## SOPHOMORES WIN IN DUAL MEET

Seniors Are Not Strong Enough for Third Class Men and Supremacy is Clearly Established.

## DEVERO WAS THE STAR

Sophomore Gathered Twenty-One Points With Three Firsts and Two Seconds—1/2 Mile Was Fast.

The Sophomore class of the high school defeated the Seniors in the dual track meet at the Y. M. C. A. gymnasium by the score of 33 to 26, last evening. The meet was occasioned by a tie for second place in the recent inter-class high school meet.

The star performer of the evening was Devero, whose work was mainly responsible for the C class victory. He scored three firsts and two seconds. The last lap of the half mile run by Fulton and Devero was caught in the time of 2:43 1/4, which is considered good on the improved track in the "Y" gym.

### Summary.

Twenty yard dash—Devero, first; Heinemann, second; Davis, third.

## Rheumatism Comes From Bad Kidneys

Once Your Kidneys Work Properly, Rheumatism, Kidney Disease and Bladder Trouble Disappear How to Cure Yourself.

It is no longer necessary to spend months and months undergoing a complicated treatment for rheumatism, kidney or bladder trouble or spend a good many dollars in doctor's bills.

A new treatment can now be obtained which seems to act more like a medicine. This treatment has produced such satisfactory results in a short time that it is now guaranteed from first to last.

There should be no more doubt about the rapid cure of rheumatism, no fears of the fatal termination of treacherous kidney disease or dropsy.

Rheumatism means nothing more nor less than that your kidneys do not work properly. Your blood passes through the kidneys hundreds of times a day to be filtered and purified. When the kidneys are weak, the poisons are not taken out of the blood as they should be. This leads to various diseases, such as rheumatism, terrible Bright's disease, diabetes, dropsy and bladder trouble.

The new guaranteed treatment is Dr. Derby's Kidney Pills. One day's use of them will prove their remarkable effect. M. T. Ridenour of Lima, Ohio, says: "When I feel bad in my back, I just take a couple of Derby's Kidney Pills and get immediate relief."

If you have rheumatism, anywhere, back pains, cloudy, foul urine, pains in the bladder, Bright's disease or diabetes, put your whole confidence in Dr. Derby's Kidney Pills, and you will not be disappointed.

Dr. Derby's Kidney Pills are sold at all drug stores—60 pills—10 day's treatment—25 cents, or we will send them direct from the laboratory of Derby Medicine Co., Eaton Rapids, Mich., prepaid if you wish. If you want to, then first, just tell your druggist to give you a free sample package.

## UNIQUE MATCH TO LEBRONS

Jewelers Had Little Opposition in Match Last Night. Only One Man Rolling for the Power City Club.

## WELLS TAKES THREE FOR GAME PROTECTION

Slumping Team Comes Back and Whips Pennants on Drexel Alleys—a Change in Standing Brought About.

Standing of the Clubs.			
Clubs	P.	W.	L.
Keokuk Club	45	27	18
LeBrons	45	26	19
Olympians	45	25	20
Grand Leaders	45	23	22
Pennants	42	21	20
Wells	42	21	21
Power City	42	17	25
Drexels	42	17	25

One lone bowler and four straw men combined to form opposition to the LeBron team last night in the most unique bowling match of the season. Dowell was the lone opponent and he came mighty near spilling the beans for the Jewelers in the second game. The Power City team failed to put in appearance at the Olympian alleys with the exception of Dowell, and rather than allow the match to go by default the bowler resolved to shoot singly. LeBrons shot 872, 721 and 827, winning the middle game by only 2 pins. Dowell was forced to carry the weight of four 130 games. The best work of the match was by Palmer, who picked two "200" games and averaged 181 2-3. Following are the scores:

LeBrons.			
1.	2.	3.	Avg.
Strickler	179	131	146
Hamill	159	133	135
Burk	177	137	170
Palmer	204	138	203
Maas	123	182	173
872 721 827			

Dowell's games were 150, 168 and 202.

### Ericson Shoots 230.

The work of Ericson, who stepped into the last game and shot 230, featured play on the Drexel alleys in which the slumping Wells aggregation picked up and gathered three straights from the Pennants, who threaten to become cellar chumps if they continue at the present pace. Hiller got a game of 209 and high average of 183. The scores:

## JAKE BECKLEY IS VERY ACTIVE

Carl Weil, Trolley League Player From St. Louis, is Latest One to Sign.

HANNIBAL, Mo., Feb. 24.—That Manager Jake Beckley believes in giving each and every youngster a chance to make good during the try-out season, is evident as he has signed several players from the St. Louis Trolley league and from other places. "Give the youngsters a chance for that is the way I got my start," said Beckley. Every major and minor league baseball player at the present time was a semi-professional player at one time but gradually worked into higher leagues. There is practically no doubt but that Jake is getting together a fast team and one that will be a contender for the Central association pennant in 1911.

Beckley writes the baseball association that the latest man to affix his signature to a Hannibal contract is Carl Weil of St. Louis. Weil played in the St. Louis Trolley league last season and is an infielder. Jake claims that according to the "dope" which he has received that Weil is a fast player.

Other managers of the Central association teams are going after semi-professional players. Bert Hogan is also a firm believer in youngsters.

## HARRY E. CAVE IS BOOSTING SPORTS

Magazine Editor of New York on a Missionary Jaunt in the West Tells of National Movement.

## FOR GAME PROTECTION

Is one of Leading Authorities in Country—is Iowan, Having Been Born and Reared in Burlington.

Harry E. Cave, editor in chief of Recreation, a well known New York magazine published in New York City and devoted to out of door diversions, is in Iowa in the interest of a national movement in which all hunters should be interested. He visited in Des Moines several days ago, a newspaper outlining the plan in the following story:

"Promoting a national federation of the men interested in fish and game protection, Edward Cave, editor of the Recreation magazine, spent a few hours in Des Moines last night, met with some of the local men and took an early train east this morning for Peoria, Ill., where he will meet with the State Association of Illinois. Cave is an Iowan, reared at Burlington, has hunted and fished in most of the unknown nooks of the country and for the last fifteen years has applied himself exclusively in writing out of doors, five years of that time being with Forest and Stream and the latter part of the time with Recreation. He was assistant editor for years, and three years ago was made head of the magazine.

"The movement for the National Federation of Hunters, for which Cave is working at the present time, was outlined by another Iowan, Emerson Hough, who has always taken a deep interest in affairs out of doors. Practically all of the out of doors magazines are pushing the work of the federation, and the men believe that they have a chance of forming a great state and possibly continent wide association to help direct the protection of fish and game and also to see that the various states spend their money honestly and intelligently.

"Illinois is an example of how the hunter is not taken care of and of how state authorities can bungle affairs, said Mr. Cave, in talking of the intentions of the federation. Illinois collects possibly \$200,000 from the sportsmen of the state for the protection and propagation of fish and game. Possibly \$50,000 of this amount is spent for this purpose, and this amount is virtually wasted. It is spent by the game wardens in buying Hungarian pheasants and ring neck pheasants at \$8 a pair. These birds are shipped to Illinois, are kept on the farm for a day or two until they are rested, and then are sent out to be liberated. They are not acclimated, they have not been used to rustling for themselves, and the result is that before the first winter is over the birds, which cost the state \$50,000, are represented by a few scattered pairs, if indeed any females pass through the winter."

"Mr. Cave, like most men who spend part of their lives in the open, is a crank in the subject of sport. He does not believe that a fishing trip, in which members of the party vie with each other in the number of game fish they are able to catch, is real sport, and believes that the biggest fish competition is also harmful to sport. He also believes that there is no greater field for finding out the true capabilities of a man, the true personality, than out in the open fields and by the game fish streams.

"Before coming to Des Moines Mr. Cave appeared at a meeting of the sportsmen of Missouri and will speak before the Illinois association today."

## NO CHANGE IN MACK'S TEAM

Manager of World's Champions Announces Plans for His Spring Training Trip.

PHILADELPHIA, Pa., Feb. 24.—For the first time this season Connie Mack, manager of the world's baseball champions, announced the full strength of the team with which he expects to again make good in the American league and retain the honors won by the Athletics against Chicago Nationals in 1910.

"Between now and the time of our departure for the south I may add a couple of players, or possibly I may find occasion to 'plant' with advantage one or two men I won't need this season. I am always open to propositions," said Mack. "Instead of sending my pitchers to Hot Springs, Ga., in advance of the main squad I am going to ship all the regulars to boil out this year in charge of Harry Davis. This squad will leave March 1, and will remain at the springs twelve days, after which they will join me at Savannah, where I will take charge of the new men."

The thirty-three players mentioned by the Athletics' leader are as follows: Pitchers—J. Coombs, C. A. Bender, H. W. Krause, H. R. Morgan, Eddie Plank, Jimmy Dygert, Lefty Russell, H. A. Tate, E. F. Freine, H. W. Martin, H. Werder, P. Griffin and A. Callomere. Catchers—A. Thomas, Paddy Livingston, J. Lapp, J. Leary and Stephen O'Neill. Infielders—H. Davis, F. Baker, J. Barry, Eddie Collins, J. McInnis, B. Houser, S. Derrick and O. A. Beltzer. Outfielders—Danny Murphy, Rube Oldring, Topsy Hertzell, Briz Lord, Amos Strunk, William Hessler and William Hogan.

"I'll try to use exactly the same team which won the world's championship," said the White Elephant chief. "Just how they will start off depends entirely on the condition of the boys when we come back from Savannah. You never can tell."

## Champion Basket Ball Team Loses.

PITTSBURG Pa., Feb. 24.—The Buffalo Germans, world's champions at basket ball, were defeated for the first time in three years by a military team. The score was 19 to 14. The Germans had won 111 consecutive games previous to this defeat.

## McFarland and Moran to Meet.

NEW YORK, Feb. 24.—Packy McFarland, the Chicago lightweight, and Owen Moran, the visiting Briton, agreed to weigh in at 135 pounds at 5 o'clock on the afternoon of March 14. They will fight that night at the Fairmount A. C.

## HOWARD ELLIOT OFFERED POSITION

Is Requested to Take High Office of Railroad and Name Own Salary.

The presidency of the Missouri Pacific, with headquarters in St. Louis, it is said in financial circles, will be again offered to President Howard Elliott of the Northern Pacific by the Kuhn-Loeb-Rockefeller-Bial interests. It is said that he can name his own terms, and that he will be given full authority as chief executive to carry out his plans for the reorganization, and likewise for the physical rehabilitation of the property. He will be asked to go to New York for a conference.

Howard Elliott has been president of the Northern Pacific since October 21, 1903, when he was elected to succeed Charles S. Mellen, who resigned to become president of the New York, New Haven and Hartford. He was not quite 43 years old at the time, and was the youngest president of a big railroad system in the United States. He went to the Northern Pacific from the Chicago, Burlington and Quincy Railroad, of which he had been the second vice president for a little over two years. He worked his way through various positions on the lines of the Burlington system, starting in the summer of 1880, as a level rodman in Northern Missouri. He was graduated from the Lawrence Scientific School of Harvard in 1881 with the degree of civil engineer.

## Women Who Suffer

Relief for women who suffer from the many forms of distress, pain and irregularities due to the diseased conditions of leucorrhoea, or whites, can be found in the following home-made preparation, which is used as sanative wash or douche with syringe: Obtain a 2-ounce package of antiseptic vilane powder, 1 ounce tannic acid and 1 ounce sulphate of zinc. Mix all together and use a teaspoonful to a quart of warm water. In very short time the ravages of disease will be checked, the parts assume a healthy tone and the pain, irregularities and distress will vanish. A sanative wash of a harmless character like this should be used by every woman who values her health and happiness.

## Mr. T. O. Trumbo Says:

Mr. T. O. Trumbo, Millersburg, Kentucky, writes: "I can safely say I have never found the equal of your Casca-Royal-Pills for constipation, liver and kidney trouble, as I am always bothered with these troubles. I give you permission to publish just my words if you so desire, etc."

Evidence comes daily from every section of the country to show that Blackburn's Casca-Royal Pills are the very best remedy in existence for constipation, indigestion, biliousness, headache and such other ills as are due to chronic constipation.
