evening, and with a few minor changes and the word Keokuk inserted in place of Quincy, the by-laws were accepted.

The papers read by Mr. McFarland stated the name and purpose of the society, the officers and employees and other general rules by which the Keokuk Humane Society will be governed.

To become a member of the humane society, one must first sign the constitution following which the sum of not less than a dollar must be paid to the treasurer. Cards for new members were distributed among those present last evening and a number of new members were taken into the society last evening.

The corporation papers being the same in almost every detail as the by-laws read by Mr. McFarland, this part of the evening's business was omitted. The Quincy constitution was the one accepted by the members last evening.

Treasurer E. R. Cochrane being absent last evening, his report of the society's funds was read by the secretary. The society now has after paying all bills, including printing, stamps, and tax for posting signs, \$119.15 in the bank.

Doing Good. Every member of this newly formed society is enthusiastic over the good work that is being done and it is the hope of the society to increase its membership to two hundred fifty or three hundred within the next ninety days.

During the spring everyone should be benefited by taking Foley's Kidney Remedy. It furnishes a needed tonic to the kidneys after the extra strain of the winter, and it purifies the blood by stimulating the kidneys, and causing them to eliminate the impurities from it. Foley's Kidney Remedy imparts new life and vigor. Pleasant to take. Wilkinson & Co.

Object to Strong Medicine. Many people object to taking the strong medicines usually prescribed by physicians for rheumatism. There is no need of internal treatment in any case of muscular or chronic rheumatism, and more than nine out of every ten cases of the disease free of any or the other of these varieties.
