

NOT RELATIVE OF HORSE THIEF

City Marshal of Warsaw Denies that He is a Relative to DeJanes Who Broke Out of Jail.

BILL BUG INVESTIGATED

State Entomologist is in the Vicinity of Warsaw Getting the Pedigree of the Bad Beetle.

WARSAW, Ill., July 2.—An article in Thursday evening's Gate City, copied from the Carthage Republican, does great injustice to our worthy and efficient city marshal, Robert Weimer. The latter is not in any way related to the notorious outlaw, Ed. DeJanes, nor is his wife Thew riter of the article evidently got "mixed" in his description of the recent capture, and is respectfully referred to the Warsaw Bulletin of Friday and should make correction and apology for his blunder.

Miss Flora Parker has returned to her home in Peoria after a short visit here with her cousins, Misses Caddie and Mabel Crame.

Dr. John Barr Howd, dentist of Burnsfield will office with Dr. Hoyt Hutchins, as soon as a suitable room can be procured. Both are recent graduates of the medical and dental departments of Drake University, Des Moines.

The Bill Bug.
Prof. G. E. Sanders, state field entomologist, under Dr. S. A. Forbes, state entomologist, at Urbana, Ill., is here today and went down to the farm of Jake Walterschied, eight miles below Warsaw, to investigate the recent ravages of the bill-bug. He says the bug has done considerable damage to the corn in different parts of the state, but will rarely attack corn after it reaches the height of several inches. He will make a thorough investigation, and the results will be published in the Gate City and Bulletin. This section of the country is fortunate in having such an expert sent here by the State Bureau of Entomology, and owes the latter a vote of thanks for the unexpected service.

Misses Lulu and Stella Jacquot and their cousin, Miss Grace Sydor, of Omaha, are visiting in Basco this week.

Three more houses have been commenced and a lot purchased for a fourth.

Mercury has been 90 degrees and over in the shade all of this week.

Dr. and Mrs. Thomas A. Hartley entertained a small party at six o'clock dinner Thursday evening in honor of Mr. and Mrs. Will Hartley of Keokuk, a bride and groom of this week. They were present, besides the above, Miss Ella Hartley of Keokuk, who was maid of honor at the recent wedding, Mr. Louis Mote of Des Moines, who was best man, Miss Blanche Martson of Blandinsville, Miss Minnie Hartley of Keokuk, and two young men, also of Keokuk.

ITCHE STOPPED—SKIN COOLED

Itching skin diseases afflict some people as soon as the hot weather comes. There seems to be no preventative; but when the eruption does break out, it is a very simple matter to stop that itch, and to stop it instantly. Just a few drops of Ill of Wintergreen, properly compounded, washed over the eruption will soothe and smooth the skin instantly, giving that cooling and refreshing sensation. Try a few drops of this D. D. D. Compound and your itch will be relieved at once, not in half an hour, or ten minutes, but in five seconds. Call at our store and we will tell you more about this D. DIRECTORS OF COMMERCIAL CLUB

Twelve Elected at Big Meeting Last Evening and Officers Will be Elected in Short Time.

A CANVASS FOR MEMBERS

City's Business Organization is Expected to Grow in Near Future and There is Plenty of Work Ahead.

An enthusiastic meeting of the Commercial club was held last evening and the following board of twelve directors elected for the ensuing year: Wells M. Irwin, L. A. Hamill, Jas. Cameron, Sr., J. B. Well, C. D. Streeter, O. A. Talbot, George S. Tucker, C. A. Weber, Frank LeBron, John Nagel, Fred Hilpert, Jr., J. D. Eckler. At the next meeting of the directors, officers will be elected and the coming year's work taken up with renewed interest. Following last evening's meeting there was a general discussion among the many members present concerning condition, present and future. Several propositions which look good to the clubs were thoroughly discussed.

Canvass For Members.
A general canvass for new members will be made in the near future and it is expected that in addition to many new members all of the old ones will come back in the fold. The coming year will be the crucial one for the Commercial club and for Keokuk and it is up to the members to work in a zealous manner for the city. Should the water power come, and the prospects are bright that it will, then there will be more need for a Commercial club than ever before and as the life of the city depends upon the life of the city's business organization.

A Horrible Hold-Up.
"About ten years ago my brother was 'held up' in his work, health and happiness by what was believed to be hopeless Consumption," writes W. R. Lipscomb, of Washington, N. C. "He took all kinds of remedies and treatment from several doctors, but found no help till he used Dr. King's New Discovery and was wholly cured by six bottles. He is a well man today." It's quick to relieve and the sure cure for weak or sore lungs, Hemorrhages, Coughs and Colds, Bronchitis, La Grippe, Asthma and all Bronchial affections. 50c and \$1.00. Trial bottle free. Misses Zula and Nina Gares of Des Moines arrived Friday for a visit with friends.

S. HAMILL CO. BRANCHING OUT

That Firm Has Purchased Additional Adjoining Property, With Now Over a Half Block Frontage

INCREASE IN BUSINESS

Switching Facilities Have Been Improved, and House Now Ranks Among the Largest in this Section

From time to time, notable increases are made in the number of employes or in the buildings of the various wholesale houses for which Keokuk leads this section of the country. New additions are made to the buildings themselves and at the present time there is not a wholesale house in Keokuk but what would compare very favorably and in some instances, much better than cities with a hundred thousand population or over.

The latest one of Keokuk's wholesale firms to spread out in a way of increased room for the concern, is the Smith Hamill company, wholesale grocery firm.

D. B. Hamill, president of the firm, stated today that the company had purchased the adjoining property to the present location of the firm's offices and ware rooms, giving them quite an extensive frontage on Johnson street and also giving added, splendid switching facilities in the rear of the large buildings.

Over a Half Block.

The property purchased with the older location, gives the firm a frontage of over a half block on Johnson street, now. The new property includes several substantial two-story buildings, which will be used as stock rooms. The buildings are being put in good condition and the fronts and interior are being improved. The switch tracks in the rear will be changed to permit the setting of cars, to the end of the grocery company's property.

The reason for the increase in stock room has been caused by the large increase in business which the wholesale houses of this city have always enjoyed. A number of new traveling salesmen have been added to the former number and the house force has been increased.

Teething children have more or less diarrhoea, which can be controlled by giving Chamberlain's Colic, Cholera and Diarrhoea Remedy. FREE PICNIC FOR THE POOR

Gospel Regular Army Will Serve Ice Cream and Cake at Rand Park on July 28.

The following circular announces the free picnic on July 23 at Rand Park for the poor:

The Gospel Regular Army will give a free picnic dinner with ice cream and cake, for all poor ladies and children who will come and sign their names before, so we will know how many to prepare for. Remember, two years ago we had a great success at our picnic, and took over eighty-two children, and they had all they wanted to eat and all the ice cream and cake and lemonade they wanted. But this year we want to double the number to 200 ladies and children at least. Everybody will be free of charge for the picnic date. This picnic will be given as before by the ladies of the Gospel Regular Army; Major Ida Godefroid, President; Mrs. Harriet Crafter, Vice-President; Miss Hazel Meredith, Secretary; Mrs. Lottie Leighton, Captain; Mrs. Ethel Winn, Lieutenant.

Any citizens having donations of provisions or clothing for the picnic, please send them to 915 Main street, upstairs; or send a post card and we will call for them. The picnic will be direct, the same as it was two years ago. By Rev. Julius Godefroid, General-in-Chief, Major, Ida Godefroid, President.

BETTER THAN SPANKING.

Spanking does not cure children of bedwetting. There is a constitutional cause for this trouble. Mrs. M. Summers, Box W, Notre Dame, Ind., will send free to any mother her successful home treatment, with full instructions. Send no money, but write her today if your children trouble you in this way. Don't blame the child, the chances are it can't help it. This treatment also cures adults and aged people troubled with urine difficulties by day or night.

M. F. PRINTY VS. BONHAM BROS.

Case Which Has Held Sway in Justice Burrows Court During Past Few Days Brought to a Close.

A NOTICE OF APPEAL

\$45.50 Rendered in Favor of Plaintiff and \$6.55 in Favor of Defendant—An Interesting Case.

In the case of M. F. Printy, plaintiff, versus Bonham Brothers, defendants, which has held the attention of Justice James Burrows for the past three days in his court transferred to the district court room, judgment was rendered yesterday afternoon by Justice Burrows, giving the plaintiff damages to the amount of \$45.50 and the defendant damages to the amount of \$6.55. Both the plaintiff and defendant in the case gave notice of appeal.

Burrows rules that the plaintiff M. F. Printy, who brought suit for \$100 was entitled to the 2 1/4 cents per hour as agreed upon if any of the other shops were paying the increased scale following the strike. It developed that one shop was paying the increased scale which meant twenty-five cents per day extra and this was awarded to M. F. Printy for fifty-seven days, amounting to \$14.50. The plaintiff also was entitled to, according to the ruling of the judge, \$3 a day for the ten days in which he was idle because of not obtaining a "release," amounting to \$30. There was an incidental allowance of \$1.50 bringing up the total to \$45.50.

A Counter Claim.

On a counter claim by the defendant for borrowed money and tools judgment was rendered in the amount of \$6.55.

The case has been of more than a passing interest to many labor men of the city who were more familiar with conditions than outsiders.

The large court room had many spectators during the trying of the case and the excitement dated from the first swearing in of the witness when they refused to serve without fees.

E. W. McManus, who recently graduated from Iowa University and is one of the youngest members of the Iowa bar, was the attorney for the defendant, while Hughes and McCoid represented the plaintiff.

MEET AT MUSCATINE NEXT CONVENTION

German Young People's Societies Elect Officers at the Meeting in Fort Madison.

The German Y. P. S. C. E. convention at Fort Madison has adjourned the final session being reported as follows:

Thursday, July 2, 1:30 p. m.—Third Session: Opened by the chairman, Rev. J. Nuesch. Paper by Rev. M. Hoepfner, theme, "How Should We Pray?" Round table led by Miss Marie Kiedalsch of Keokuk. Topic: "How Can we Best Gain the Interest and Co-operation of Our Young People?" Paper by Miss Berger of Burlington. Theme: "What Should be the Nature of Entertainments in Our Societies?" Discussion.

The following officers were elected: According to the constitution Rev. M. Hoepfner will be president of the convention. Other officers were elected as follows: Vice-President—Miss Marie Kiedalsch of Keokuk. Secretary—Miss Emma Berger of Burlington. Treasurer—Mr. John Rasche of Burlington. Committee for revising the constitution reported and their recommendations were adopted by the convention.

The society from Muscatine having given an invitation, the next convention will be held at that place. Adjournment to 5 p. m.

The Ladies Aid society served the guests a sumptuous dinner and supper at the auditorium of the congregation. In the evening the convention was entertained by the local young people's society with a short but interesting musical program and a comical play entitled, "The High C," which was very much enjoyed by all. After that refreshments were served.

The Health of Your Horse

Will be best promoted—best preserved—if you are ready to give the proper remedy at the proper time. The proper remedy for all strains, sprains, or colic is Perry Davis' Painkiller. The proper time to use it is when the trouble first shows itself. Be prompt and you'll not only spare the horse suffering, but you'll spare yourself the trouble and expense—maybe save a long time waiting. You ought to have a bottle ready. The "no size bottle" cost 25 cents; one larger, 50 cents. Be sure your druggist gives you Perry Davis'.

FIRST AID ON JULY FOURTH

A Few of the Remedies Which Every Mother Should Have on Hand on Independence Day.

SOME SIMPLE REMEDIES.

Serious Results From Firecracker Injuries May be Offset by a Little Judgment Before Hand.

Here are some of the things which every mother should have at hand on the Fourth: A porcelain or agate pitcher and basin, a package of absorbent cotton and one of iodoforn solution, a solution of linseed oil and lime water, a solution of boric acid, antiseptic soap, flaxseed for poultices, and a surgeon's probe. The carbolic solution is known as the "2 per cent," a teaspoonful of carbolic acid to a pint of water. The boric solution calls for a teaspoonful of the acid to a glass of warm water. The simplest form of injury from fireworks is the burn. Cover the burn if at all severe with a solution of linseed oil and lime water and swathe in antiseptic gauze. Simple remedies for burns from punk and matches, of which condition acquire a goodly number on the Fourth, are the white of egg, which covers the burn like mullage and keeps out the air, and common baking soda in the proportion of one tablespoonful of soda to half a glass of water. Cover with gauze. Another very common accident on Independence day is the explosion or shooting of powder into the face. Do not allow the boy to pick this powder, out for himself but bathe him at once with carbolic solution and covering it with antiseptic gauze. This does not relieve the pain or remove the powder, but it does prevent small, dirty hands from carrying poisonous matter into torn pores.

When the powder is blown into the eyes and the injury seems slight do not touch with the fingers, but have the patient bathe the eyeballs with the solution of boric acid, one tablespoonful of acid to a glass of warm water. This will prevent bloodshot, but the patient should be taken at once to an oculist or, if one cannot be found, to a regular surgeon.

When the explosion tears open the fleshy part of the hand the home nurse must exercise her utmost skill and patience. The patient will demand immediate relief—something "to make him feel better"—but here she takes her first step to ward off lockjaw. The wound must not be touched save with sterilized implements and fabrics. Place the agate basin over the gas flame and throw into the water a probe with which you expect to take out the offending piece of wadding.

Turn back your sleeves and wash your hands thoroughly in antiseptic soap and water as hot as you can bear it and thereafter touch nothing with your hands except antiseptic articles. Save some one remove the agate pan from the gas stove after the water in it has boiled five minutes and both water and probe are absolutely aseptic. Remove the wadding from the wound with the sterilized water and a carbolic solution in the proportions given above. Use absorbent antiseptic cotton, and each time you are through with a piece of the cotton throw it away, but do not lay it back in the water.

Wrap in iodoforn gauze and leave the rest to the surgeon. Linseed oil and lime water will relieve the pain; but, not being purely aseptic, they carry danger from the relief. Cleanliness and freedom from death dealing germs are more important at this stage of the proceedings than relief from pain.

Chamberlain's Stomach and Liver Tablets gently stimulate the liver and bowels to expel poisonous matter, cleanse the system, cure constipation and sick headache. Sold by Wilkinson & Co. Pharmacy, J. F. Kiedalsch & Son.

for the occasion. The receipts at the door were over \$30. Farmers are very busy and the weather being warm made the audience small. The farmers are all busy laying their corn by so to be ready next week for the harvest which is ready for the sickle. Some wheat and rye are already in shock and the grain seems to be all right. Many will begin having next week and the meadows never looked better for a big crop of hay. If we can just have the sunshine. Work on the raising of the Presbyterian church is progressing rapidly. Twelve men are at work every day. Harvest hands are beginning to show up on the highways wanting work and by next Wednesday we think the farmers will be hunting them up. George Newman's two little girls are as happy as crickets just because they have a little reheaded brother, born Monday evening and all doing well. Miss Grace Denison of Hamilton is visiting relatives here this week. O. P. Pennington is on the sick list this week. Mrs. Pennington has recovered so as to be able to be out again. John H. Vemblain is still in a feeble condition and not able to work. The rain of last week raised the creeks so that the cat fish have been plenty. Charley Zunyon, Walter Boldon and Russell Duncan caught plenty of them on Wednesday. Some very nice ones too. Frank Kindred of Warsaw has been doing some nice sign painting for our business firms in town. Mr. and Mrs. Stillman visited at Loraine Saturday until Monday.

The barn when completed will hold 250 tons of hay. Frank McGee of Hamilton shipped out a load of nice hogs from here Tuesday at 7 cents. Twenty car loads of hay will be shipped out from here next week by Walt and Gable. The trustees of the cemetery association have mowed the grounds and trimmed up the hedges and the lots are trimmed up and it is one of the prettiest, if not the prettiest, cemeteries in any little town in Hancock county.

A WHEAT MEAT!

That sounds strange. But it's true. It refers to Faust Brand Spaghetti, the great American wheat food that has won thousands from the meat habit and added a staple article of food to vegetarian fare. Wheat Meat! Think of it! Imagine if you can a food as nourishing as meat—that requires less energy to digest—that is not heating—that never becomes tainted—that is so clean, so cheap and so adaptable for everyday cooking as to be beyond compare. Such a food is Faust Brand Spaghetti. Serve it a new way every day—for dinner and supper. There'll be no regrets. Keep it always in the kitchen for a ready answer to that old question, "What to Cook?" Faust Spaghetti is sold by all grocers in five and ten cent packages—sealed. Book of twenty-three recipes sent free on request. MAULL BROTHERS, ST. LOUIS, MO.
