We're not singing in the chorus in the overcoat business.

We feature them as "headliners" this Season.

Our little label in your overcoat this winter is a name synonymous with quality and style.

Our trade connections and our facilities are such that we can claim, in all good faith, to give better values than any other shop in this city.

You will readily convince yourself by comparison.

The models we are showing this season are designed especially to meet the requirements of the young man most fastidious—or the man most conservative.

And to meet the requirements of his pocketbook, too.

\$12 to \$25. Look at them.
