Results Yesterday. Keokuk, 0; Ottumwa, 1 (10 innings). Kewanee, 4; Hannibal, 3 (10 innings). Quincy, 1; Waterloo, 2 (10 innings). Rain at Burlington; no game.

Today and Tomorrow. Keokuk at Waterloo. Hannibal at Burlington. Quincy at Ottumwa. Jacksonville at Kewanee. Next game at Keokuk, May 16.

The three leading teams in the Central Association lost yesterday in games that went for extra rounds. Keokuk took the count at the hands of Ottumwa by a score of 1 to 0 in ten innings. Hannibal was sent to cover by Kewanee in ten sessions by a score of 4 to 3 and took the Waterloo Champions ten rounds to dispose of Quincy. While Keokuk took a slight slump in the percentage column the other teams did likewise and the Indians are perched on top of percentage column. This is the first time Keokuk has ever been in the lead for more than one day since the organization of the Iowa league or the Central Association.

There is joy in the Packers' camp. Hughie Shannon and his band of easterners were able to slip one over on the Indians yesterday, but it was Hickman who did most of the slipping. He let Keokuk down with two safe ones and although Ottumwa tried to assist him by making three errors, they did not come at the right time, and Belt's men were evidently up against it. Bramble pitched his second four-hit game of the season and it certainly tough luck that he was not able to get away with the winners end of the game. He went well and had the home team at his mercy. Even at that it took Ottumwa the extra session to end hostilities.

A base on balls was responsible for Keokuk's defeat. After proving invincible during the fine innings of play Bramble issued free transportation to Wise in the tenth and Foersch swung on the ball for two sacks to left field. Wise was able to score from first base on the hit. Bramble was wild during the game giving four passes.

Corriden and Bramble were the only ones able to connect with Hickman during the entire game. The score:

Waterloo, 2; Quincy, 1. At Waterloo—It took Waterloo ten innings to defeat Quincy yesterday at Waterloo in the prettiest contest played during the season. Keyes was on the slab for Quincy and Zackert for Waterloo. Waterloo won through the errors of Quincy. The score: Teams. R. H. E. Waterloo 0 0 0 0 0 0 0 0 2 8 2 Quincy 1 0 0 0 0 0 0 0 1 9 4 Batteries: Searles and Zackert; Walsh and Keyes.

Swalm Was Sent to Cover. At Kewanee—Swalm was given his bumps at Kewanee yesterday and Hannibal lost in ten innings by the score of 4 to 3. Kench was on the slab for Kewanee and kept his hits well scattered. The score: Teams. R. H. E. Kewanee 4 11 3 Hannibal 3 8 2 The batteries were as follows: For Hannibal, Swalm and Campbell; for Kewanee, Kench and Elliott.

Rain at Burlington. There was no game at Burlington yesterday on account of rain.

Jacksonville Has Hopes. Another defeat for Jacksonville has been chronicled but the fans should be charitable. Just bear in mind what happened in the Three-Eye league in the case of Clinton. If memory is not faulty Clinton had a winning streak at the beginning of the season year before last and lost but two or three games in the first eighteen played. The team and the manager were the marvels of the league. There was no logic to explain the winning streak. They mowed down everything in their sight, however, until one day they hit the taboggan and then, O, how they hit slide. They did not stop until they hit the bottom and they finished the season in the cellar position. Jacksonville is going to win some games and don't you forget it. They have had a bad run of luck and things have broken against them in practically every game played. Things will take a turn, they always do. Just be patient; there are better times ahead. Keep that knock inside of you and you will soon discard it for a boost. Probably no persons feel more disappointed than Manager Berte and the directors, but they are not going to lose heart. They are a game lot and let every lover of the great national pastime be just as game as they are. There is lots of criticism that might be indulged in, but let us hold it in for a while at least. Let us try and forget the past and look with hope toward the future.—Jacksonville Journal.

Egan Not as Strong. Jacksonville Courier: Egan is a long ways from having as strong a team as that of the last two years. There is no comparison of the present team and that of last year. This may truthfully be said of both the infield and outfield. It is in pitchers, however, that Burlington is weak. Egan showed four here and of the four we have seen, Eis, Spencer and Boyd perform. Not one of them is in condition, and Eis and Spencer appeared to be suffering from sore arms. Killian's work also was just as bad and he didn't have a thing. Burlington had no business to win that game, and we are betting that they will have to go better than that to get away with any on their home grounds.

erection will soon start. \$700 have been raised already. Mike Breyette, who will play shortstop for Burlington, has arrived in that city and from now on will take part in the games. Mike will greatly strengthen the Pathfinders. Keokuk will go against the Waterloo Champs today, Friday and Saturday and will return home Sunday. The Indians should win two out of three at least from Waterloo, although a Quincy sport writer predicts that Waterloo will take the long end of the games. The present season has been a record breaker for the big league in one respect at least. There are always a number of postponed games during the month of April, but there has never been so many before as this year, at least not in recent years. This year there are already thirty-five postponed games—nineteen in the American and sixteen in the National league. A. R. Cratty, correspondent of the Sporting Life at Pittsburg, says that Fromme, the former Quincy player, holds the record for the longest hit on the Pittsburg grounds for fifteen years. The slam went for three bases and was only equalled by one clouted out by Old Hutch Baldwin fifteen years ago. The Paule Jewelry Co., of Burlington, will present at the end of the Central association baseball season, to the Burlington player having the best batting average, a silver bat, the exact size of the bat now in use. Burlington is figuring on at least three .300 hitters this year. We may have poor eye sight, but it is hard to see them thus far. The present season of the Central Association has been launched in a manner that is almost without parallel in the history of the organization. The

Gray Hair Restored Grew Hair on a Bald Head

My hair was getting quite gray and falling out rapidly and I was troubled with a terrible itching of the scalp. My head was full of dandruff, which fell upon my clothes and kept me continually brushing it off. While on a visit to Rochester I heard of your Sage and Sulphur for the hair. I got a bottle and used it. A few applications relieved the itching, my hair stopped falling out and gradually came back to its natural color. It is now a nice dark brown color, soft, glossy and pliable. Several of my friends want to use it, and I want to know what you will charge me for six bottles of it.
