WE'RE STEERING YOU

We've "roped" a few good things on Fifth Avenue and are "steering" you up against them.

They're "branded" by MEN WHO KNOW, as the best things they've seen this Season.

A union suit for a dollar that's a dandy! Well made—not skimmed—just roomy enough not to be uncomfortable.

Want a great shirt for a dollar fifty? You've paid two dollars for shirts not so good.

How's your old straw hat. We're well "bunched" on fine suits for men and young men!

Not forgetting the boys.

—Every eightieth person in Iowa owns an automobile. That is on the basis of the entire population, including men, women, children, babies, widows, orphans, and all. Iowa's population is slightly over two million, and there are 28,000 automobiles owned within the state.
