Up Against Stern Logic. Mother-in-Law (to her husband)—You must take my part. Our son-in-law is getting too impudent. Yesterday he told me that 99 devils and no mother-in-law makes 100 devils. Husband (after thinking)—"What can do, my dear? Ninety-nine plus one does make 100."—Bocian.

Anty Drudge Suggests an Essay.

Fair Graduate—"My commencement essay is on 'The Indisputable Superiority of Mind over Matter.'"

Anty Drudge—"Why not make your essay about practical things? 'How Fels-Naptha Has Lightened Woman's Work.' After you are married, and have a house of your own, you will find that Fels-Naptha has done more to take the sting out of housework than anything ever invented."

The three great forward steps in woman's housework are: The modern range in place of the old fireplace and kettle; The sewing machine in place of laborious hand-sewing;

Fels-Naptha soap, which makes it easy to wash clothes in cool or lukewarm water, without boiling or hard rubbing. Of these three, Fels-Naptha saves the woman more back-breaking labor, more time, more money, and does more to make life pleasanter than either of the others.

At the very first, you can see how it saves time and labor, but perhaps you'll wonder how Fels-Naptha saves money. In two ways: First it saves the cost of coal or gas to heat water and boil the clothes.

Then the clothes last longer when washed with Fels-Naptha in cool or lukewarm water. Their fibre isn't weakened by boiling nor strained by hard rubbing.

You can't realize just what a help Fels-Naptha is until you've tried it in your own washing. Why not begin next washday?

Fels-Naptha easy way of washing in place of the tiresome, tedious back-breaking method. Use it according to directions on the red and green wrapper, winter or summer.

A Happy Idea. "I save all my bon bon boxes and all the scraps of my dresses," explains one woman, "and when I get each box full, I put in a little 10-cent doll, child's thimble, thread and needles and give the boxes to little girls at the day nursery. They take a perfect delight in having small dolls to dress and something to dress them in."
