

### COUNTRY CLUB FOR ANOTHER YEAR

Verbal Agreement Entered into for Rent of Grounds During the Coming Season and Improvements Talked.

### PAST SEASON SUCCESS

Club Will Tide it Over With Balance on Hand—Social Features for Year at End—Plans Briefly Outlined.

A verbal agreement has been entered into between directors of the Keokuk Country Club and owners of the property on which the club is situated whereby the Country Club may occupy its present site for another year. The matter was closed up this week at a conference held in the Keokuk Savings Bank relative to club affairs. The property, comprising between twenty and thirty acres, is owned by A. E. Johnstone, Frank W. Davis and William Ballinger. There has been talk during the past two years of new grounds, but as long as the present site can be secured the Country Club will remain where it is.

It is said that the club will tide over the present season with a balance of a few hundred dollars on hand. The finances have been welded by an economic hand, although some improvements have been made. Quite a little money was spent on the golf course early in the season, but it was found that less work had to be done on it in mid-season than ever before. Early improvements that were good ones were also made to the club house.

The golf course has been in better condition this season than in previous years and more interest has been taken in the game than heretofore. The course was lengthened and the greens improved. Already changes in the golf course for next year are being pointed out. One especially is badly needed, that being a filling in to a certain extent of the ditch protecting green No. 3. This has been found to be an unfair hazard to the player who can reach that green on his second shot, and it will likely be done away with, or the ditch so rounded out that the ball can be played.

The dancing for the season is at an end, the curtain having fallen on the social features of the club several weeks ago. The custodian will complete his work by November 1. Unless unusually cold weather sets in golf will be played until December 1.

### \$100 Reward, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease requires a constitutional treatment. Hall's Catarrh Cure is an internally acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

## How to Get Rid of Your Constipation—Trial Free

It is too long a story to tell of all the different methods resorted to for the cure of constipation, ranging, as they do, from massage to stomach pads and from simple salts to powerful cathartics. It is only after a person has tried these makeshift methods that he begins to realize how futile they are.

Waste no further time on them but try a scientific preparation, one that has some basis in reason and fact, and then watch results. The remedy for the intelligent, who are striving for permanent not temporary results, and do not want their intestines nearly strangled by the average violent cathartic, is Dr. Caldwell's Syrup Pepsin, which has been on the market for so many years that its stability is assured. Any druggist will sell you a bottle—it is a liquid remedy and not a pill—at fifty cents and one dollar, but if you hesitate about buying, even in spite of numberless testimonials, then write Dr. Caldwell for a free sample bottle, which he will gladly send you on receipt of your name and address. Thousands of persons have recovered the perfect use of their stomach and bowel muscles by first

### The Snug Fitting Coat Collar—It's Clothcraft!

THE coat collar is one of the things that make a hit with you when you wear Clothcraft. It sits up to your collar as if molded to it.

But it is only one of the Clothcraft points of superiority. There's the style—the shape—the non-breakable coat front—the non-sagging pockets.

And there's the guaranty of the maker—and ourselves—that Clothcraft is pure All-Wool—nothing else.

Yet you get your Clothcraft suit at \$10 to \$25. Wouldn't it be foolish to take a chance with ordinary clothes—when you can get Clothcraft with the guaranty—for the same or less.

Mrs. Lydia Pfister visited over Sunday with friends in Burlington.

C. H. Crandall and family left Tuesday for Wichita, Kans., where they expect to make their future home.

Mr. and Mrs. Will Beard of Versailles, Mo., are visiting at the home of Mrs. Frank Lightfoot.

Miss Lottie Ponte of this place and B. O. Ball, of Revere, Mo., were married Thursday evening at the M. E. parsonage. This popular young couple will make their home in Peaksville, Mo., where the groom is engaged in the mercantile business.

Mrs. Margaret Boyer has gone to Davenport to spend the winter with her daughter, Mrs. John Hassman.

Mrs. D. T. Sallenbarger and son of Allerton visited Friday evening with Mrs. A. H. Hartwick while enroute to Milton to visit relatives.

Mr. and Mrs. Ralph Rigby have gone to Tobias, Neb. where they will visit their daughter.

Miss Cullie Chalfont entertained about thirty-five of her young friends Monday evening at her home west of town. Refreshments were served and a most delightful evening passed.

Mrs. Marion Sargent of Vernon and Mrs. Ellen Wilkinson of Des Moines visited Saturday with Mrs. Adam Leuckel.

### THEY ACTUALLY DO THE WORK

Food Eaten is Worthless Unless Digested—Some Stomachs Must Have Help.

Food taken into the Stomach which, from the nature of the food or the condition of the stomach, is not digested, is worse than no food at all. This is a true statement as far as it goes and a great many dyspeptics go only this far with their reasoning. They argue with themselves that because their stomachs do not do the work given them, they must be given less work; in other words, they must be starved. It would be just as sensible for a business man who is unable to do all his own work to cut down his business to his own capacity as it is for a man to starve himself to relieve his stomach. The sensible business man employs help and goes forward with his business. Likewise the sensible dyspeptic will employ help for his stomach and give his body proper nourishment.

Stuart's Dyspepsia Tablets actually do the work assigned to them. They relieve weak and overburdened stomachs of a great portion of digestive action. Their component parts are identical with those of the digestive fluids and secretions of the stomach and they simply take up the grind and carry on the work just the same as a good, strong, healthy stomach would do it.

On this account Stuart's Dyspepsia Tablets are perfectly natural in their action and effects. They do not cause any unnatural or violent disturbance in the stomach or bowels. They themselves digest the food and supply the system with all the nourishment contained in what is eaten and carry out Nature's plans for the sustenance and maintenance of the body.

How much more sensible is this method than that employed by many sufferers from weak stomachs. By this means the body and brain get all the good, nutritious food they need and the man is properly nourished and equipped to carry on his work and perform his duties. He could not possibly be in proper working condition by starving himself or employing some new fangled, insufficient food that does not contain enough nutriment for a year-old baby. A strong man doing strong work must be properly fed and this applies to the brain as well as the body.

Stuart's Dyspepsia Tablets, by relieving the stomach of its work, enable it to recuperate and regain its normal health and strength. Nature repairs the worn and wasted tissues just as she heals and knits the bone of a broken limb, which is of course not used during the process of repair.

Stuart's Dyspepsia Tablets are for sale by all druggists at 50 cents a box and they are the one article that the druggist does not try to sell something in the place that's "just as good." Their unequalled merit and success and the universal demand for them has placed them within the reach of everyone.

"WHAT A GIRL CAN DO" At the Grand Oct. 31, matinee and Night.

"It Beats All" This is quoted from a letter of M. Stockwell, Hannibal, Mo. "I recently used Foley's Honey and Tar for the first time. To say I am pleased does not half express my feelings. It beats all the remedies I ever used. I contracted a bad cold and was threatened with pneumonia. The first doses gave great relief and one bottle completely cured me." Contains no opiates. Wilkinson & Co.

The Power of Right. As I myself look at it, there is no fault nor folly of my life—and both have been many and great—that does not rise up against me, and take away my joy, and shorten my power of possession of sight, of understanding. And every past effort of my life, every gleam of righteousness or good in it, is with me now, to help me in my grasp of this art and its vision. So far as I can rejoice in or interpret either, my power is owed to what of right there is in me.

I dare to say it, that, because through all my life I have desired good and not evil; because I have been kind to many; have wished to be kind to all; have willfully injured none, and because I have loved much, and not selfishly; therefore, the morning light is yet visible to me on those hills, and you who read may trust my thought and word in such work as I have to do for you, and you will be glad afterward that you have trusted in them.—Ruskin.

### ANNIVERSARY OF GERMAN CHURCH

Long to be Remembered Occasion Was Held at Donnellson on Last Sunday, October 16th.

### CHURCH TOO SMALL

Attendance at These Services Was so Large That All of the People Could Not Get Inside.

DONNELSON, Ia., Oct. 28.—Sunday, October 16th will long be remembered by the members and friends of St. Paul's German Evangelical Church of our city, for whom it was a day of gladness and rejoicing, a day never to be forgotten by any one attending any of the services. It marked the celebration of the sixtieth anniversary of the congregation, the dedication of the newly built, splendidly modern parsonage and the annual mission festival. The occasion was favored by delightful autumn weather and as a result the three services were attended so largely that the church proved far too small to receive all the people, and great numbers had to sit on the outside, the weather being warm, making it nice to so even hear the sermons.

The services in the morning were for the celebration of the anniversary and dedication, the afternoon and evening were for the annual mission festival. It was a most impressive view to witness the great concourse of people, some of whom had come many miles to help in the celebration. Among others the Mennonites, Methodists and Presbyterians were represented in goodly numbers. At the morning service Rev. C. D. Reichle, Ph. D. Kahoka Mo., preached a very interesting dedication sermon, one well adapted to the occasion. Immediately following this service the formal dedication of the parsonage took place, the ceremony being performed by Rev. S. D. Press of the Eden Theological Seminary, St. Louis. The impressiveness of the exercises were greatly enhanced by the songs of the choir and the beautiful decorations of the church in honor of the occasion.

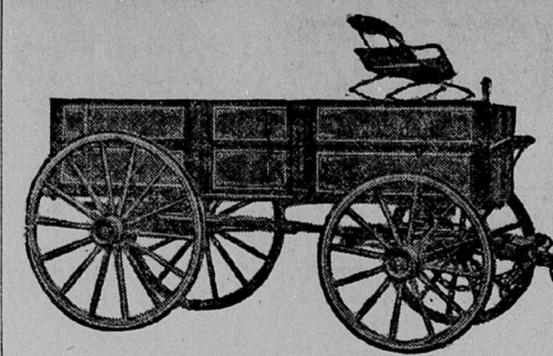

The newly dedicated parsonage is a beautiful place, equipped with all modern conveniences, and makes a home that all members of the church can feel proud of. In the afternoon Rev. Perl of Primrose, preached an enthusiastic sermon on Home Mission work and Rev. Trefzer of Franklin delivered an animated address on Foreign Mission work. The English sermon in the evening was delivered by Prof. Press, a scholar and thinker with a heart burning for Christ and his work; he delivering an inspiring sermon on Mission in General, and the choir singing beautiful songs, both in English and German.

The close of this day of festivities was reached by an earnest, interesting German sermon preached by Rev. P. P. Hilly, of the Mennonite church. The festival day with its impressive exercises and great attendance of people, argues well for the future of St. Paul's Church of Donnellson. Let all of its members, and especially the younger ones come forward to the support and aid of their church at all times, with that zeal and enthusiasm which characterized this festival day that marks an epoch in the church's history, then all will be well. The success of this day in the church life is due to the energetic work of the pastor, trustees and other earnest workers of our church, who, with the grace of God, are faithfully seeking the welfare of their charge, feeling the great responsibility that the position they have involves. May God bless our further efforts in the noble work of our Savior and King, and prompt every member of our church, then St. Paul will not only become the source of greater blessings still in the future, but will be a factor which makes for righteousness and good in the whole community.

History of St. Paul's Church. The first steps to organize our church were taken in the year 1850, when Rev. M. Kroenlein began preaching to the German farmers in the vicinity of Franklin and Sugar Creek. Twenty-five men organized a congregation and erected a small stone church about 1 1/2 miles north or our city. A parsonage was built in 1877, and 16 years later a new and larger church could be erected in the city of Donnellson to accommodate the

### Sanitation in the Bathroom

In the bathroom the closet requires constant attention and frequent, thorough scrubbing. Rinse the seat and flush freely. Put into the bowl of the closet a handful of Gold Dust washing powder and let the solution stand for some time. Then take an old broom and scrub all the parts that can be reached, especially into the traps as far as possible. Flush again, and add more of the washing powder and wash under the flushing rim and all parts inside and out. Stains of iron from the water if not removed by the scouring, may be removed with a few drops of hydrochloric acid.

## The inspection of an I. H. C. wagon makes sure that it is worth the price.

You know what it means to have good weather-seasoned felloes and spokes of oak.

You know what it means to have the bed of your wagon properly reinforced over the bolster; to have the tires so set that they won't dish your wheels in the first cold weather or rattle them loose in the first heat.

I. H. C. wagons must stand rigid factory tests before you make your test. They must be right at the start and stay right to the finish. No wagon is shipped until it has been proved "100 per cent perfect."

A good wagon should last as long as a good horse. I. H. C. wagons do. A dealer everywhere.

growing membership. On June 16, 1900 they celebrated their golden jubilee under the pastorate of Rev. Rev. Sterch.

While Rev. Fauch was pastor the interior of our church was beautified in many ways. In 1907 Rev. Wm. Wreiss became pastor of the St. Paul's congregation. Under his administration the new parsonage was built, which was dedicated October 16, 1910. The congregation has been served by the following pastors: Rev. M. Kroenlein, 1850-57. Rev. M. Quinns, 1857-59. Rev. J. J. Kern, 1859-61. Rev. H. Braschler, 1861-67. Rev. D. Ankele, 1868-70. Rev. C. H. Hoffmeister, 1870-73. Rev. Berges, 1874-45. Rev. Kern, 1876. Rev. Daid, 1876-84. Rev. Echelmeyer 1884-86. Rev. Rasche, 1887-89. Rev. F. J. Duschman, 1890-93. Rev. Sterch, 1893-1900. Rev. C. Fauch, 1900-1907. Rev. Wm. Kraus, 1907, present pastor.

The congregation with a membership of 103 families and several individual members, is in a prosperous and flourishing condition. At present there are 118 Sunday school scholars, a S. S. society with thirteen members, young men's aid society with fifteen members, young people's society with forty-five members, and a church choir with twenty members. During the last 25 years there were baptized 317 infants, 229 children confirmed, 71 couples were married, and funeral ceremonies conducted, while 3890 persons partook of the Lord's Supper.
