FREED THE EDITOR OF MATTS NEWS
 First California Jury Composed Entirely of Women Acquits Newspaper Man.

California's first jury composed exclusively of women tried A. A. King, editor of the Watts News of Los Angeles, on a charge of publishing an obscene and indecent newspaper. Within twenty minutes after taking the case the jurors returned a verdict of not guilty.

King accused the town trustee of applying profane epithets to him, printing the exact epithets. Thirty-six women summoned for jury duty responded. When the twelve were chosen the case went to trial and witnesses repeated the words used. The women heard the profanity without murmur.

The jurors said afterward that the language was profane simply, and not obscene, and was less of a shock when read in a newspaper than when heard from men in the streets.

"Yet such men," said one juror, "never are arrested. Why should we punish the editor?"

When King was acquitted the women cheered.

DEATH OF A. HOLLINGSWORTH

Citizen of Keokuk Who Had Lived Here for Nearly Four Years, Died Early Today.

NATIVE OF ILLINOIS

Abraham Hollingsworth, Veteran of War Leaves Three Daughters and Son to Mourn Loss.

Abraham Hollingsworth, veteran of the civil war, and for the past several years a citizen of Keokuk, died this morning at 2:30 o'clock at the family home, 226 South Fifth street. Death was caused from hemorrhage of the brain and the deceased had been confined to his bed for the past week on account of serious illness. He had been afflicted for several years with kidney and bladder ailment.

Mr. Hollingsworth was born at Browning, Ill., September 2, 1845, but the greater part of his life had been spent at Beardstown, Cass county, Ill., from whence he moved with his family in February, 1908. During his younger years Mr. Hollingsworth was a farmer but in later years had been a fish and game wholesale dealer.

In 1864, the deceased enlisted in Company I. of an Illinois regiment, when he was seventeen years of age. Since his discharge, Mr. Hollingsworth had been a member of the Grand Army lodge at Beardstown. He was wedded October 30, 1869, to the wife who preceded him ten years to the better world.

Three daughters and a son survive Mr. Hollingsworth, the daughters residing in this city and the son is of Beardstown. The children are: The Misses Nora, Cora and Edna and George P. Hollingsworth. A brother, William, lives in Denver, Colo., and two half brothers live in the same state.

Funeral services will be held tomorrow afternoon, probably by Rev. R. W. Lilley of the First Christian church. The hour has not yet been set.

WATERLOO STILL ALIVE AND KICKING

Delegate Will Go Before Annual Baseball Meeting and Ascertain Certain Things.

WATERLOO, Nov. 7.—At the annual meeting of the National association of minor leagues, to be held at San Antonio, Texas, next week the Waterloo Baseball association will be represented by at least one delegate. A meeting of the directors will be held during the week and a man selected to make the trip and investigate the true status of the Three-I league.

Last spring when the national commission delved into the Three-I tangle Waterloo was promised a "place" in the 1912 lineup. Chairman August Herrman assured all cities that the commission would see that every one was properly cared for. With this promise in mind Waterloo did not make any fight against the procedure of the Hon. Al. Tearney and his gang when this city was left out of the league at the last meeting.

Now it's up to the commission to make good. If it does it will prove its superiority over the Tearney person, but if not then Willy Al. will be supreme in at least his own little section of the baseball world.

CITY NEWS

—In the court of Justice John Leindecker today an information was filed against W. W. Thompson, charging him with assault on the person of Henry Brier.

—Funeral services were held yesterday afternoon at three o'clock for the late William Thompson, ex-fire chief. The bells in the fire houses of the city were tolled at 3:30. The pallbearers were: Charles Koepf, Jos. Hanson, Edward Nodler, Fred Raber, John Martin and James Blink.

—A horse drawing a covered delivery wagon, ran away this morning at 11:30 near Eighth and Concert Sts., and upset the vehicle in the John Cameron yard. The driver who was in the wagon was unable to get out and shouted loudly as the animal he was trying to hold in, dashed down the street at a great clip. Several men passing, including Officer Wilson helped the driver to get things set right again after the wagon had been turned over on its side.

—William Schaefer was locked up at the police station last night on request of his father. The younger Schaefer was drunk. He was sent to the county jail this morning to serve time on an old mittimus for his inebriety.

—Henry T. Flood, who left a short time ago for Chicago to accept a position with a railroad company, has returned to Keokuk to resume his old position at the Rock Island freight depot. Mrs. Flood and daughter still remain in Chicago but will probably return in a short time to make their home here. Keokuk friends will be glad to welcome Mr. and Mrs. Flood back again.

LATE AFTERNOON PRESS BULLETINS

[By the United Press.]

BOSTON, Nov. 7.—At 3:07 this afternoon Chairman Hatfield at republican headquarters, declared returns up to that time showed a Frothingham landslide.

Chairman McDonald at democratic headquarters, at the same time, said that Governor Foss' plurality might not be as great as was expected yesterday, but that Foss would surely win.

Habits of Hedgehog.

The hedgehog passes the winter in sleep, with circulation almost suspended and body fires banked. It carries a reserve of glycogen and fat, however, and recent investigations have shown that soon after awakening it warms up by a rapid burning of glycogen. This carbohydrate proves to be the chief fuel, the fat being quite unimportant. The animal may be awake at a low temperature, for the awakening is distinct from the warming up, and whether the latter is voluntary or an automatic process is not yet determined.

Remarkable Home-Made Wrinkle Remover

(From Modern Housekeeper.)
 A wrinkle removing preparation which acts powerfully and quickly may at the same time be entirely harmless, as has been amply demonstrated in the case of the famous saxolite solution. While acting so marvelously on wrinkles of every sort, the saxolite is really beneficial to the skin itself, giving the latter tone and improving its texture. In the case of baggy cheeks or chin, also, more than mere temporary results are obtained.

One ounce of pure powdered saxolite, secureable at any drug store, dissolved in a half pint witch-hazel, makes this most effectual wrinkle-remover. Use as a wash lotion. The effect is wonderful—and immediate.

SETTLED IN HIS NEW HOME

W. H. Palmer Likes the Warmth and Beauty He Has Found in California.

In a letter to The Gate City, from his new home in the west, W. H. Palmer writes as follows: LOS ANGELES, Cal., Nov. 3, 1911.—We receive The Gate City almost every day and enjoy reading it very much.

We are settled in our new home, just one block off Pico heights, perhaps you know where it is. We have a cosy bungalow and so many flowers blooming in the yard. Roses of all kinds and colors, also calla lilies, which will bloom all winter.

We are having warm weather. It has been 80 degrees in the shade today.

The Pacific fleet is anchored in harbor at San Pedro, 26 ships in all. The folks went down to see them yesterday and went out 3 miles on the ocean to where the ships were anchored and went on board the Oregon.

We are having strawberries, blackberries and all kinds of fresh vegetables.

STOP THAT DANDRUFF

before it kills your hair. You know dandruff is a germ disease and it leads slowly and surely to baldness and there is only one way to cure dandruff and that is to kill the germ that causes the trouble.

Greasy salves will never do this. ZEMO and ZEMO SOAP kills the germ and are guaranteed to cure dandruff, itching scalp and all other germ diseases of the skin and scalp.

ZEMO and ZEMO SOAP are the true scientific remedies for these afflictions. To show our faith in ZEMO and ZEMO SOAP we have instructed the druggist selling them to refund your money if you are not satisfied with the results from the very first bottle and the first cake of soap.

We can afford to make this offer because one bottle of Zemo and one cake of soap are sufficient to show their healing qualities and if used according to directions, they will effect a permanent cure.

Sold by druggists everywhere and in Keokuk by City Drug Store.

in one of the down-town stores. I am liking it pretty well.

Mrs. Palmer's health has been very much better since we have been out here.

Greta is getting on fine with her school work and likes it fine.

I was up to the Elks hall a short time ago. They certainly have a fine hall. I was shown all through and taken out on the roof garden which gives one a fine view of the city.

I will close for this time, hoping to hear from you soon. Give my regards to all inquiring friends.

Yours truly,

Dog's True Heaven. Wonderfully trained sympathetic and smart dogs are the dearest companions of almost every German student who has the money to afford one or more. These can be seen in the university towns fantastically outfitted with the student corps color, in ribbons or wearing the tiny monkey stunt permanent cap on doggie's head. Often are dogs sent on all sorts of chores, carrying a basket of eggs, bread or butter, a bottle of brandy, dressed chicken, etc. Outside of too many labor stunts—often grievous drudgery—Germany is the dog's true heaven.
