

NO DISTRESS FROM STOMACH

A Little Diapepsin Promptly Ends Indigestion and Makes You Feel Fine in About Five Minutes

STOP BEING MISERABLE

Distress From Stomach Gas, Heartburn, Dyspepsia and Headache Go Before You Realize It—Keokuk Folks Cured.

Every family here ought to keep some Diapepsin in the house, as any one of you may have an attack of indigestion or stomach trouble at any time, day or night.

This harmless preparation will digest anything you eat and overcome a distressed, out-of-order stomach five minutes afterward.

If your meals don't tempt you, or what little you do eat seems to fill you or lays like a lump of lead in your stomach, or if you have heartburn, that is a sign of indigestion.

Ask your pharmacist for a 50-cent case of Paper's Diapepsin and take a little just as soon as you can. There will be no sour risings, no belching of undigested food mixed with acid, no stomach gas or heartburn, fullness or heavy feeling in the stomach, Nausea, Debilitating Headaches, Dizziness or intestinal griping. This will all go, and, besides, there will be no sour food left over in the stomach to poison your breath with nauseous odors.

Paper's Diapepsin is a certain cure for out-of-order stomachs, because it prevents fermentation and takes hold of your food and digests it just the same as if your stomach wasn't there.

Relief in five minutes from all stomach misery is at any drug store, waiting for you.

These large 50-cent cases contain more than sufficient to cure almost any chronic case of Dyspepsia, Indigestion or any other stomach trouble.

Are you frequently hoarse? Do you have that annoying tickling in your throat? Does your cough annoy you at night, and do you raise mucus in the morning? Do you want relief? If so, take Chamberlain's Cough Remedy and you will be pleased. Sold by Wilkinson & Co. Pharmacy and J. F. Kiedalsch & Son.

The total production of coke and anthracite iron in the first half of 1909 was 10,820,672 tons; and in the last half, 14,516,330 tons.—Iron Trade Review.

CONSTIPATION MUNYON'S PAW-PAW PILLS

Munyon's Paw-Paw Pills are unlike all other laxatives or cathartics. They coax the liver into activity by gentle whole methods. They do not scour; they do not gripe; they do not weaken; but they do start all the secretions of the liver and stomach in a way that soon puts these organs in a healthy condition and corrects constipation. In my opinion constipation is responsible for most ailments. There are thirty-two feet of human bowels, which is really a sewer pipe. When this pipe becomes clogged, the whole system becomes poisoned, causing biliousness, indigestion and impure blood, which often produces rheumatism and kidney ailments. No woman who suffers with constipation or any liver complaint can expect to have a clear complexion, or enjoy good health.

Munyon's Paw-Paw Pills are a tonic to the stomach, liver and nerves. They invigorate instead of weakening; they enrich the blood instead of impoverishing it; they enable the stomach to get all the nourishment from food that is put into it.

These pills contain no calomel, no dope, they are soothing, healing and stimulating. They school the bowels to act without physic. Price 25 cents.

Equipment of Swiss Infantry Soldier. The Swiss Infantryman is very heavily burdened. Not to mention the weight of his uniform and the small tent on his back, in full marching order he must carry a load of 21.8 kilograms, and this comprises only a single reserve ration and one ration of bread. His haversack weighs 200 grammes more than the German haversack, his overcoat is heavier by 500 grammes, and in addition he carries a second pair of trousers (one kilo). His heavy rifle with bayonet weighs 5.4 kilograms. This weight exceeds that of the French rifle by 500 grammes, the German by 700, the Italian by 900, and the Austrian rifle by 1,100 grammes.—La Vulgarisation Scientifique.

Capt. Bogardus Again Hits the Bull's Eye. This world famous rifle shot who holds the championship record of 100 pigeons in 100 consecutive shots is living at Lincoln, Ill. Recently interviewed, he says: "I have suffered a long time with kidney and bladder trouble and have used several well known kidney medicine: all of which gave me no relief until I started taking Foley's Kidney Pills. Before I used Foley's Kidney Pills I was subjected to severe backache and pains in my kidneys with suppression and oftentimes a cloudy voiding. While upon arising in the morning I would get dull headaches. Now I have taken three bottles of Foley's Kidney Pills and feel 100 per cent better. I am never bothered with my kidneys or bladder and once more feel like my own self. All this I owe solely to Foley's Kidney Pills and always recommend them to my fellow sufferers." Wilkinson & Co.

He is simply the advance guard of many Keokuk citizen who will build pretty homes on our bluff, before the great dam is completed.

Dog's Costly Meal. A peasant woman named Redon, at Laval, France, who concealed \$50 in a loaf of bread to prevent the money being stolen while she was at market, had the loaf snatched from her by a dog, which made off with its booty. The animal was caught later on, but there was no trace of the bread or the money.

Despair and Despondency

No one but a woman can tell the story of the suffering, the despair, and the despondency endured by women who carry a daily burden of ill-health and pain because of disorders and derangements of the delicate and important organs that are distinctly feminine. The tortures so bravely endured completely upset the nerves if long continued. Dr. Pierce's Favorite Prescription is a positive cure for weakness and disease of the feminine organism.

IT MAKES WEAK WOMEN STRONG, SICK WOMEN WELL.

It allays inflammation, heals ulceration and soothes pain. It tones and builds up the nerves. It fits for widowhood and motherhood. Honest medicine dealers sell it, and have nothing to urge upon you as "just as good."

It is non-secret, non-alcoholic and has a record of forty years of cures. Ask Your Neighbors. They probably know of some of its many cures.

If you want a book that tells all about women's diseases, and how to cure them at home, send 21 one-cent stamps to Dr. Pierce to pay cost of mailing only, and he will send you a free copy of his great thousand-page illustrated Common Sense Medical Adviser—revised, up-to-date edition, in paper cover. In handsome cloth-binding, 31 stamps. Address Dr. R. V. Pierce, Buffalo, N. Y.

MISSIONARY TELLS OF WORK

Labor and Perils of Those Who Go Among Savages to Carry Gospel Message.

In the course of a lecture on "The Savages of New Guinea" at the London Institution, A. H. Dunning referred to Dr. Chalmers, the great missionary, who died in the island, and said that for many years there was no photograph of the Goarbardil tribe which murdered him. He placed on the screen a portrait of a savage who was not only a member of the tribe, but he had reason to believe was the actual man who struck Dr. Chalmers down and helped to eat him. A profile photograph of the same native showed an extraordinary receding forehead, the sign of a low type of humanity. The savage was taken prisoner in the course of a governmental expedition to recover the remains of Dr. Chalmers' fellow victim, Mr. Tompkins, and he was generally stated by the other natives to be the man who struck the missionary.

Mr. Dunning gave an amusing account of his adventures among the savages, one of his stories relating to a bottle of strong smelling salts. The first man who smelt, under the impression that it was a "white man's love charm," was so startled that they formed the salts into a sort of trust and scoured the neighborhood for recruits. Nobody gave the show away. They brought new people up one after the other, propped them up against a tree and sat round like Christy minstrels to wait for the result.

Kissing or fondling was unknown in New Guinea until the advent of the missionaries. These were seen kissing the children and the custom spread. Having been kissed by oily natives, he preferred the old style of salutation.
