There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 12 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. There are one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

Cards and billiards was enjoyed in the club rooms before and after the lodge meeting and then the lodge hall was thrown open and the members and their guests were entertained with the following impromptu program which was greatly enjoyed by all:

Supper was then served in the dining room down stairs, mock turtle soup and other good things being placed upon the tables at which each one present was expected to walk up, help themselves and partake of the luncheon while standing, thus adding a sort of unique touch to the entertainment.
