WHEREABOUTS OF LOGAN DODDS

Former Keokuk Boy Departed Davenport Suddenly and Parents Seek to Locate Him. For three months past the whereabouts of Logan S. Dodds, of Davenport, Iowa, the son of Capt. S. R. Dodds, of the steamer Venona, has puzzled the detective agencies in many of the large cities of the United States, according to a statement given to The Gate City this afternoon by the young man's father.

Logan Dodds, well and favorably known in Keokuk, where he spent a greater part of his life, disappeared from his home in Davenport early in August. His departure was of a sudden nature for he left with only a light suit of clothes on and wore a straw hat. His dentist parlors were left open. Shortly after his leaving the family became alarmed and has since instituted a wide search for him, but it has not been attended by success.

RUTH SEES A VICTORY

Although Judgment for \$500 Was Found Against Him He is Well Satisfied. The \$10,000 damage suit against Dr. C. E. Ruth, the well known surgeon, tried this week at Kirksville, Mo., resulted in a verdict for \$500 being found for the plaintiff, Miss Addie Burnett, but Dr. Ruth is congratulating himself, for he feels he has been victorious, even though he will have to satisfy the small judgment.

Miss Burnett claimed that she has been defigrated for life by the X-ray upon her face by the Keokuk physician. The machine had been applied for the use of removing superfluous hair. Two scars remained after the treatment, to mar the young woman's beauty.

SALVATION ARMY CAMPS

For Mothers and Children.

Hundreds of tired mothers and sickly children were given fresh air and rest during the past summer by the Salvation Army at its fresh air camps.

There are many tired mothers who have sickly children who were not fortunate enough to be given such an outing and we ask those mothers as a duty to themselves and their children to read the two following letters.

Mrs. Rose Hawthorne Lathrop, who has done so much good among the children of New York City, says: "Little children seem to delight in taking Vinol. In my work among the destitute sick, I give Vinol in many cases where it would be impossible to give cod liver oil in any other form, on account of the extreme weakness of the patient's stomach. I have known Vinol to restore appetite and infuse new life in many cases of sick women and children when everything else failed."

Mrs. C. W. Stump, Canton, Ohio, says: "I wish I could induce every mother who has a weak, sickly child to try the delicious cod liver preparation, Vinol, as it restored health and strength to our daughter after all else had failed."

Vinol is a boon to weak mothers and sickly children. If it fails to give satisfaction we will refund your money. McGrath Bros., Drug Co., Keokuk, Iowa.
