HELD BURLINGTON DOWN TO ONE HIT

Blue Jacket, Indian Twirler, Went in Great Style Yesterday, Striking Out Nine Opposing Batemen.

A KEOKUK VICTORY 2 to 1

Secured But Three Hits, and Burlington's Six Errors Helped in Run-Getting—Story of the Game.

(By Tom Green.) BURLINGTON, Iowa, May 20.—Burlington lost another game yesterday, but unlike the contest of the preceding day, it was not lost until the last man had been retired in the ninth inning. It was a close argument and the principal contenders were Wolverton and Blue Jacket. Both pitchers were in great condition and smothered the batsmen back to the bench with considerable frequency. Wolverton caused eleven of the Indians to whiff and Blue Jacket fanned nine of the local sluggers. As has been the case right from the opening of the season, the loose misplays proved particularly disastrous. The tailenders can always count on being miles away from a horseshoe and the chances are there is not a four leaf clover in Athletic park.

Barrett the long looked for fielder, from the "effete cast" was in the game, but it was evidently not his day to distinguish himself favorably. Keokuk played a good consistent game, but none of the runs of the scant collection were earned.

Up to the fourth inning not a hit had been garnered off Wolverton and Blue Jacket had only allowed one in that inning, Morris drove to Senebach, who threw to first and pulled Bateman off the bag. Foxy was safe and then tried to steal second while Wolverton had the ball in his hands. Wolverton threw to Bateman, who in turn threw to Dowling, but the ball struck Morris, bounded into right field and Foxy hiked to third and scored on Miller's single.

Burlington scored in the same inning. Green walked and Geier was hit by a pitched ball. Bateman roared one to Blue Jacket who nabbed Green at third. Geier then stole third base and scored on Bresnahan's fumble of Dowling's grounder.

Keokuk's winning run was scored in the sixth. Wolverton hit Hildebrand and a wild pitch sent him to third, scoring on Reichle's timely single. With two out in the ninth, Bateman hit to Morris who dropped the ball, but the big first baseman was nipped trying to steal second base. The score:

Yesterday's Results. At Kewanee—in a weird game, Quincy defeated Kewanee, 10 to 5, and was saved from going below Keokuk. The score: R. H. E. Kewanee 5 8 5 Quincy 10 11 1 Batteries: Kench, Nce and Dilger; Tretter and Barngrover.

At Galesburg—The Hannibal team clouted the ball hard and easily won the game. Clark pitched a fine game, letting Galesburg down with but two hits. As a result of the loss Galesburg dropped from first to third place in the pennant race. The score: R. H. E. Hannibal 4 12 1 Galesburg 0 2 1 Batteries: Clark and Forney; Hockenberry, Marks, Fleming and Shea.

At Ottumwa—Manager Egan's men easily took the final game of the series from Monmouth. Dunn pitched a good game and had errorless support. The score: R. H. E. Ottumwa 8 7 0 Monmouth 0 3 1 Batteries: Dunn and Severoid; Madden, Delaire and Hart.

BLEACHERS.

From Burlington Hawk-Eye. Yesterday's game was remarkable for the small number of assists, thirty-eight of the fifty-four outs being made by either strike-outs or caught flies.

For a short time during the fifth inning it looked as though rain checks would be issued. But the passing shower did not cause the game to even hesitate.

Gus Eng was on the job behind the bat again yesterday, and was credited with fifteen put-outs, four of them being foul flies.

The red tides of a number of Shriners added a dash of color to the grandstand yesterday.

Boys' Drill's aggregation from Monmouth plays here today, coming from Ottumwa, where the Egansites took two out of three games from them. Let us hope the Pathfinders will give them the same treatment, or worse.

The Burlington fans have at least had the promise of a bulletin board being erected at the ball park.

A review of the thirteen games played by the Pathfinders thus far as regards runs, hits and errors, gives the following result: R. H. E. Burlington 45 97 54 Opposing teams 70 190 25 Yesterday's game was the unlucky thirteenth. Let us hope that from now on luck will favor the Pathfinders more than in the past.

It is hard to lose a three-hit game, but there was another pitcher working who allowed but one hit.

PAPKE DEFEATS THOMAS LAST NIGHT

Knocked Him Out in Sixteenth Round in California and Meets Ketchel Next.

SAN FRANCISCO, May 20.—Billy Papke last night knocked out Joe Thomas in the sixteenth round.

A right swing to the body sent Thomas down in the sixteenth. Following with several crushing rights, the Illinoisian sent Thomas to the mat for the count.

A match for the middleweight championship with Ketchel next month was assured Papke. In the early rounds Papke forced the fighting. He sent Thomas to the ropes in the fifth. Thomas gave a good account of himself and improved as the battle progressed and landed hard in the tenth. Thomas landed repeatedly in the thirteenth and Papke bled steadily from the mouth. Thomas sent Papke to the ropes. This was Thomas' best round. In the fifteenth toe he had honors. Papke came back hard in the sixteenth fighting like a tiger.

BIG ATHLETIC MEET TOMORROW

Athletes of Public Schools Will Gather at Athletic Park in Third Annual Championship Field Meet.

PROMISES TO BE GREAT

Officials in Charge of it Say There is More Enthusiasm Than Ever in History of the Affair.

The third annual athletic meet of the Keokuk schools will be held tomorrow afternoon at the Athletic park. If weather conditions are favorable, it is expected that the meet will eclipse any of the former ones in interest and attendance.

Nearly every school in the city has entered a large squad of athletes and a May pole team composed of the young girls. The May pole dance and the pageant promise to be features.

But what will prove most interesting to the sport lovers will be the track and field events in which many primed young athletes will compete. The silver loving cup now in possession of the Torrence school will again go to the winner of the meet, and the school now holding it promises to make a strong bid to retain the trophy.

The meet will start promptly at 1:30 o'clock and special arrangements have been made to accommodate the overflowing crowd that is expected. In the past the meets have attracted wide attention locally. Last year there were more than 500 spectators who braved a driving rain to witness the meet. This year with good weather the attendance figures should crowd 1,500.

Owing to the fact that the track and field were slow last year and no high marks were set in any of the events, several record-breaking performances are looked for. The Carey school will bring out several new sprinters who have shown promise during the past two weeks. The Torrence school is again considered strong. The May-pole dance is an uncertainty. All of the teams for this event have been practicing for many weeks and will likely do their turn almost perfectly.

The best athletic men in the city have been selected to act as officials for the meet. H. E. Ratcliffe will be referee and starter. He has done excellent work in past meets and will hustle the events off in rapid time.

Sporting Views

Linderbeck is apparently playing the game of his life with Madison this year. He is hitting with such regularity that he is leading off in batting. His fielding record is also clean.

John House, the ex-Burlingtonian, known throughout Christendom as the contract-jumping Indian, is playing with Appleton this year. The Rockford Gazette has this to say of one of his recent performances: "Burke, Aurora's catcher, was spiked on the foot by House, the Appleton Indian. In the old days the noble red man was wont to go after his white foe's head."

Clyde Curtis traded at the close of last season by Manager Boyle to Terre Haute, for Pitcher Douthett, is making a record for himself in the Central league. The first ten days of the season he was at bat 29 times and made seven hits, an average of

A Handsome Woman

Every woman may not be handsome, but every woman should keep with care the good points nature has given her. No woman need have sallow skin, dull eye, blotchy complexion, who pays proper attention to her health. Where constipation, liver derangements, blood impurities and other irregularities exist, good complexion, bright eyes and sprightly movements cannot exist. Internal derangements reveal themselves sooner or later on the surface. Headache, dark rings around the eyes, sallow skin, a constant tired feeling—mean that the liver and digestive organs are needing help and correction. Chamberlain's Stomach and Liver Tablets give this necessary help. They work in nature's own way. They do not merely flush the bowels but tone up the liver and stomach to fulfill their proper functions. So mild and gentle do they act that one hardly realizes that they have taken medicine. Chamberlain's Tablets can be relied upon to relieve biliousness, indigestion, constipation and dizziness. Sold everywhere. Price 25 cents.
