

Not A Catchpenny

The Golden Rule Store never attempts to deceive the public with a catchpenny ad., but strives at all times to merit your confidence by giving facts.

Owing to our fast increasing business in women's and children's shoes we have decided to discontinue the sale of men's shoes and oxfords and are naming prices that should move every pair in a very short time. These shoes are the latest and newest styles, bought from manufacturers of high grade shoes—bought for our customers—and nothing is too good for them.

We would suggest that you come now while your size is here. Our work shoes—and there are none better—are included in this sale.
