

DISTRICT COURT IN NEW QUARTERS

Court Room at Fort Madison Entirely Remodeled and Judge Henry Bank Convened October Court Monday.

THE NEW ARRANGEMENT

Judge's Bench at East and Visitor's Gallery at West—Docket Read on First Day of the Term.

FORT MADISON, Oct. 24.—The October term of the district court of Lee county was convened in the repaired court house by Judge Bank Monday. The morning session was taken up by the usual opening ceremonies and the reading of the docket.

The old court room is no longer. Although the new one occupies the same space as the old one, it has been rebuilt and refurbished along modern lines and in such manner that no comparison can be made to the one which was devastated by fire. A large amount of the space of the old room has been taken up by the construction of a witness room and a jury room. The jury room, 15x18 feet, occupies the northeast corner of the old room. The judge's platform, together with the lawyers' desks, are at the east of the new room instead of to the south as before. The jury's platform is at the north and adjacent to the door entering into the jury room. The space is devoted to the use of the visitors is at the west instead of the north. The entire room now presents a most respectable appearance, the new furniture, new fixtures, new floor covering and new arrangement of space affording a very neat and convenient place for the legal transactions.

Among those present at the court opening was A. C. Miller of Keokuk, a young aspirant to the legal profession, a son of Attorney D. F. Miller of Keokuk, and at present a student in his father's office. He is here in the capacity of a clerk to his father. The Millers have a strong inclination to the law and A. C. will make the third generation to practice in the same room.

Another topic of reminiscent conversation this morning was the fact that the late Harry Strong, ex-president of the Santa Fe railroad, also practiced in that same room.

Biliousness is due to a disordered condition of the stomach. Chamberlain's Tablets are essentially a stomach medicine, intended especially to act on that organ; to cleanse it, strengthen it, tone and invigorate it, regulate the liver and to banish biliousness positively and effectually. For sale by all dealers.

ACT QUICKLY.

Delay Has Been Dangerous in Keokuk

Do the right thing at the right time. Act quickly in time of danger. Backache is kidney danger.

Doan's Kidney Pills act quickly. Plenty of evidence to prove this.

Mrs. R. J. Lange, 209 Bank street, Keokuk, Iowa, says: "Whenever I caught cold it was sore to settle on my kidneys and for several days, sharp twinges darted through my back, making it hard for me to get about. During one of these spells several months ago I happened to see Doan's Kidney Pills advertised and procuring a box, I began their use. The first few doses relieved me and I now have no cause for complaint. Doan's Kidney Pills have earned my hearty endorsement." (Statement given August 14, 1906.)

A Second Statement.

On May 3rd, 1910, Mrs. Lange added to the above: "I can still say that Doan's Kidney Pills are an excellent kidney medicine. It gives me pleasure to confirm my former endorsement of this remedy and advise its use in cases of kidney complaint."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

\$100 REWARD, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh of the Bladder. There is a constitutional cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying its foundation, the disease and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for lists of testimonials. Address F. J. "CAL" WILL RUN SOX TEAM IN 1912

"Come Back Kid" Will be Manager of Comiskey's Squad, According to Confirmed Story Today.

DUFFY TO DES MOINES

Iowa School for White Sox Players Will be in Charge of Present Manager—Off to the Woods Tonight.

CHICAGO, Ill., Oct. 24.—James John Callahan is ready to sign the "polmers." He admitted as much yesterday. With this little detail completed the "come back kid" will have removed the last remaining barrier in his pathway to the management of the White Sox next season. The story of reputedly that "Cal" would supplant Hugh Duffy was confirmed yesterday by President C. A. Comiskey simultaneously with the departure of Duffy for his winter abiding place, Dorchester, Mass.

That the managerial berth awaited Callahan during the season of 1911 was assured, further strengthening the story published to that effect last March while the Sox were encamped at Miner Wells. With the

close of the season fans and players began to speculate over the question and the answer leaked out yesterday.

May Manage Providence.

Duffy is undecided in his plans for the future. The little veteran holds a third interest in the ownership of the Providence Eastern League club and may return to the Grays, acting as manager next season. Comiskey has found a berth for "Duff," however, as manager of the Des Moines club, which will serve as a school for White Sox recruits, but the deposed leader of the South Siders hasn't accepted the post.

Duffy was not discharged; instead it was at his request that he retired from office. One of his chief reasons for resigning was the hostile attitude of the fans toward him when the Sox were going bad during midseason. Callahan will not be appointed active manager of the hose until President Comiskey returns from his twelfth annual hunting trip to the Wisconsin woods. The expedition is scheduled to embark tonight, and "Cal" won't be asked to sign articles for at least two weeks.

The "come back kid" will be one of the thirty-five guests to accompany Comiskey tonight to Mercer, Wis., and Camp Jerome. The party leaving over the Northwestern lines at six o'clock will consist of Harry Moir, John Malloy, William Buehl, Henry Runkel, Peter Hammler, Joe Farrell, Eddie Westlake, George C. Rice, Fred Hewitt, Tom Hanton, Al Shea, Tim Gleason, Joe Ray, Robert Walsh, Jimmy McAleer, John V. Burns, Joe Deal, "Breck" Powers, Jimmy Callahan, Frank Houseman, John Harding, Tom Lynch, Dr. McCleary, Dr. Hepburn, Eddie Welsh, "Bud" White, John Corcoran, George Kramer, Charles G. Williams, Hugh E. Keough, Charles Campbell, Pat Doran and A. L. Arundel. Ed Walsh, Frank Isbell and Louis Comiskey are in camp awaiting the advent of the main squad. B. B. Johnson and Garry Herrman are expected to join the party later in the week.

CHICAGO, Oct. 24.—Magnates of the "Three I" league will meet today at Peoria to fill the vacancy in the circuit caused by the ousting of Waterloo. Baseball men in touch with the situation say either Bloomington or Decatur will be elected to fill the opening. East St. Louis and Cedar Rapids will make a hot fight for the franchise, according to dispatches from these cities. President Al Tearnsey of the league leaves Chicago this morning for Peoria. In addition to revamping the circuit the moguls will hear the report of the committee as-

signed to the task of revising the constitution and by-laws.

You are not experimenting on yourself when you take Chamberlain's Cough Remedy, for a cold as that preparation has won its great reputation and extensive sale by its remarkable cures of colds, and can always be depended upon. Wednesday evening, Oct. 18, at 7:30 at the home of the bride's parents, Mr. and Mrs. Jacob Koch, of our city occurred the marriage of their daughter, Rosa E. G. E. church officiating, the ceremony being performed in the presence of only the sisters and brothers of the contracting parties and a few intimate friends. The wedding march was played by Mrs. Kreis. The bride was attired in a gown of white mercerized batiste and looked very beautiful. These young people need no introduction as both are well and favorably known having always lived in our community. The bride is the youngest daughter of Mr. and Mrs. Jacob Koch, a young lady well known and loved, not only is she well liked in her home circle, but in church work where she is always willing to do all she could, being one of the leading members of the Jugendverein, also a teacher in Sunday school where she was always at her place, ready to do her duty, and in the choir she was one of the leading alto singers, only last Sunday she pleased the large congregation by singing an alto solo which was greatly enjoyed by all. The groom is the youngest son of Peter Lang, a young man equally well liked by his many friends, a farmer by occupation, one who is to be congratulated upon having won for his bride this lady of his choice.
