HABEAS CORPUS CAUSED HUSTLE

M. J. Kirkpatrick Jailed at Request of Burlington Police, Had Local Friends Who Tried to Get Him Out.

NO WARRANT HERE

Alleged Land Defrauder Cannot be Turned Over to Burlington Until Monday Hearing.

An attempt on the part of Keokuk friends to dislodge a Burlington fugitive from justice, from the city jail, was frustrated Saturday night when a writ of habeas corpus issued by Judge Henry Bank at the instigation of Jerry Harrington through services of Attorney D. F. Miller, was met with an information filed against M. T. Kirkpatrick. Kirkpatrick was arrested during the afternoon by Officer Wilson, after Chief of Police Hiltz of Burlington had phoned to Chief Schevers saying that Kirkpatrick was wanted there for obtaining money under false pretenses. It is stated by the police, a nest of four or five of the Kirkpatrick calibre and type have been hanging about the city for several days, working a land scheme. Investigations it is stated, will reveal perhaps criminal operations to obtain money falsely from patrons of the land dealing company, whose offices are in Chicago.

No Right to Hold Him.

Technically, the Keokuk police had no right to hold Kirkpatrick in jail, having no warrant for his arrest and the detention of the man was only at the request of Chief Hiltz of Burlington until he or some officer should come here and return with the fugitive from justice.

Harrington learning that Kirkpatrick was in jail, and said to be a friend of the incarcerated man, called at the police station at 7 o'clock to inquire about the arrest and to try to make arrangements for his release. Later the ex-deputy marshal sought Attorney Miller and Judge Bank being seen, a writ of habeas corpus was issued and read to Chief Schevers and Jailer Yeager.

After Harrington had left the jail, Night Captain Fuqua tipped the chief warden to what was going on and an information was drawn up by Judge McNamara, charging Kirkpatrick with being a fugitive from justice. When the habeas corpus papers were read, the information had already been filed but the Burlington officer had not arrived for his man.

It will be necessary to produce Kirkpatrick in the district court at 8 o'clock tomorrow morning to show why he is being detained. Until then, the Burlington officers cannot have the alleged land grafter.

HAVE NO USE FOR THE JAPS

Pacific Coast People Are in Favor of Peace Treaty But Down on the Japs.

[Gate City Leased Wire Service.] SAN FRANCISCO, Cal., July 15.—That the reaching of an arbitration treaty between the United States and Japan similar to the amended treaty between the United States and Great Britain would make no difference in the attitude of the Pacific coast toward the Japanese was the statement here tonight of Secretary A. E. Yoell, secretary of the Asiatic Exclusion league.

"It is very interesting to know that such a treaty between the United States and Japan has become a possibility," said Yoell, "but neither that nor any other treaty between the two countries would in any way alter the position taken by this organization. "Californians and people of the Pacific coast generally have only the kindest feeling for the Japanese government and for the Japanese in Japan. But we do now and always shall strongly protest against any influx of Asiatic laborers into the United States, no matter what the relations between their governments and ours may be."

ANOTHER MEMBER OF TAFT'S CABINET

Secretary of Treasury Has His Name Drawn into the Lorimer Case by Deneen.

[Gate City Leased Wire Service.] WASHINGTON, July 15.—As a result of developments at the Senator Lorimer hearing this afternoon, a second member of the president's cabinet will be called as witness. Secretary of the Interior Fisher already has been named. He was appealed to by Senator Root, (rep. N. Y.) to get from Publisher Kohlsaat, of Chicago, the name of the man who told Kohlsaat about the Lorimer "slush fund." The climax of Governor Deneen's testimony came when the name of

Secretary of the Treasury MacVeagh was mentioned today. "In August, 1909, three months after the election of Lorimer," said Deneen, "I was asked to meet Secretary MacVeagh at the federal building in Chicago. He wanted to know for the information of the president the part I had played in Lorimer's election. "I told him to tell the president that he (President Taft) was the one who had elected Lorimer, that he was the one who was under suspicion and that he had sent a telegram favoring Lorimer. I told him that Mr. Hines had telephoned to me that President Taft had sent that word to me through Senator Aldrich."

Four witnesses were summoned for Monday—Herman H. Hettler, William Burgess, James Keeley and Henry Turritt. Hettler will be asked regarding an alleged statement made to him by Edward Hines, that he (Hines) "elected Lorimer." Burgess will be asked relative to an alleged conversation he had in March, 1911, on a train in Minneapolis with C. F. Wiehe, secretary of the Hines Lumber company in which Wiehe is alleged to have remarked that he contributed \$10,000 to the Lorimer slush fund.

How to Remove A Bad Complexion

(From London Fashions.) Cosmetics can never really help a poor complexion; often they are positively harmful. The sensible, rational way is to actually remove the thin veil of stifling, half-dead scarf skin from the face and give the fresh, vigorous and beautiful young skin underneath a chance to show itself and to breathe. This is best done in a very simple way, by merely applying mercolized wax at night, like cold cream, and washing it off in the morning. Good mercolized wax can be obtained from any well stocked druglist. It absorbs the disfiguring cuticle gradually and harmlessly, leaving a brilliant natural complexion. Of course this also takes with it all such facial blemishes as red blotches, tan, moth patches, sallowness, liver spots, pimples, etc. As a freckle remover and general complexion beautifier this old-fashioned remedy is unequalled.
