Farewell Reception for Former Pastor and Reception for New Minister at Burlington Last Night.

The Burlington Hawk-Eye of this morning has to say of the reception held in that city last evening by the Harrison Avenue Methodist church for their new minister, Rev. A. V. Kendrick, of Keokuk:

The congregation of the Harrison Avenue Methodist church held a farewell reception at the home of Mr. Elmer Sikes on Dunham street, last evening, for their departing pastor, Rev. M. P. Conant, who has been assigned to Moravia, Iowa, by the Iowa conference.

Danderine

GROWS HAIR and we can PROVE IT!

A lady from Minnesota writes: "As a result of using Danderine, my hair is close to its natural length."

Beautiful Hair at Small Cost

HAIR troubles, like many other diseases, have been wrongly diagnosed and altogether misunderstood. The hair itself is not the thing to be treated, for the reason that it is simply a product of the scalp and wholly dependent upon its action.

Loss of hair is caused by the scalp drying up, or losing its supply of moisture or nutriment; when baldness occurs the scalp has simply lost all its nourishment, leaving nothing for the hair to feed upon.

The natural thing to do in either case, is to feed and replenish the soil or scalp as the case may be, and your crop will grow and multiply as nature intended it should.

Now at all druggists in three sizes, 25c, 50c and \$1.00 per bottle.

FREE To show how quickly Danderine acts, we will send a large sample of our return mail to anyone who sends this free coupon to the
