 —Hamilton Press: Eugene Harlan, who has been suffering for a long time past from tuberculosis of the bone in his left foot and ankle was taken to St. Joseph's hospital in Keokuk Monday, where the limb was amputated between the knee and ankle. The limb had been troubling him for some time and he had submitted to previous operations in the hope of receiving benefits, but the bone became so honeycombed that it was almost impossible for him to walk and the operation became necessary. While the operation was successful in every way, yet his general condition is serious. Gene is a fine young man and during his stay in Hamilton has made friends by the score, who regret the misfortune that has befallen him and who hope to see him restored to health in the near future.
 —The Kahoka Gazette-Herald has the following to say about the Keokuk Eagles' banquet: About fifteen members of the local Kahoka aerle went over to Keokuk Wednesday and participated in the big banquet given by the Keokuk lodge in their splendid hall. The spread was one truly fit for the kings. It was really sumptuous. Frank Moeller, worthy president, introduced Mayor Off of Keokuk, who acted well the part of toastmaster, and delivered a fine address of welcome. The response was given by a Kahoka member and during the course of the after-dinner program most of the Kahoka bunch were called upon. Some exceptionally clever addresses were made. An orchestra furnished splendid music and there were songs, recitations, stories and laughter. Goodfellowship was upon every tongue, and the Kahokans will long remember their royal treatment and splendid entertainment.
