—You should get a permit to smoke next week.  
—Miss Anna Kelley of 802 South Fourteenth street, is seriously ill with pneumonia.  
—About eight o'clock last night, the fire department was called to the Frank Schenk residence, 1016 Fulton street, a gasoline stove having exploded and caused alarm among the members of the family, lest the house catch fire. No damage resulted from the blaze which lasted only a minute or two.  
—Fort Madison has been named as the place for holding the annual tri-state meeting of medical men of Iowa, Illinois and Missouri. This is an honor not usually bestowed upon a city the size of Fort Madison. A number from Keokuk will likely attend, but the meeting will not be until September.  
—Those who attended the opera last evening, remember the clash and clank of swords in the third scene of the stirring climax to that installment of the piece "Il Trovatore." Yesterday in speaking to a press man, one of the members of the Aborn company said that on last Saturday while the weapons were being struck together, one of the members of the cast was struck on the nose with a sword and the actor thought that his nose had been cut from his face. The wound was attended to and did not prove as bad as the scathed warrior thought.

—Get a permit to smoke on the street next week.  
—Regular meeting of Keokuk Aerle, No. 633, F. O. E. tonight at Eagles Hall, 8th and Main at 8 o'clock, visiting brothers always welcome. Chas. A. Noakes, Secretary.  
—Correct and prompt shoe repair work done at Karle's, 814 Main.  
—At the Seventh Street Baptist church Tuesday afternoon, appropriate services for the late Henry McGinnis, colored, were conducted by Rev. Brown, assisted by the choir of the church. Those who acted as pallbearers were: J. W. Henderson, John Thomas, Henry Brooks, Zack Taylor, R. B. Sheldon and Dave Lapsley.  
—Buy the Spooner horse collar at Sherwoods'.  
—The dog owned by George Inman was run over and killed yesterday noon at Fourth and Main by one of the Water Power Company's autos which was driven by a young lad and was at the time going at a pretty good speed. A number of people witnessed the dog's demise.  
—Get a permit to smoke and take it home to show your wife. They will be issued next week.  
—Keokuk Camp M. W. A. No. 622 will hold its regular meeting tonight at Woodman hall. All members are requested to be present.  
—Don't neglect to get your permit to smoke next week.  
—Regular meeting of Hermann lodge, No. 116, I. O. O. F., tonight at 7:30 o'clock. Visiting brethren cordially invited.  
—Ottumwa will in all probability entertain the annual encampment of the Fifty-fourth regiment, Iowa National Guard, this year. At the officers' school held in Iowa City, the early part of the month it was decided to hold a state camp again this year and three cities, Ottumwa, Burlington and Iowa City are applicants for the encampment. Ottumwa's opportunities are the best. The soldier boys at the encampment held last summer in Iowa City voted almost unanimously for Ottumwa and this city is preferred by many officers of the regiment. Next to Ottumwa, Burlington has the best chance. That city has been after the encampment for many years. While Iowa City is an applicant for the camp her chances are very poor. In the first place, she has entertained the Fifty-fourth regiment for two years in succession and this is something which hardly ever occurs. Her third application, however, shows that she is willing to entertain them another year and members of the Fifty-fourth are always welcome in the university city.  
—Let Sherwood repair your harness.  
—An event which is of interest to Iowans residing or wintering in southern California is the annual picnic of the Iowa association of southern California, which will be held at East Lake park, Los Angeles, on February 22. An effort is being made by the newspapers of the south portion of the Golden State to bring together on that occasion every Hawkeye visiting or residing in that country. Many states hold reunions in California during the winter, but none are attended as well as those held under the auspices of the Iowa society. In Iowa at the present time there is considerable regret expressed that California is taking away so many Iowans, but when all is said and done, the annual migration of the Hawkeyes to the Land of Flowers clearly indicates that the Hawkeye state possesses a larger percentage of well-to-do tourists than any state in the middle west, and the annual influx of such an army of Iowans stands as a testimonial of the prosperity of the best state in the union.

—Larger compartments should be built by the city if sleepers are to have a place to snooze, the station being nearly overrun with the wearies who drop in each evening to slumber till the gray dawn peeps. Last night there were eleven of these fellows who asked for lodging at the jail: Beside these there were four drunks and a number of others who are already serving time so that there was a full house and agitation of larger police headquarters seems almost imperative at the present time as does the crowded hotel question which has been mentioned and is being given the attention of those who are behind a movement to provide a larger hostelry.  
—A negro by the name of McCampbell, fiery drunk, drew a knife on two boys by the names of Pollard and Burrows at Seventh and Timea streets last night about supper time. The youngsters grabbed the black man, knocked him down and sat on him until some one called the patrol and the hoodlum wagon arrived. The sight of the two boys sitting on the fellow with the ace of spades hue and saying, "We've got him for you," to the police, was a laughable one.  
—Funeral services held for Mrs. Katherine Fry yesterday afternoon were attended by many friends of the late, beloved woman. Floral tributes were numerous and the casket was amassed with the beautiful offerings from friends. The Rev. Harry B. Foster of the United Presbyterian church officiated at the services which were held at the residence. The following gentlemen assisted as pallbearers: Messrs. Thos. Frazer, G. C. Vanwerden, Jas. Breheny, Harry Pagett, W. S. Sample, and S. C. Westcott.

### She Stayed in Bed.

Ingram, Texas.—"Ever since I became a woman," writes Mrs. E. M. Evans, of this place, "I suffered from womanly troubles. Last fall, I got so bad, I had to stay in bed for nearly a week every month. Since I have taken Cardui, I feel better than I have for years." You can rely on Cardui. It acts on the womanly organs and helps the system to regain its normal state of health in a natural way. Prepared especially for women, it prevents womanly pains by acting on the cause, and builds up womanly strength in a natural way. Purely vegetable. Mild, but certain in action. Try it.
