QUINCY TO MAKE FIRST PAYMENT

\$500 as First Block of Money for Release Must be Delivered to Justice by Thursday.

BURLINGTON, Dec. 27.—The deal between the Central association and Quincy for the latter's release from this circuit, will be closed tight on the 29th of this month. At that time, according to Pres. Justice's instructions to the Quincy directors, they must pay down \$500 cash and give a note for the remaining \$2,000 of the release price to be paid not later than February 1, 1911. The Quincy people have accepted the terms and are prepared to meet them to the full. Quincy is a live base ball success in finally influencing the Central directors to let it go, and they are not going to hesitate now at a little thing like \$2,500. There are men back of the organization there who could pay the amount without feeling it, but the general desire is that the people shall be given a chance to assist, so a number of entertainments will be given, the proceeds from which will go to make up the sum, and the amount still needed will be raised by subscription. In order to insure no failure in this plan, however, it is probable that \$5,000 will be borrowed on a note, signed by the directors, which sum will be available for the payment of the Central association release price, the \$1,000 necessary for the Three-Eye league franchise, and any other expenses likely to be incurred in getting firmly anchored in the latter league. Quincy is a live baseball city when they have their own way, and in this case they certainly have won out beautifully.

INNOVATION OF AL TEARNEY

President of Three-Eye League Will Present Loving Cup to Springfield, But No Pennant.

CHICAGO, Dec. 27.—It was up to President Al Tearney of the Three-Eye league to make a decided departure from the regular rule of things in baseball yesterday. It has been the custom of leagues since base ball became organized to fight for the "pennant" and that championship rag has always been a delight to ardent fans. But Al Tearney is changing things.

There was no pennant for the championship Springfield team of the Three-Eye league for the season of 1910. Instead President Tearney will present the champions with a huge silver cup. In place of the spring ceremony of "raising the flag" the fans will gather at Springfield and "raise the cup" at a big dinner to be given to President Kinsella at an early date.

JACK BURNS EASY FOR BILL LANG

Australian Pugilist Awarded Decision on Points at End of Twelve Rounds.

LONDON, Dec. 27.—Bill Lang, the Australian pugilist, and Jack Burns of California, met in a twenty round match at Olympia yesterday afternoon. The referee, Eugene Corri, stopped the contest in the twelfth round and declared Lang the winner. Burns fought gamely, but was out-classed. Lang, after the first few rounds apparently doing what he liked with him. There were 7000 spectators present.

In the first three rounds Lang did all the leading, landing heavy blows and administering severe punishment. He tried hard for a knockout, and nearly succeeded in the second round, when he sent Burns sprawling, the gong alone saving him. The American apparently reserved himself in the fourth round, but was again subjected to a severe grueling, which he took pluckily. In the next two rounds there was much clinching, and Corri was obliged to enter the ring and separate the men. Lang again floored the American, whereupon the crowd cried "foul," but Corri did not notice the appeal. Lang was still doing nearly all the work.

Burns Gets Good Beating. The seventh was a fairly even round, both giving and taking hard punches. Burns had another narrow escape from being knocked out in the eighth round, the gong again saving him. There was some good hitting in the ninth round, but science was lacking. There was much clinching, during which Burns managed to administer several good right jabs under the chin. Honors were again easy. Lang had decidedly the better of the tenth round. He played for a knockout, but still Burns withstood him. The gong for the third time saved the American in the eleventh round,

after Lang had sent him to the boards. The Australian was now a certain winner. Burns came up groggy in the twelfth round. Lang, seeing his advantage, went for his opponent, landing rights and lefts. After a minute's fighting Corri decided that Burns' chances were hopeless and awarded the match to Lang on points.

PAPKE LOSES FIGHT TO SMITH

Australian Middle-Weight Champion Has It On American Fighter in Twenty Round Go.

SIDNEY, N. S. W., Dec. 27.—Dave Smith, the Australian middle-weight champion, and Billy Papke, one of the American pugilists who have been touring through this part of the world and giving exhibitions, met in a twenty round match here with the result that in the tenth round the American was disqualified for fouling and the fight was awarded to the Australian.

Smith took the lead at the start and the fighting was lively, but the American seemed to have lost much of the vim with which he was credited. Later, he recovered some of his spirits and attempted to mix things with Smith, but the latter held him off, not however without considerable difficulty. It was necessary for the referee to warn the American several times, and in the tenth round he decided that Papke was fighting foul and disqualified him. Papke claims that he was not thoroughly fit. The climate here having affected him. It is believed that had the fight continued Smith would have won anyway. He held the advantage all through and surprised some of his friends, who rather doubted his ability to stand up before a man of Papke's class. Each man scaled 165 pounds.

Dr. Babb Wins Medal. Dr. John Babb, formerly of Keokuk, is now the three cushion billiard champion of Peoria, having won the title recently in his home city. He has been in Keokuk during the past few days and has with him a handsome medal emblematic of the title. Dr. Babb was one of Keokuk's best pool players several years ago but is now giving the greater part of his time to the three cushion game.

Thirty-three swimmers participated.

Lange Easily Whips Burns.

LONDON, Dec. 27.—Bill Lange, the former heavy-weight champion of Australia, severely punished Jack Burns of California in a go at the Olympia. The match was for twenty rounds, but the referee stopped the fight, in the twelfth to save Burns from further pounding and declared the Australian the winner.

Lange sent the American to the floor several times. A big crowd witnessed the bout.

London Wants Moran and Wolgast.

Moran expressed his willingness to accept the proposition.

Lassoed Swimming Deer.

While coming down the Columbia river yesterday afternoon in his launch, The Dix, Capt. W. L. Beyer captured a full-grown deer, which was attempting to swim across to the Washington side, says the Portland Oregonian. Seeing the deer in the distance, Captain Beyer headed his launch to the opposite side and finally got close enough to lasso the deer.

The first throw was successful, and for several minutes there was a tug of war of an exciting nature. The deer was finally subdued and hauled on deck. Captain Beyer came on to Portland, arriving last evening with his prize.

Captain Beyer announced that he would present the deer to the city.

THE CHILDREN ENJOY

Life out of doors and out of the games which they play and the enjoyment which they receive and the efforts which they make, comes the greater part of that healthful development which is so essential to their happiness when grown. When a laxative is needed, the remedy which is given to them to cleanse and sweeten and strengthen the internal organs on which it acts, should be such as physicians would sanction, because its component parts are known to be wholesome and the remedy itself free from every objectionable quality. The one remedy which physicians and parents, well informed, approve and recommend and which the little ones enjoy, because of its pleasant flavor, its gentle action and its beneficial effects, is—Syrup of Figs and Elixir of Senna—and for the same reason it is the only laxative which should be used by the fathers and mothers.

If you would have them grow to manhood and womanhood, strong, healthy and happy, do not give them medicines when medicines are not needed, and when nature requires assistance in the way of a laxative, give them only the simple, pleasant and gentle—Syrup of Figs and Elixir of Senna. As you value the health of the little ones, do not accept any of the substitutes which unscrupulous dealers sometimes offer to increase their profits. Please to remember, the full name of the Company—California Fig Syrup Co.—is printed on the front of every package. To get its beneficial effects it is necessary to purchase the genuine only. Buy a bottle today to have in the house when needed. Put up in one size only. Regular price 50c a bottle and for sale by all leading druggists.

Two of a Kind. The old farmer stopped his scythe and unbent. Then he halled his wife. "I thought 'Manda was goin' to help you with th' cookin' today?" he cried. "Manda's gone over to Sallie Beasley's," was the reply. "They're havin' a garden fete for Priscilla Hincley's friend from Tewksbury." She paused and looked around. "Wasn't Henry goin' to help you with th' mowing?" "Henry's gone over to Tom Pitkin's to play golf with th' new minister." They looked at each other. "Two silly old fools," muttered the farmer. "Yes, Abijah," the woman meekly agreed. And he went on with his lonely mowing and she returned to the quiet house with her basket of eggs.
