## TWO HUNDRED DELEGATES

Seventy-First Annual Session of the Congregational Churches of Iowa in Keokuk Next Month

MAY 17, 18, 19, AND 20

Program for the Assemblage of Many Delegates From all Over State, Just Completed.

Previous announcement in this paper has told of the seventy-first annual session of the General Congregational Association of Iowa which will be held here May 17, 18, 19 and 20. The members of the Congregational church of this city and others are preparing to give the two hundred or more visiting delegates a hearty welcome next month and the gathering will doubtless be one of the largest of its kind held here in several years.

Rev. Geo. C. Williams, pastor of the local church and is given below for those interested.

To Extend Welcome. The First Congregational church of Keokuk extends a hearty welcome to all the ministers and delegates, and expresses the sincere hope that the meeting will be a useful and memorable one. If any have not been assigned to places of entertainment, please let the committee know, and assignments will at once be made. Meals will be served at the United Presbyterian church at a cost of thirty-five cents. The ladies of this church are noted for their hospitality, and all will be pleased with the entertainment which they offer. On Thursday evening, between the services, we shall offer an old-fashioned supper, with opportunities for a good social time. Supper will be served in the chapel. We have given a large place to the Men's Movement, and it is hoped that we shall see an onward and upward trend from this meeting. Make yourselves at home, and your hosts will be pleased.

## CARTHAGE, ILL.

Our census enumerators, D. S. Strader and William Boswell, are at work in this county. Mrs. McVay of Adrian was a Carthage visitor the first of the week. Mr. and Mrs. H. D. Hoover were called to New Oxford, Pa., Tuesday by the serious condition of the lady's father, who is suffering from blood poisoning. Senator and Mrs. James F. Gibson and son James spent last week in Carthage. Mrs. Anna Davis and Mrs. Harriet Davis of Bowen are visiting the former's brother, J. W. Shepherd, and wife, and also with Mrs. Sarah Davis and daughter, Miss Anna. Mrs. Anna Todd and daughters, Bertha and Millie, who have been spending the winter at Eureka Springs, Ark., expect to return home next week. Mr. and Mrs. Roy Miller and Miss Ruby Miller attended the wedding of Miss Elizabeth Miller to Mr. Troat, which occurred in Keokuk Wednesday evening. Mrs. Ralph of Monmouth and Miss Nellie Bennington of Dallas were guests of Mrs. O. H. McMinimy the past week. Charles McMechan went to Cedar Rapids, Iowa, last week, to join the Royal Slave company. Little Miss Lucille Nutt of Mendon returned to her home last week, after a visit with relatives here. Her aunt, Mrs. D. H. Miller, accompanied her home. Mrs. Tull of Dallas City visited with her sister, Mrs. E. P. Rowe, Thursday. Mr. and Mrs. Charles Donaldson are visiting relatives at Canton, Ill. Ralph Swain spent Sunday with friends in Clayton. Mrs. Lawrence Moseley of Adrian and little daughter spent a part of last week with relatives in this city. The recital given by the pupils of the department of expression of Carthage college Friday evening at the Lutheran church was very much enjoyed. The scene from David Copperfield, presented by Ruth Schell, Faecey Foley, Blanche Chevillon, Grace Mack and Leone Waggoner, deserves praise.

## FROZEN UP LIKE THE FRUIT CROP

Lack of Public Interest in Plan of Getting Early Census Manifested at Meeting Friday Night.

Public interest in the present population and enthusiasm over increased population of Keokuk are evidently frozen as badly as this year's fruit crop, if the mass meeting called for last Friday night at the court house is an indication. The purpose of the meeting was, indeed, a worthy one, and every enterprising citizen should have backed up the Commercial club and assisted in the work. A

great many of the leading cities of the state and throughout the country are taking an independent census for the purpose of not only assisting the government census takers in obtaining an accurate count, but also to ascertain at once the population of the city, without having to wait from six months to a year until the government publishes the enumeration of the entire country. It is to be regretted that there is no more public interest in this matter in Keokuk than was shown at the meeting Friday night. The secretary of the Commercial club had

## \$3.50 RECIPE CURES WEAK MEN—FREE

Send Name and Address Today—You Can Have it Free and be Strong and Vigorous.

I have in my possession a prescription for nervous debility, lack of vigor, weakened manhood, failing memory and lame back brought on by excesses, unwholesome diet, and the follies of youth, that has cured so many worn and nervous men right in their own homes—without any additional help or medicine—that I think every man who wishes to regain his manly power and virility, quickly and quietly, should have a copy. So I have determined to send a copy of the prescription free of charge, in a plain, ordinary sealed envelope to any man who will write me for it. This prescription comes from a physician who has made a special study of men and I am convinced it is the surest-acting combination for the cure of deficient manhood and vigor failure ever put together.

I think I owe it to my fellow man to send them a copy in confidence so that any man anywhere who is weak and discouraged with repeated failures may stop drugging himself with harmful patent medicines, secure what I believe is the quickest-acting restorative, upbuilding, SPOT-TOUCHING remedy ever devised, and so cure himself at home quietly and quickly. Just drop me a line like this: Dr. A. E. Robinson, 4081 Luck Building, Detroit, Mich., and I will send you a copy of this splendid recipe in a plain ordinary envelope free of charge. A great many doctors would charge \$3.00 to \$5.00 for merely writing out a prescription like this—but I send it entirely free.

locked out the city into small sections, which one person could have easily covered without any effort or loss of time. It would have taken about 100 men to have done the work, and if all had started on the same day the population of the city would have been known the same evening. About ten persons attended the meeting, and after waiting about half an hour it was evident that the majority of people in Keokuk were not interested in the movement and the meeting adjourned.
