

FINAL REPORT OF GRAND JURY

After a Long Session Body Made its Report, Returning Only Five True Bills, Two Privously.

SAM DAVIS SENTENCED

Charged With Wife Desertion, He Entered Plea of Guilty and Was Sentenced to Term in County Jail.

The grand jury made its final report late yesterday afternoon, after spending a greater part of the day in a visit to the county home. In a partial report two indictments were returned and the final report carried with it only three more. They were against Cale Hewitt and George Dunbar for breaking and entering and Owen Tigue for unlawfully leaving the hospital for inebriates at Knoxville.

Grand Jury's Report.

To the Honorable Henry Bank, Jr., judge of said court:

The grand jury for the September term, 1910, of the district court of Lee county, Iowa, at Keokuk, begs to submit the following final report:

We have been in session 10 days, have examined 125 witnesses, have found 4 true bills, ignored 12 cases, and continued 3 cases.

We have inspected the Lee County Home and poor farm. We wish to especially commend the excellent manner in which this institution is managed and conducted by Superintendent Hart, assisted by his estimable wife and daughter. The home is kept scrupulously clean and cheerful, and the inmates are well fed and well cared for, and the management of the home and farm is most capable.

We regret that during our session we have on two occasions been compelled to adjourn for a period of two days, but we have expedited the work before us as much as we believe to be consistent with the interest of the community.

We also desire to thank your honor and court officials.

Having finished our labors, we respectfully ask that we be discharged.

W. C. PICKARD, foreman. John W. Carver, clerk.

Total Indictments.

Cale Hewitt and George Dunbar; Indicted for breaking and entering Golden Rule Co. store.

Owen Tigue, indicted for departing from state hospital for inebriates at Knoxville, without authority.

Henry Rose, colored, murder in first degree of William Outright.

Sam Davis, colored, wife desertion. The grand jury was composed of W. C. Pickard, W. Johnson, J. W. Sundeen, A. Seabold, J. L. Wyatt, William Reimbold and B. B. Herron.

Verdict for Auto Returned.

A sealed verdict was returned by the jury in the case of Martin Murphy vs. W. W. Thomas, which was opened and read in court at 9:30 o'clock this morning. It found for the defendant, but gave him no damages. The gentlemen serving on the jury were J. H. Ewing, J. S. Walker, W. H. Smith, John Myers, John Lorden, G. N. Chambers, L. E. Garvin, H. A. Vost, A. Anderson, C. B. Rube, C. N. Lewis and J. E. Langley. The jury went out late yesterday afternoon and an agreement was reached before 9:30 o'clock. The case was one in which the plaintiff Murphy sued for \$500 damages because of injuries to his horse in a collision with Thomas's automobile. A counter claim, merely as a defensive move, was set up by the defendant, in which damages in the sum of \$1,000 were asked.

Rose Enters His Plea.

Henry Rose, charged with murder in the first degree, entered a plea of not guilty through his attorney, this morning. No time for trial was fixed. The indictments against Cale Hewitt and George Dunbar charged with breaking and entering, were read. They are represented by D. F. Miller.

Decree of Divorce.

A divorce was granted yesterday afternoon in the case of Mary A. Suter vs. James E. Suter. Desertion was the ground upon which the petition was based. The plaintiff and defendant were married at Elvaston, Ill., November 19, 1889, and lived together until September 7, 1906.

K. K. K. Medicine Suit.

In the district court here the K. K. K. Medicine company of Keokuk, filed suit against W. B. Barney, state food and dairy commissioner of Iowa, asking that he be enjoined from enforcing the provisions of the act

TRY THIS FOR CATARRH

Get a HYOMEI (pronounce it High-ome) outfit today. Pour a few drops from the bottle into the inhaler that comes with each outfit, and breathe it in four or five times a day.

Immediately you will know that HYOMEI soothes and heals the inflamed and irritated membrane.

But HYOMEI does more than soothe and heal; it kills the germs, those persevering pests that are at the root of all catarrhal conditions.

"Last year I suffered terribly with catarrh. I used one bottle of HYOMEI, and my catarrh was better."

—Miss Helen McNair, Loyaltan, Cal. A complete HYOMEI outfit, including a bottle of HYOMEI, a hard rubber pocket inhaler and simple instructions for use, costs only \$1.00. If you now own a Hyomei inhaler, you can get an extra bottle of HYOMEI for only 50 cents at Wilkinson & Co. and druggists everywhere.

Guaranteed to cure catarrh, cough, asthma and sore throat, or money back.

passed by the legislature in 1907 looking to the prevention of fraud in the sale of agricultural seeds and concentrated commercial feeding stuffs, and further asking that the act be declared unconstitutional and void. It is claimed that it is in contravention of the constitution of the state of Iowa and of the United States. The plaintiff alleges that its remedy is a medicinal preparation, and not a food stuff, that the act is not a general one, but unequal in its effect, that the state commissioner discriminates in his prosecutions and the collections of fees, that the \$100 annual license fee is excessive and unreasonable and that the act is not uniformly enforced. James C. Davis of Des Moines, general attorney in Iowa for the C. N. W. railway is one of the attorneys for the plaintiff.

Afternoon Session.

The trial of Beatrice Keys, colored, charged with attempted murder, was set for Monday.

Cale Hewitt and George Dunbar will enter their pleas to the charge of breaking and entering, at 4 o'clock this afternoon.

The jury was excused until Monday morning at 9 o'clock.

Sam Davis, charged with wife desertion, entered a plea of guilty. He was sentenced to six months in the county jail, time being waived.

John E. Craig was appointed temporary administrator of the estate of Louise J. Shelley. The probating of will was passed for hearing until the November term of court. Attorney Craig is required to give \$40,000 bond. The will is being contested. It was said this afternoon that the bond will be reduced to \$20,000. In court this afternoon Major Collins estimated that the administrator would have charge of nearly \$20,000 in personal property.

MAKE SHIFTS IN FOOTBALL TEAM

Coach Rock Not Overly Confident That Team Strong Enough But Hawkes Has Faith.

In an effort to strengthen Keokuk's offense Coach Rock of the high school football team will shift Harold Bowlby from end to halfback in the game against Quincy tomorrow. Pease, who played halfback last Saturday, will either supplant McGrath in center or will remain as a substitute, while Meador will play an end position.

The men who will compose the squad are McGrath, Bickel, Peters, Meinhardt, Elder, Davis, Meador, McManus, Bowlby, Hawkes, Wycoff, Heinemann and Pease. They will go to Quincy on the south bound K line train at 8:40 o'clock.

The present week has been devoted to stiff practice and Captain Hawkes is confident that the men have improved. Despite the overwhelming defeat administered to Fort Madison in the opening game here, the local team put up an exhibition that would admit of great improvement.

Their work in running back kicks was weak and little variance was shown in the attack. Against the Quincy high school the offense will have to show a decided improvement.

CITY NEWS.

A. J. Fields is the new night police patrolman, having been chosen from the list of eligibles by the commissioner of the department. Officer John Tigue is taking a vacation.

Workmen expected to finish the work on Tenth street, between Leighton and Grand Avenues today. The street is now one of the finest driveways in the city, and adds much to the beauty of platted Keokuk.

Ella and Arthur McCamel plead not guilty in court this morning to the charge of disturbing the peace. They were bailed out of the city this afternoon on their way to Peoria.

There will be dancing at the Country Club tomorrow evening from 7:30 to 10 o'clock, the event probably being the last dancing party of the season there. The ladies will not serve supper, but no doubt many picnic parties will be enjoyed on the grounds.

The fire department made a run to Tenth and Leighton streets this noon when a large kettie of tar was in a blaze. Many thought that a large amount of tar was in progress from that of smoke that was rolling over that section of the city. Street workmen are completing Tenth St. today from Leighton to the avenue, and it was during the process of putting the tar treatment on the street that the kettle of black stuff became afire.

The "jerseys" for the members of the K. H. S. foot ball team arrived today from the sporting goods house. They are blue with an eight inch stripe around the lower part of the bodice, in white. Each garment cost \$2.50 and are very attractive and serviceable pieces of goods.

Al. Allen, the evangelist and reformed "punk," spoke to the boy's Athletic association of the High school this afternoon at four o'clock. Speakers will be secured every two weeks to address the A. A. if they can be gotten a line on by the officers of the association.

Character From Cigars. Character from handwriting and palmistry we are acquainted with, but a Paris contemporary announces that dispositions can be gauged from cigars. The man who smokes, we learn, is easily recognized. His lips show it, without his speaking. He who flexes his cigar deeply in the mouth is of a nature resolute, skeptical and abrupt; one who bites off the end of his cigar is careless, thoughtless or listless. When the cutter is used to nip off the end, the smoker may be considered as a man of caution. The user of the amber holder may be considered a delicate person. The man who smokes his cigar to the end is a faithful friend, a constant husband and of persevering nature. If one is in the habit of throwing away the cigar when only half smoked he may be considered fickle, blase and a trifler. Furthermore, characteristics can be deduced from the habit of allowing the cigar to die out. Such a person suffers from want of memory. He may have aptitude for mathematics, but he is not selfish.

Tattooed by Lightning. Herr Lehmann, a well-to-do farmer, was returning home to the village of Wilen (Canton Thurgovie) the other day, when in a thunderstorm he was struck by lightning. His hat, collar, suit and boots were burnt on the left side, while on the right he was untouched. Lehmann was found senseless, but soon recovered, and is fairly well now. Curiously enough it was found that his left side had been beautifully tattooed by the lightning, the skin being entirely covered with "prints" of oak, chestnut and birch leaves.
