

COUNTED BALLOTS ALL NIGHT LONG

Primary Election was Marked by the Long Time It Took to Secure All of the Results.

LEE COUNTY VOTE

First Complete Report was on Township Ticket in Keokuk at 9:30 O'Clock This Morning.

The primary election of yesterday was a quiet one in this section, a smaller number of votes being cast than at the last primary.

Even the Keokuk wards were not all finished by morning and at 8:00 o'clock the third ward judges had only finished one side of the ticket.

But little interest was taken in the result and there was no crowd last night at The Gate City office, but a handful of citizens being present to wait for the returns to come in.

At 9:30 this morning the Keokuk count had been completed and most of the county precincts had been received excepting the Fort Madison results, this keeping the result still in doubt.

The Township Ticket.

For township candidates, Burrows and Lendecker and Crow and Evans were named as candidates for justice of the peace and Reichman and Warner and Kiser and Scherer were nominated for constables.

The total vote in the city for these offices were as follows: For justice of the peace: Burrows 251, Lendecker 510, Strimback 225, Van Fleet 130, nominating the first two on the republican ticket.
