

The World's Best Medicine

There is no time in the life of man or woman when Duffy's Pure Malt Whiskey will not help. Mrs. Jennie Gardner, one of our patients, is passing through woman's most critical period and she is enjoying the best of health.

In her letter she says: "With pleasure I allow my name and testimony to be used for the benefit of those who know not the merits of Duffy's Pure Malt Whiskey. I think it is the best medicine in existence. I am now passing through the most critical period of women's life (The Menopause or Change of Life). I am enjoying good health, better than for years and all through this wonderful change have suffered comparatively no inconvenience at all. This is remarkable, but nevertheless it is true. I could not do without Duffy's Malt. I expect to use it all my life." Mrs. Jennie Gardner, Monett, Mo.

Duffy's Pure Malt Whiskey

It is one of the greatest strength builders and tonic stimulants known to science. Its palatability and freedom from injurious substances render it so that it can be retained by the most sensitive stomach. It improves the digestion and assimilation of the food and gives tone and vitality to every organ in the body. It has been used with remarkable results in the prevention and cure of consumption, pneumonia, grip, coughs, colds, asthma, low fevers, stomach troubles and all wasting and diseased conditions. Recognized as a family medicine and prescribed by physicians everywhere.

CAUTION.—When you ask your druggist, grocer or dealer for Duffy's Pure Malt Whiskey be sure you get the genuine. It is an absolutely pure medicinal malt whiskey and is sold in SEALED BOTTLES ONLY—never in bulk. Look for the trade-mark, the "Old Chemist," on the label, and make sure the seal over the cork is unbroken. Price \$1.00 a large bottle. Write Medical Department, The Duffy Malt Whiskey Co., Rochester, N. Y., for an Aseptic Drinking Cup, also doctors' advice, and an illustrated medical booklet containing testimonials and common sense rules for health, sent free.

Pasteur's Revenge. In that one of the hundred best books Vallery-Radot's "Life of Pasteur" we read the story of his misery. It is nothing to say that the work nearly broke his heart. But it broke neither his faith nor the straight line of his work. Only a sort of rage possessed him to redeem and console France by working for her. Henceforth," he said, "every one of my books shall have written on it these words, Revenge, revenge, revenge." And this was his revenge, to set the name of France in the honors list of science higher than ever; to give the rest of his life to her service, and to wear himself out for her sake.
